No Offer or Solicitation

This document is for information purposes only and is not intended to and does not constitute, or form part of, an offer, invitation or the solicitation of an offer or invitation to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of any securities, or the solicitation of any vote or approval in any jurisdiction, pursuant to the proposed business combination of Aon UK and Willis Towers Watson (the "Proposed Combination") or otherwise, nor shall there be any sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law. In particular, this document is not an offer of securities for sale into the United States. No offer of securities shall be made in the United States absent registration under the US Securities Act of 1933, as amended (the "US Securities Act"), or pursuant to an exemption from, or in a transaction not subject to, such registration requirements. Any securities issued as a result of the Proposed Combination by means of a scheme of arrangement (the "Scheme") are anticipated to be issued in reliance upon the exemption from the registration requirements of the US Securities Act pursuant to the exemption from registration set forth in Section 3(a)(10) thereof. Subject to the provisions of the business combination agreement and with the Irish Takeover Panel's consent, the Proposed Combination will be implemented solely by means of the Scheme documentation, which will contain the full terms and conditions of the Proposed Combination, including details of how Aon Ireland and Willis Towers Watson shareholders may vote in respect of the Proposed Combination.

Forward-Looking Statements

This document contains certain statements that are forward-looking, as that term is defined in the Private Securities Litigation Reform Act of 1995. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations of management about future events. Forward-looking statements can often, but not always, be identified by the use of words such as "plans," "expects," "is subject to," "budget," "scheduled," "estimates," "forecasts," "potential," "continue," "intends," "anticipates," "believes" or variations of such words, and statements that certain actions, events or results "may," "could," "should," "would," "might" or "will" be taken, occur or be achieved. Although management believes that the expectations reflected in these forward-looking statements are reasonable, it can give no assurance that these expectations will prove to be correct. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by the forward-looking statements. Such factors include, but are not limited to, the possibility that the Proposed Combination will not be consummated, failure to obtain necessary shareholder or regulatory approvals or to satisfy any of the other conditions to the Proposed Combination, adverse effects on the market price of Aon UK, Aon Ireland and/or Willis Towers Watson securities and on Aon UK's, Aon Ireland's and/or Willis Towers Watson's operating results for any reason, including, without limitation, because of the failure to consummate the Proposed Combination, the failure to realize the expected benefits of the Proposed Combination (including anticipated revenue and growth synergies), the failure to effectively integrate the combined companies following consummation of the Proposed Combination, negative effects of an announcement of the Proposed Combination, changes in global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax laws, regulations, rates and policies, future business acquisitions or disposals, or any announcement relating to the consummation of or failure to consummate the Proposed Combination on the market price of Aon UK, Aon Ireland and/or Willis Towers Watson securities, significant transaction and integration costs or difficulties in connection with the Proposed Combination and/or unknown or inestimable liabilities, potential litigation associated with the Proposed Combination, the potential impact of the announcement of the Proposed Combination or consummation of the Proposed Combination on relationships, including with suppliers, customers, employees and regulators, and general economic, business and political conditions (including any epidemic, pandemic or disease outbreak) that affect the combined companies following the consummation of the Proposed Combination. The factors identified above are not exhaustive. Aon UK, Aon Ireland, Willis Towers Watson and their subsidiaries operate in a dynamic business environment in which new risks may emerge frequently. Other unknown or unpredictable factors could also cause actual results and developments to differ materially from those expressed or implied by the forward-looking statements. Forward-looking statements should therefore be construed in the light of such factors. You are cautioned not to place undue reliance on any forward-looking statements, which speak only as of the date made. Further information concerning Aon UK and its businesses, including economic, competitive, governmental, regulatory, technological and other factors that could materially affect Aon UK's results of operations and financial condition (and which shall apply equally to Aon Ireland following the completion of Aon UK's previously announced redomiciliation into Ireland pursuant to a scheme of arrangement under English law), is contained in Aon UK's filings with the US Securities and Exchange Commission (the "SEC"). See Aon UK's Annual Report on Form 10-K for the year ended December 31, 2019, filed with the SEC on February 14, 2020, and additional documents filed by Aon UK and/or Aon Ireland with the SEC for a further discussion of these and other risks and uncertainties applicable to Aon UK's and Aon Ireland's businesses. Further information concerning Willis Towers Watson and its businesses, including economic, competitive, governmental, regulatory, technological and other factors that could materially affect Willis Towers Watson's results of operations and financial condition, is contained in Willis Towers Watson's filings with the SEC. See Willis Towers Watson's Annual Report on Form 10-K for the year ended December 31, 2019, filed with the SEC on February 26, 2020, and additional documents filed by Willis Towers Watson with the SEC for a further discussion of these and other risks and uncertainties applicable to Willis Towers Watson's businesses. Any forward-looking statements in this document are based upon information available as of the date of this document which, while believed to be true when made, may ultimately prove to be incorrect. Other than in accordance with legal or regulatory obligations, Aon UK is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise. All subsequent written and oral forward-looking statements attributable to Aon UK, Aon Ireland and/or any person acting on behalf of either of them are expressly qualified in their entirety by the foregoing.

Participants in the Solicitation

Aon UK, Aon Ireland and their respective directors and executive officers may be deemed to be participants in the solicitation of proxies from shareholders in connection with the Proposed Combination. Additional information about Aon UK's directors and executive officers is contained in Aon UK's Annual Report on Form 10-K for the year ended December 31, 2019, filed with the SEC on February 14, 2020, and its Proxy Statement on Schedule 14A, dated and filed with the SEC on April 26, 2019.

Important Additional Information Will Be Filed with the SEC

Aon Ireland and Willis Towers Watson will prepare a joint proxy statement (which will contain the Scheme documentation) to be distributed to Willis Towers Watson shareholders and Aon Ireland shareholders, containing further information relating to the implementation of the Proposed Combination, the full terms and conditions of the Scheme, notices of the Aon Ireland and the Willis Towers Watson shareholders meetings, and information on the Class A ordinary shares of Aon Ireland to be issued under the Proposed Combination. The joint proxy statement will be filed with the SEC. This document, when filed, as well as Aon UK's, Aon Ireland's and Willis Towers Watson's other public filings with the SEC, may be obtained without charge at the SEC's website at www.sec.gov and, in the case of Aon UK's and Aon Ireland's filings, at Aon UK's website at [www.\[Aon\].com](http://www.[Aon].com), and in the case of Willis Towers Watson's filings, at Willis Towers Watson's website at [www.\[Willis Towers Watson\].com](http://www.[Willis Towers Watson].com). BEFORE MAKING ANY VOTING DECISION, HOLDERS OF Aon UK, Aon IRELAND AND/OR Willis Towers Watson SECURITIES ARE URGED TO READ THOSE FILINGS AND ANY OTHER RELEVANT DOCUMENTS FILED OR TO BE FILED WITH THE SEC IN CONNECTION WITH THE PROPOSED COMBINATION, INCLUDING ANY DOCUMENTS INCORPORATED BY REFERENCE THEREIN, CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED COMBINATION AND THE PARTIES TO THE PROPOSED COMBINATION. Any vote in respect of resolutions to be proposed at the Willis Towers Watson shareholders meetings to approve the Proposed Combination, the Scheme or related matters, or other responses in relation to the Proposed Combination, should be made only on the basis of the information contained in the joint proxy statement (including the Scheme documentation). Similarly, any vote in respect of resolutions to be proposed at the Aon Ireland shareholders meeting to approve the issuance of Class A ordinary shares of Aon Ireland under the Proposed Combination should be made only on the basis of the information contained in the joint proxy statement (including the Scheme documentation).

Statement Required by the Irish Takeover Rules

The directors of Aon UK accept responsibility for the information contained in this document relating to Aon UK, the directors of Aon UK and members of their immediate families, related trusts and persons connected with them, except for the statements made by Willis Towers Watson in respect of Aon UK or Aon Ireland. Dealing Disclosure Requirements

Under the provisions of Rule 8.3 of the Irish Takeover Panel Act, 1997, Takeover Rules 2013 (the "Irish Takeover Rules"), if, during an "offer period," any person is, or becomes "interested" (directly or indirectly) in 1 per cent. or more of any class of "relevant securities" of Aon UK, Aon Ireland or Willis Towers Watson, all "dealings" in any "relevant securities" of Aon UK, Aon Ireland or Willis Towers Watson (including by means of an option in respect of, or a derivative referenced to, any such relevant securities) must be publicly disclosed by no later than 3.30pm (Eastern time) in respect of the relevant securities of Aon UK, Aon Ireland and Willis Towers Watson on the business day following the date of the relevant transaction. The requirement will continue until this offer period ends. If two or more persons co-operate on the basis of any agreement, either express or tacit, either oral or written, to acquire an interest in relevant securities of Aon UK, Aon Ireland or Willis Towers Watson, they will be deemed to be a single person for the purposes of Rule 8.3 of the Irish Takeover Rules. Under Rule 8.1 of the Irish Takeover Rules, all dealings in relevant securities of Willis Towers Watson by Aon UK or Aon Ireland, or relevant securities of Aon UK or Aon Ireland by Willis Towers Watson, or by any party acting in concert with either of them must also be disclosed by no later than 12 noon (Eastern time) in respect of the relevant securities of Aon UK, Aon Ireland and Willis Towers Watson on the business day following the date of the relevant transaction. In particular, a person will be treated as having an interest by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities. Terms used in this paragraph should be read in light of the meanings given to those terms in the Irish Takeover Rules. If you are in any doubt as to whether or not you are required to disclose dealings under Rule 8 of the Irish Takeover Rules, consult with the Irish Takeover Panel's website at www.irishtakeoverpanel.ie or contact the Irish Takeover Panel by telephone on +353 1 678 9020.
