# EVO Payments and Oracle Expand Global Partnership to Include Xstore POS, Symphony POS and Opera, Enhancing Checkout Experience for Hospitality and Retail Merchants

11/16/2021

ATLANTA--(BUSINESS WIRE)-- EVO Payments, Inc. (NASDAQ: EVOP) ("EVO"), a leading global provider of payment technology integrations and acquiring solutions, announced today a global agreement with Oracle in which EVO will be able to enable Oracle's enterprise payment solutions to EVO's hospitality and retail merchants and offer acquiring services to existing Oracle software customers. EVO will develop a direct integration to the Oracle Payments Interface (OPI), which provides access to Oracle's full suite of point-of-sale software solutions including Xstore POS (for retail), Symphony POS (for restaurants) and Opera (for hotels).

EVO is an existing member of the Oracle PartnerNetwork, offering the market proprietary integrations to Oracle's on-premises and cloud-based E-Business Suite ERP solution, with both integrations serving to enable digital B2B payments and automate accounts receivable.

"We are very excited to broaden our global relationship with Oracle by integrating to OPI," stated James G. Kelly, EVO's CEO. "We now have the ability to offer Oracle's most modern POS solutions to our global retail and hospitality customers, enhancing the functionality of their business management solutions and allowing for a seamless payment experience. We further gain the ability to target new merchants for payment acceptance, including those merchants currently leveraging Oracle software solutions."
