AUDIT COMMITTEE CHARTER

Purpose

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of ARC Document Solutions, Inc. (the “Company”) is to assist the Board in its oversight of:

1. The integrity of the Company’s financial statements;
2. The Company’s compliance with legal and regulatory requirements;
3. The qualification, independence, and performance of the Company’s independent auditors; and
4. The performance of the Company’s internal audit function.

The Committee’s function is one of oversight, recognizing that the Company’s management is responsible for preparing the Company’s financial statements, and the independent auditor is responsible for auditing those statements. In adopting this Charter, the Board acknowledges that the Committee members are not employees of the Company and are not providing any expert or special assurance as to the Company’s financial statements or any professional certification as to the external auditor’s work or auditing standards. Each member of the Committee shall be entitled to rely on the integrity of those persons and organizations within and outside the Company that provide information to the Committee; and to rely on the accuracy and completeness of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary.

Membership

The Committee shall consist of no fewer than three members of the Board. The members of the Committee shall meet the independence and experience requirements that may be established from time to time by the New York Stock Exchange (“NYSE”), Section 10A(m)(3) of the Securities and Exchange Act of 1934, as amended (the “Exchange Act”) or the Securities and Exchange Commission (“Commission”) and are applicable to the Committee. Each member of the Committee shall also be financially literate and meet any additional independence standards that may be established from time to time by the Board or the Nominating and Corporate Governance Committee. At least one member of the Committee shall be an “audit committee financial expert” as defined in regulations promulgated by the Commission and at least one member of the Committee shall have accounting or related financial management expertise in accordance with NYSE rules (this may be, but need not be, the same person as the “audit committee financial expert”). Committee members shall not simultaneously serve on the audit committees of more than two other public companies. One member of the Committee will serve as the Chairperson of the Committee. The Committee may also appoint a Secretary, who need not be a director, whose primary responsibility will be to keep the minutes of the Committee meetings.

Members of the Committee and the Committee Chairperson shall be appointed by and may be removed, without cause, by the affirmative vote of the majority of the Board on the recommendation of the Nominating and Corporate Governance Committee. Any Committee member may resign effective upon giving oral or written notice to the Chairman of the Board, the Corporate Secretary or the Board (unless the notice specifies a later time for the effectiveness of such resignation).

Meetings

The Committee shall meet as often as it determines, but not less frequently than quarterly. The Committee shall meet periodically in separate executive sessions with management (including the chief financial officer), the internal auditors and the independent auditor, and have such other direct and independent interaction with such persons from time to time as the members of the Committee deem appropriate. The Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities. The Committee shall maintain written minutes of its meetings.

Authority and Resources

The Committee shall have the sole authority to appoint or replace the independent auditor. The Committee shall be directly responsible for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Committee.

The Committee shall pre-approve all auditing services, internal control-related services and permitted non-audit services (including the terms thereof) to be performed for the Company by its independent auditor, subject to the de minimus exceptions for non-audit services described in applicable provisions of the Exchange Act which are approved by the Committee prior to the completion of the audit. The Committee may form and delegate authority to sub-committees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.

The Committee shall have the sole authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services for the Company, and to any advisors employed by the Committee, as well as funding for the payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee shall have full access to all books, records, facilities and personnel of the Company in connection with the discharge of its responsibilities.
