### **Notification of Quality System Change Status**

Dear Mr. Woodruff:

We have completed our review and evaluation of the quality system changes documented in your Quality Manual. Your submitted data meets the requirements of the Title 14 Code of Federal Regulations § 21.307 and complies with the intent of Title 14 Code of Federal Regulations Part 21 Amendment published on October 1, 2015, and effective March 29, 2016. The Federal Aviation Administration (FAA) approves the submitted manual.

The Federal Aviation Administration reserves the right to require such changes, additions or clarifications that may become necessary as a result of subsequent inspections, evaluations and/or audits.

This notification should remain on file as evidence of FAA review of your quality system document.

Note: Implementation of this Quality System Manual is not authorized prior to March 29, 2016.

**Document Name:** Curtiss-Wright Quality Manual, QM-001
