Fortive Changes Its 2020 Annual Meeting of Shareholders to a Virtual Only Meeting Format

5/14/2020

EVERETT, Wash.--(BUSINESS WIRE)-- Fortive Corporation ("Fortive") (NYSE: FTV) announced today that, as a result of the COVID-19 pandemic and the corresponding public health and travel concerns of its shareholders, directors, officers, employees and service providers, Fortive has changed the location of its 2020 Annual Meeting of Shareholders to a virtual only meeting format. The meeting will be held online only through audio webcast and will begin at 3:00 PM PDT on June 2, 2020, as previously scheduled.

Shareholders of record as of April 6, 2020 can attend the 2020 Annual Meeting, including to vote their shares and ask questions, by accessing www.virtualshareholdermeeting.com/FTV2020 shortly prior to the scheduled start of the meeting and entering the 16-digit control number on the proxy card, voting instruction form or notice of availability of proxy materials previously furnished. Guests may join the 2020 Annual Meeting without entering a 16-digit control number but will not be able to vote or ask questions.

The rules and procedures applicable to the meeting, together with a list of shareholders of record for inspection for any legally valid purpose, will be available for the participating shareholders of record at www.virtualshareholdermeeting.com/FTV2020.

Shareholders who have already voted do not need to vote again. Whether or not shareholders plan to participate in the virtual-only meeting, Fortive urges shareholders to submit their vote in advance of the meeting by one of the methods described in the previously distributed proxy materials.

Technical support number will be posted on the virtual shareholder meeting log-in page for any shareholders encountering difficulties accessing the meeting during the check-in or meeting time.
