### About American Reprographics Company

American Reprographics Company is the leading reprographics company in the United States providing business-to-business document management technology and services to the architectural, engineering and construction, or AEC industries. The Company provides these services to companies in non-AEC industries, such as technology, financial services, retail, entertainment, and food and hospitality, which also require sophisticated document management services. American Reprographics Company provides its core services through its suite of reprographics technology products, a network of hundreds of locally-branded reprographics service centers across the U.S., on-site at more than 5,600 customer locations, and through UDS, a joint-venture company headquartered in Beijing, China. The Company's service centers are arranged in a hub and satellite structure and are digitally connected as a cohesive network, allowing the provision of services both locally and nationally to more than 138,000 active customers.
