PRECISION DRILLING ANNOUNCES PROPOSED PRIVATE OFFERING OF US\$400 MILLION SENIOR NOTES DUE 2024 AND AMENDMENT TO ITS REVOLVING CREDIT FACILITY

Calgary, Alberta, Canada – May 28, 2014

Precision Drilling Corporation (“Precision”) announced today that it intends, subject to market and other conditions, to offer US\$400,000,000 aggregate principal amount of its Senior Notes due 2024 (the “Notes”) in a private offering that is exempt from the registration requirements of the U.S. Securities Act of 1933, as amended (the “Securities Act”). The Notes will be guaranteed on a senior unsecured basis by current and future U.S. and Canadian subsidiaries that also guarantee Precision’s revolving credit facility and certain other future indebtedness. Precision expects to use the net proceeds from this offering for general corporate purposes, including building new rigs.

In addition, on May 21, 2014, Precision launched an amendment to the credit agreement governing its revolving credit facility (the “Credit Agreement Amendment”) in conjunction with its proposed offering of the Notes. The Credit Agreement Amendment, among other things, will (i) voluntarily reduce the size of the revolving credit facility from US\$850.0 million to US\$650.0 million, (ii) extend the maturity from November 17, 2018 to June 3, 2019 and (iii) increase the maximum consolidated senior debt to EBITDA ratio from 3.0:1.0 to 3.5:1.0 for the first three fiscal quarters following a material acquisition that involves total consideration of more than 5% of Precision’s consolidated net tangible assets.

The Notes and the related guarantees will be offered only to qualified institutional buyers in reliance on the exemption from registration set forth in Rule 144A under the Securities Act, and outside the United States to non-U.S. persons in reliance on the exemption from registration set forth in Regulation S under the Securities Act. The Notes and the related guarantees have not been registered under the Securities Act, or the securities laws of any state or other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from the Securities Act and applicable state securities or blue sky laws and foreign securities laws.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, any securities, nor shall there be any sales of the Notes in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. This notice is being issued pursuant to and in accordance with Rule 135(c) under the Securities Act.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION AND STATEMENTS

Certain statements contained in this news release relating to matters that are not historical facts constitute “forward-looking information” within the meaning of applicable Canadian securities

legislation and “forward-looking statements” within the meaning of the “safe harbor” provisions of the U.S. Private Securities Litigation Reform Act of 1995 (collectively, “forward-looking information and statements”).

In particular, forward-looking information and statements in this news release include, but are not limited to, the proposed offering of Notes, the use of the net proceeds from the offering and the proposed changes to Precision's existing credit facility via the Credit Agreement Amendment. These forward-looking information and statements are based on certain expectations and assumptions made by Precision, including the assumption that the offering will be completed as proposed. Although Precision believes that the expectations and assumptions on which such forward-looking information and statements are based are reasonable, undue reliance should not be placed on the forward- looking information and statements as Precision cannot give any assurance that they will prove to be correct. Actual results could differ materially from those currently anticipated due to a number of factors and risks, which include, but are not limited to, the risk that the offering of Notes will not be completed as proposed or at all and general economic, market and business conditions. Readers are cautioned that the foregoing list of risks and uncertainties is not exhaustive. Additional information on these and other risks factors that could affect Precision’s operations, financial results and the completion of the offering are discussed in Precision’s annual information form and other disclosure documents on file with the Canadian securities commissions on SEDAR (www.sedar.com) and with the U.S. Securities and Exchange Commission on EDGAR (www.sec.gov).

The forward-looking information and statements contained in this press release are made as of the date hereof and Precision does not undertake any obligation to update publicly or revise any forward-looking information or statements, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.
