Structure and Authority

(a) Composition

The composition of the Board of Directors, including the qualifications of each director, will comply with all requirements of the *Business Corporations Act* (Alberta), the articles and by-laws of the Corporation, applicable securities legislation and the rules of any stock exchange upon which the securities of the Corporation are listed for trading.

A majority of the Board of Directors will be comprised of directors who must be determined to be “independent” as defined in applicable securities laws and the rules or guidelines of any stock exchange upon which the securities of the Corporation are listed for trading.

The directors, in exercising the powers and authority conferred upon them, will act honestly and in good faith with a view to the best interests of the Corporation and in connection therewith will exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. A director will not be liable in carrying out his or her duties except in cases where the director fails to act honestly and in good faith with a view to the best interests of the Corporation or to exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

(b) Election, Appointment and Replacement

The CGNRC will recommend to the Board of Directors candidates for nomination as directors. The Board of Directors approves the final choice of candidates to be submitted to Shareholders and voted upon in accordance with the Corporation’s majority voting policy on the election of directors.

The Board of Directors will appoint the Chair of the Board from among the Corporation’s directors. The term of each director will expire at the close of the next Annual Meeting of Shareholders (“Annual Meeting of Shareholders”) or when a successor is duly elected or appointed.

If it becomes necessary to appoint a new director to fill a vacancy on the Board of Directors or to complement the existing Board of Directors, the Board of Directors will, under the leadership of the CGNRC, consider a wide base of potential candidates and assess the qualifications of proposed new directors against a range of criteria, including background experience, professional skills, personal qualities, gender, ethnicity, age, sexual orientation, stakeholder perspectives, geographic backgrounds, the potential for the candidate’s skills to augment the existing Board of Directors and the candidate’s availability to commit to the Board of Directors’ activities.

The Board of Directors may, between Annual Meetings of Shareholders, appoint one or more additional directors for a term to expire at the close of the next Annual Meeting of Shareholders, provided that the number of additional directors so appointed will not exceed one-third of the number of directors who held office at the immediately preceding Annual Meeting of Shareholders.

Directors must have an appropriate mix of skills, knowledge and experience in business and a history of achievements. Directors are required to commit the requisite time for all of the Board of Directors’ business and activities and will demonstrate integrity, accountability and informed judgement.

(c) Meetings and Quorum

A majority of Directors present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak to each other shall constitute a quorum.

The Board of Directors will not transact business at a meeting of the Board of Directors unless a quorum is present.

The Board of Directors meets at least quarterly and as many additional times as needed to carry out its duties effectively. At each regularly scheduled meeting, the Board of Directors meets in *in-camera* sessions, without Management present and as a group of only the independent directors. The Board of Directors also meets with any internal personnel or outside advisors as needed or appropriate to discharge its responsibilities, in open or closed sessions as appropriate.

Each director is expected to attend all regularly scheduled meetings in person. To prepare for meetings, directors are expected to review the materials that are sent to them in advance of such meetings.

(d) Review of Charters and Position Descriptions

The Board of Directors shall review and assess the adequacy of all Board of Directors and committee charters and all CEO and chair position descriptions at least annually and consider and adopt changes as appropriate.
