To Our Stockholders:

You are cordially invited to attend the 2020 Annual Meeting of Stockholders of Shake Shack Inc., which will be held virtually on June 10, 2020, at 9:00 a.m. Eastern time. The Annual Meeting can be accessed by visiting www.virtualshareholdermeeting.com/SHAK2020, where you will be able to listen to the meeting live, submit questions, and vote online. We believe that a virtual stockholder meeting provides greater access to those who may want to attend and therefore have chosen this over an in-person meeting. We have also been monitoring the public health impact of the coronavirus (COVID-19) outbreak, and we believe that offering a virtual only meeting format will help to support the health and well-being of our partners, employees and stockholders.

Instructions regarding how to attend the meeting online and details concerning the matters expected to be acted upon at the meeting are described in detail in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

Your vote is important. Please cast your vote as soon as possible over the Internet, by telephone, or by completing and returning the enclosed proxy card in the postage-prepaid envelope so that your shares are represented. Your vote will mean that you are represented at the Annual Meeting regardless of whether or not you join the meeting. Returning the proxy does not deprive you of your right to attend the meeting online and to vote your shares during the Annual Meeting.

We look forward to your attendance at the meeting.

Sincerely

/s/ Randy Garutti

PROXY STATEMENT

The Meeting

The Board of Directors (the “**Board of Directors**” or the “**Board**”) of Shake Shack Inc., a Delaware corporation (“**Shake Shack**” or the “**Company**”), is soliciting proxies for use at the 2020 Annual Meeting of Stockholders (the “**Annual Meeting**”) to be held virtually on June 10, 2020, at 9:00 a.m. Eastern time. The Annual Meeting can be accessed by visiting www.virtualshareholdermeeting.com/SHAK2020, where you will be able to listen to the meeting live, submit questions, and vote online. The Notice of Internet Availability of Proxy Materials was first furnished to stockholders on or about April 23, 2020. Electronic copies of this Proxy Statement and the Annual Report for the year ended December 25, 2019 are available at www.proxyvote.com and investor.shakeshack.com.

Voting Rights, Quorum and Required Vote

Only holders of record of our common stock at the close of business on April 16, 2020 (the “**Record Date**”) will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, we had 34,523,400 shares of Class A common stock outstanding and entitled to vote and 3,117,002 shares of Class B common stock outstanding and entitled to vote. Holders of the Company’s Class A common stock and Class B common stock are entitled to one vote for each share held as of the Record Date. A quorum is required for our stockholders to conduct business at the Annual Meeting. The holders of a majority in voting power of all issued and outstanding stock entitled to vote at the Annual Meeting, present or represented by proxy, will constitute a quorum for the transaction of business. Your shares are counted as present at the Annual Meeting if you are present and vote online at the Annual Meeting or if you have properly submitted a proxy. Abstentions and “broker non-votes” (as defined below) will be counted in determining whether there is a quorum.

For Proposal No. 1 - Election of Directors, directors will be elected by a plurality of the votes of the shares of common stock cast at the Annual Meeting, which means that the three nominees receiving the highest number of “for” votes will be elected. Withheld votes and broker non-votes will have no effect on Proposal No. 1.

Proposal No. 2 - Ratification of Appointment of Independent Registered Public Accounting Firm, requires the affirmative vote of the holders of a majority in voting power of the stock entitled to vote at the Annual Meeting, present at the Annual Meeting or represented by proxy. Abstentions will count the same as votes against Proposal No. 2. There will be no broker non-votes with respect to Proposal No. 2 because a broker may exercise its discretion to vote for or against the proposal in the absence of instruction from its clients.

Proposal No. 3 - Approval (on an advisory basis) of the Compensation of the Named Executive Officers. In order to be approved on an advisory basis, this proposal must receive the affirmative vote of the holders of a majority in voting power of the stock entitled to vote at the Annual Meeting, present at the Annual Meeting or represented by proxy. Abstentions will count the same as votes against Proposal No. 3. Broker non-votes will have no effect on Proposal No. 3.

Voting Your Shares

If you are a registered holder, meaning that you hold our stock directly (not through a bank, broker or other nominee), you may vote online at the Annual Meeting, by telephone or electronically through the Internet by following the instructions included on your Notice of Internet Availability of Proxy Materials or proxy card, or by completing, dating, signing and promptly returning your proxy card. All

signed, returned proxies that are not revoked will be voted in accordance with the instructions contained therein. Signed proxies that give no instructions as to how they should be voted on a particular proposal at the Annual Meeting will be counted as votes “for” such proposal, and, in the case of the election of the Class II directors, as a vote “for” election of each of the nominees presented by the Board.

In order to vote via the virtual meeting website, any registered holder can attend the Annual Meeting by visiting www.virtualshareholdermeeting.com/SHAK2020, where stockholders may vote and submit questions during the meeting. The meeting starts at 9:00 a.m. Eastern time. Please have your 16-Digit Control Number to join the Annual Meeting. Instructions on how to attend and participate via the Internet, including how to demonstrate proof of stock ownership, are posted at www.proxyvote.com.

If your shares are held through a bank, broker or other nominee, you are considered the beneficial owner of those shares. You may be able to vote by telephone or electronically through the Internet in accordance with the voting instructions provided by that nominee. You may also vote by completing, dating, signing and promptly returning the voting instruction form sent by that nominee. You must obtain a legal proxy from the nominee that holds your shares if you wish to vote online at the Annual Meeting. If you do not provide voting instructions to your broker in advance of the Annual Meeting, New York Stock Exchange rules grant your broker discretionary authority to vote on “routine” proposals. Where a proposal is not “routine,” a broker who has received no instructions from its clients does not have discretion to vote its clients’ uninstructed shares on that proposal, and the unvoted shares are referred to as “broker non-votes.” For the Annual Meeting, Proposals No. 1 and 3 are not considered “routine” proposals, and Proposal No. 2 is considered a “routine” proposal.

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the Chairman of the Annual Meeting may adjourn the Annual Meeting to permit further solicitations of proxies.

The telephone and Internet voting procedures are designed to authenticate stockholders’ identities, to allow stockholders to give their voting instructions and to confirm that stockholders’ instructions have been recorded properly. Stockholders voting via the telephone or Internet should understand that there may be costs associated with telephonic or electronic access, such as usage charges from telephone companies and Internet access providers, which must be borne by the stockholder.

The virtual Annual Meeting is accessible on any internet-connected device and stockholders will be able to submit questions and comments and to vote online during the meeting. We believe these benefits of a virtual meeting are in the best interests of our stockholders. If you encounter any difficulties accessing the virtual meeting during the meeting, please call toll free: (800) 586-1548 if calling from the United States, or if calling internationally, please call: (303) 562-9288.

You may virtually attend the Annual Meeting by visiting www.virtualshareholdermeeting.com/SHAK2020, where stockholders may vote and submit questions during the Meeting. Only holders of our common stock at the close of business on the Record Date will be permitted to ask questions during the Annual Meeting. If you wish to submit a question, on the day of the Annual Meeting, you may log into the virtual meeting platform at www.virtualshareholdermeeting.com/SHAK2020, and type your question for consideration into the field provided in the web portal. To allow

us to answer questions from as many stockholders as possible, we may limit each stockholder to two (2) questions. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together. More information on submitting questions at the Annual Meeting will be posted on the internet website www.virtualshareholdermeeting.com/SHAK2020 in advance of the meeting.

In accordance with Delaware law, for the 10 days prior to our annual meeting, a list of registered holders entitled to vote at our Annual Meeting will be available for inspection in our offices at 225 Varick Street, Suite 301, New York, New York 10014. Stockholders will also be able to access the list of registered holders electronically during the Annual Meeting through the virtual meeting website at www.virtualshareholdermeeting.com/SHAK2020.

Expenses of Solicitation

The expenses of any solicitation of proxies to be voted at the Annual Meeting will be paid by the Company. Following the original mailing of the proxies and other soliciting materials, the Company and its directors, officers or employees (for no additional compensation) may also solicit proxies in person, by telephone or email. Following the original mailing of the proxies and other soliciting materials, the Company will request that banks, brokers and other nominees forward copies of the proxy and other soliciting materials to persons for whom they hold shares of common stock and request authority for the exercise of proxies. We will reimburse banks, brokers and other nominees for reasonable charges and expenses incurred in forwarding soliciting materials to their clients.

Revocability of Proxies

Any person submitting a proxy has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote. A proxy may be revoked by a writing delivered to the Company stating that the proxy is revoked, by a subsequent proxy that is submitted via telephone or Internet no later than 11:59 p.m. (New York City time) on June 9, 2020, by a subsequent proxy that is signed by the person who signed the earlier proxy and is delivered before or at the Annual Meeting, or by attendance at the Annual Meeting and voting online. If you are a beneficial owner and wish to change any of your previously provided voting instructions, you must contact your bank, broker or other nominee directly.

Delivery of Documents to Stockholders Sharing an Address

We have adopted a procedure approved by the Securities and Exchange Commission (“SEC”) called “householding” under which multiple stockholders who share the same address will receive only one copy of the Annual Report, Proxy Statement, or Notice of Internet Availability of Proxy Materials, as applicable, unless we receive contrary instructions from one or more of the stockholders. If you wish to opt out of householding and receive multiple copies of the proxy materials at the same address, you may do so by notifying us by telephone at (844) 742-2504, by email at investor@shakeshack.com, or by mail at Shake Shack Inc. at 225 Varick Street, Suite 301, New York, New York 10014, and we will promptly deliver the requested materials. You also may request additional copies of the proxy materials by notifying us by telephone or in writing at the same telephone number, email address, or address. If you are currently receiving multiple copies of the proxy materials and wish to receive only one copy at the same address, then please notify us by telephone or in writing at the same telephone number, email address, or address. Stockholders with shares registered in the name of a brokerage firm or bank may contact their brokerage firm or bank to request information about householding.

Electronic Delivery of Proxy Materials to Stockholders

Beginning on or about April 23, 2020, we mailed or e-mailed to our stockholders a Notice of Internet Availability of Proxy Materials with instructions on how to access our proxy materials over the Internet and how to vote. If you received such Notice and would prefer to receive paper copies of the

proxy materials, or if you received paper copies of the proxy materials and would prefer to receive a notice for future annual meetings, you may notify us by telephone, email or mail at the telephone number, email address and mailing address provided above.

The Board of Directors recommends a vote FOR the election of each of the nominated directors.

CORPORATE GOVERNANCE

Composition of our Board of Directors

In accordance with our amended and restated certificate of incorporation and the second amended and restated bylaws, our Board of Directors consists of nine members and is divided into three classes with staggered three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. The authorized number of directors may be changed by resolution of the Board of Directors. Vacancies on the Board of Directors can be filled by resolution of the Board of Directors. Daniel Meyer serves as the Chairman of our Board of Directors. We believe the following directors are independent as required by the rules of the New York Stock Exchange: Sumaiya Balbale, Anna Fieler, Jeff Flug, Jenna Lyons, Joshua Silverman, Jonathan D. Sokoloff and Robert Vivian. Randy Garutti, Joshua Silverman and Jonathan D. Sokoloff are the Class II directors and their terms will expire in 2020. Sumaiya Balbale, Jenna Lyons and Robert Vivian are the Class III directors and their terms will expire in 2021. Anna Fieler, Jeff Flug and Daniel Meyer are the Class I directors and their terms will expire in 2022. The division of our Board of Directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control.

Pursuant to the Stockholders Agreement, described under “Certain Relationships and Related Party Transactions—The IPO and Other Organizational Transactions—Stockholders Agreement,” the Meyer Group is entitled to designate individuals to be included in the slate of nominees recommended by our Board of Directors, for election to our Board of Directors at each annual or special meeting at which directors are to be elected, as follows: so long as the Meyer Group owns in the aggregate (i) at least 50% of the total outstanding shares of our Class A common stock and Class B common stock that it owned immediately following the IPO, it will be entitled to nominate a number of individuals that, if elected, will result in there being five directors on the Board of Directors who are deemed to have been designated by the Meyer Group, (ii) less than 50%, but at least 25%, of the total outstanding shares of our Class A common stock and Class B common stock that it owned immediately following the IPO, it will be entitled to nominate a number of individuals that, if elected, will result in there being four directors on the Board of Directors who are deemed to have been designated by the Meyer Group, (iii) less than 25%, but at least 10%, of the total outstanding shares of our Class A common stock and Class B common stock that it owned immediately following the IPO, it will be entitled to nominate a number of individuals that, if elected, will result in there being two directors on the Board of Directors who are deemed to have been designated by the Meyer Group, and (iv) less than 10%, but at least 5%, of the total outstanding shares of our Class A common stock and Class B common stock that it owned immediately following the IPO, it will be entitled to nominate a number of individuals that, if elected, will result in there being one director on the Board of Directors who is deemed to have been designated by the Meyer Group. As of the Record Date, the Meyer Group owns at least 50% of the total outstanding shares of our Class A common stock and Class B common stock that it owned immediately following the IPO.

Each of LGP and Select Equity Group (“**SEG**”) was entitled to nominate one director on the Board of Directors who is deemed to have been designated by LGP or SEG, so long as LGP or SEG owns, in the aggregate, at least 50% of the total outstanding shares of Class A Common Stock and Class B common stock that it owned immediately following the IPO. As of the Record Date, neither LGP nor SEG own any Class A Common Stock or Class B Common Stock; accordingly, neither LGP nor SEG currently is entitled to nominate director candidates to our Board pursuant to the Stockholders Agreement.

For purposes of the Stockholders Agreement, the Meyer Group designated Mr. Meyer, Mr. Garutti, Mr. Flug, Ms. Lyons and Mr. Vivian as its nominees. The Meyer Group may only designate an individual or individuals to the extent its designee(s) is up for election at an annual meeting. Pursuant to the Stockholders Agreement, the members of the Voting Group, which as of the Record Date collectively hold 13.2% of the combined voting power of the Company, have agreed to vote their shares for Randy Garutti, as nominated by the Meyer Group.

Leadership Structure of the Board of Directors

The positions of Chairman of the Board and Chief Executive Officer are presently separated. We believe this arrangement, at this time, allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board to lead the Board of Directors in its fundamental role of providing advice to and independent oversight of management. Our bylaws and corporate governance guidelines, which do not require that our Chairman and Chief Executive Officer positions be separate, allow our Board to determine the board leadership structure that is appropriate for us at any given point in time, taking into account the dynamic demands of our business, our senior executive personnel, and other factors.

Presiding Director

The Board of Directors has created the position of presiding director (“**Presiding Director**”) to serve as the lead non-management director of the Board. Each independent director serving on the Board shall take turns serving as the Presiding Director on a rotating basis. The Presiding Director position will be rotated among the independent directors, in alphabetical order of last name, effective the first day of each calendar quarter. Our Presiding Director at the time of the Annual Meeting is Joshua Silverman.

The Presiding Director has the power and authority to do the following: (1) to preside at all meetings of non-management directors when they meet in executive session without management participation; (2) to set agendas, priorities and procedures for meetings of non-management directors meeting in executive session without management participation; (3) to generally assist the Chairman of the Board; (4) to add agenda items to the established agenda for meetings of the Board; (5) to request access to the Company’s management, employees and its independent advisers for purposes of discharging his or her duties and responsibilities as a director; and (6) to retain independent outside financial, legal or other advisors at any time, at the expense of the Company, on behalf of the Board or any committee or subcommittee of the Board.

Communications by Stockholders and Other Interested Parties with the Board of Directors

Stockholders and other interested parties may contact an individual director, the Presiding Director, the Board as a group, or a specified Board committee or group, including the non-management directors as a group, by sending regular mail to Board of Directors, Shake Shack Inc., 225 Varick Street, Suite 301, New York, New York 10014, Attention: Corporate Secretary, or by email at investor.shakeshack.com.

Each communication should specify the applicable addressee or addressees to be contacted, as well as the general topic of the communication. The Company initially will receive and process communications before forwarding them to the addressee. The Company also may refer communications to other departments at the Company. The Company generally will not forward to the directors a communication that is primarily commercial in nature, relates to an improper or irrelevant topic, or requests general information regarding the Company.

Board Committees

Our Board of Directors has three standing committees: an Audit Committee, a Nominating and Corporate Governance Committee and a Compensation Committee. Each of these Committees reports to the Board of Directors as they deem appropriate, and as the Board of Directors may request. The composition, duties and responsibilities of these Committees are described below. In the future, our Board of Directors may establish other committees, as it deems appropriate, to assist it with its responsibilities.

Pursuant to the terms of the Stockholders Agreement, the Meyer Group currently has the right to designate fifty percent (50%) of the members of each committee of the Board of Directors because it has the right to designate at least four individuals for nomination to the Board of Directors. If the Meyer

Group has the right to designate between one and three individuals for nomination to the Board of Directors, the Meyer Group will have the ability to designate at least one-third, but in no event fewer than one, of the members of each committee of the Board of Directors.

Audit Committee

The Audit Committee operates under a written charter adopted by the Board of Directors. The charter contains a detailed description of the scope of the Audit Committee's responsibilities and how they will be carried out. The Audit Committee's charter is available on our website at investor.shakeshack.com, under "Governance Documents." In accordance with its charter, the Audit Committee, among other responsibilities, (i) engages and oversees our independent registered public accounting firm; (ii) reviews and discusses with management and our independent registered public accounting firm the interim and annual financial statements that we file with the SEC and the other financial information presented to our stockholders; (iii) reviews with our independent registered public accounting firm the scope and results of their audit; (iv) approves all audit and permissible non-audit services to be performed by our independent registered public accounting firm; (v) reviews and monitors our accounting principles, accounting policies, financial and accounting controls and compliance with legal and regulatory requirements; (vi) reviews our responsibilities with respect to risk assessment and risk management; (vii) establishes procedures for the confidential anonymous submission of concerns regarding questionable accounting, internal controls or auditing matters; (viii) reviews risk assessments from management with respect to the Company's information technology systems and procedures, including cybersecurity, and oversees the Company's cybersecurity risk management processes; and (ix) reviews risk assessments from management with respect to the Company's food safety and quality assurance practices, and must oversee the Company's food safety and quality assurance risk management processes.

Our Audit Committee consists of Robert Vivian, Sumaiya Balbale, Jeff Flug and Josh Silverman, with Mr. Vivian serving as chair. As required by Rule 10A-3 of the Exchange Act and the New York Stock Exchange rules, each of Mr. Vivian, Ms. Balbale, Mr. Flug and Mr. Silverman meet the definition of "independent director" for purposes of serving on an audit committee. In addition, the Board of Directors has determined that each of Messrs. Vivian and Silverman qualifies as an "audit committee financial expert," as such term is defined in Item 407(d)(5) of Regulation S-K.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee operates under a written charter adopted by the Board of Directors. The charter contains a detailed description of the scope of the Nominating and Corporate Governance Committee's responsibilities and how they will be carried out. The Nominating and Corporate Governance Committee's charter is available on our website at investor.shakeshack.com, under "Governance Documents." The primary responsibilities of the Nominating and Corporate Governance Committee are to (i) identify individuals qualified to become members of our Board of Directors, consistent with criteria approved by our Board of Directors and in accordance with the terms of the Stockholders Agreement; (ii) develop and recommend to our Board of Directors a set of corporate governance guidelines and principles; and (iii) oversee the evaluation of the Board of Directors.

Our Nominating and Corporate Governance Committee consists of Jeff Flug, Jenna Lyons and Joshua Silverman, with Mr. Flug serving as chair. As required by the New York Stock Exchange rules, each of Messrs. Flug and Silverman and Ms. Lyons meets the definition of "independent director" for purposes of serving on a nominating and corporate governance committee.

Compensation Committee

The primary responsibilities of the Compensation Committee are to (i) review and approve the Company's executive compensation strategy and in connection with such review, identify and approve the Company's peer group companies and to establish appropriate targets, as well as the level and mix

of compensation elements for executive compensation; (ii) review and approve the corporate goals and objectives with respect to the compensation of the Chief Executive Officer, evaluate the performance of the Chief Executive Officer in light of these goals and objectives, and determine the compensation of the Chief Executive Officer based upon that evaluation; (iii) review and set or make recommendations to the Board of Directors regarding the compensation of other executive officers; (iv) review and make recommendations to the Board of Directors regarding director compensation; (v) review and approve or make recommendations to the Board of Directors regarding the Company's incentive compensation and equity-based plan and arrangements; (vi) ensure an appropriate management development and succession strategy with respect to the Chief Executive Officer, the other executive officers, and senior management; and (vii) review risk assessments from management with respect to the Company's people practices, including without limitation, recruiting and retention, culture and labor.

Our Compensation Committee consists of Sumaiya Balbale, Anna Fieler, Jenna Lyons, Jonathan D. Sokoloff and Robert Vivian, with Mr. Vivian serving as chair. As required by the New York Stock Exchange rules, each of Messrs. Sokoloff and Vivian and Ms. Balbale, Fieler, and Lyons meets the definition of "independent director" for purposes of serving on a compensation committee. The Compensation Committee operates under a written charter adopted and approved by the Board.

Risk Oversight

Our Board of Directors is responsible for overseeing our risk management process. Our Board of Directors focuses on our general risk management strategy and the most significant risks facing us, and oversees the implementation of risk mitigation strategies by management. Our Board of Directors is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters and significant transactions.

Our Board of Directors does not have a standing risk management committee, but rather we administer this oversight function directly through our Board of Directors as a whole. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure, our Audit Committee is responsible for overseeing our major financial risk exposures and the steps our management has taken to monitor and control these exposures, and our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage unnecessary risk taking. In addition, our Audit Committee oversees the performance of our internal audit function and considers and approves or disapproves any related-party transactions.

In addition, our management has created a Risk Management Oversight Committee, which is responsible for monitoring the Company's risk environment and providing direction for the activities that are anticipated to mitigate, to an acceptable level, the risks that may adversely affect the Company's ability to achieve its goals. The Risk Management Oversight Committee facilitates and monitors the implementation of effective risk mitigation steps taken by all Company leaders and assists risk owners in defining target risk exposure and reporting adequate risk-related information throughout the Company. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, compliance and reporting levels.

Risk Considerations in our Compensation Program

We conducted an assessment of our compensation policies and practices for our employees and concluded that these policies and practices are not reasonably likely to have a material adverse effect on the Company. The Company's compensation programs and policies mitigate risk by combining performance-based, long-term compensation elements with payouts that are highly correlated to the value delivered to stockholders. The combination of performance measures for annual bonuses and the equity compensation programs for executive officers, as well as the multi-year vesting schedules for equity awards encourage employees to maintain both a short- and long-term view with respect to Company performance.

Code of Ethics

We have adopted a written Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal

accounting officer or controller, or persons performing similar functions. We have posted a current copy of the code on our website, *investor.shakeshack.com*. In addition, we intend to post on our website all disclosures that are required by law or the New York Stock Exchange listing standards concerning any amendments to, or waivers from, any provision of the code.

Director Recommendations

The Nominating and Corporate Governance Committee, in recommending director candidates, and the Board, in nominating director candidates, will evaluate candidates in accordance with the qualification standards set forth in our Corporate Governance Guidelines, available on our website, *investor.shakeshack.com*. In addition, the Nominating and Corporate Governance Committee and the Board may also consider the additional selection criteria listed in the Corporate Governance Guidelines. These qualification standards and additional selection criteria are summarized below.

Director Qualification Standards

The Nominating and Corporate Governance Committee, in recommending director candidates for election to the Board, and the Board, in nominating director candidates, will consider candidates who have a high level of personal and professional integrity, strong ethics and values and the ability to make mature business judgments.

Additional Selection Criteria

In evaluating director candidates, the Nominating and Corporate Governance Committee and the Board may also consider the following criteria as well as any other factor that they deem to be relevant:

- The candidate's experience in corporate management, such as serving as an officer or former officer of a publicly held company;
- The candidate's experience as a board member of another publicly held company;
- The candidate's experience as an executive of a publicly held retail restaurant company;
- The candidate's professional and academic experience relevant to the Company's industry;
- The candidate's diversity (race, ethnicity, gender, geography, sexual orientation, age, nationality, religious beliefs, socio-economic status, physical and/or mental capabilities);
- The strength of the candidate's leadership skills;
- The candidate's experience in finance and accounting and/or executive compensation practices;
- The candidate's experience in successfully scaled technology business(es);
- Whether the candidate has the time required for preparation, participation and attendance at Board meetings and committee meetings, if applicable; and
- An understanding of the values of Daniel Meyer's vision of "Enlightened Hospitality": caring for each other, one's guests, one's community, one's suppliers and one's investors.

In addition, the Board considers whether there are potential conflicts of interest with the candidate's other personal and professional pursuits.

The Board also monitors the mix of specific experience, qualifications and skills of its directors in order to assure that the Board, as a whole, has the necessary tools to perform its oversight function effectively in light of the Company's business and structure.

Diversity

The Company values diversity on a Company-wide basis and seeks to achieve a mix of Board members that represent a diversity of background and experience, including with respect to age, gender, race, ethnicity, and occupation. Although the Board does not establish specific goals with respect to diversity, the Board's overall diversity is a significant consideration in the director nomination process. The Company's Corporate Governance Guidelines provide that our Nominating and Corporate Governance Committee is to take into account the overall diversity of the Board when identifying possible nominees for director. The Nominating and Corporate Governance Committee implements that policy, and assesses its effectiveness, by examining the diversity of all the directors on the Board when it selects nominees for directors. The diversity of directors is one of the factors that the Nominating and Corporate Governance Committee considers, along with the other selection criteria described above. The Nominating and Corporate Governance Committee assesses the effectiveness of its efforts at pursuing diversity through its periodic evaluation of the Board's composition.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders in the same manner it considers other candidates, but it has no obligation to recommend such candidates. A stockholder that wants to recommend a candidate for election to the Board of Directors should send a recommendation in writing to Shake Shack Inc., c/o Corporate Secretary, 225 Varick Street, Suite 301, New York, New York 10014. Such recommendation should describe the candidate's qualifications and other relevant biographical information and provide confirmation of the candidate's consent to serve as director.

Stockholders may also nominate directors at the annual meeting by adhering to the advance notice procedure described under "Stockholder Proposals" elsewhere in this Proxy Statement.

Compensation Committee Interlocks and Insider Participation

None of our executive officers currently serves, or in the past year has served, as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

There are no family relationships among any of our directors or executive officers.

At a meeting of our Board of Directors held in 2020, our Board members voted to defer the cash component of their compensation temporarily during the COVID-19 pandemic.

The terms of each such annual equity award described above is set forth in a written award agreement between the applicable non-employee director and us, which provides for vesting after one year of continued service as a director, subject to acceleration upon a change of control.

The non-employee director compensation policy may be further amended, modified or terminated by our Board of Directors at any time in its sole discretion.

In addition to the non-employee director compensation policy, in connection with the IPO, we adopted a director stock ownership policy encouraging non-employee directors to hold shares of our Class A common stock and/or LLC Interests with a value equal to or in excess of the fair value of the non-qualified stock option or other equity award that the non-employee director received as an annual equity award on or following the most recent annual meeting.

Each of our directors attended at least 75% of the meetings of the Board of Directors and meetings held by any of the committees of the Board on which such director served, except for Mr. Sokoloff whose attendance fell below 75% due to a family emergency causing him to miss a meeting of the Board of Directors and scheduling conflicts with several Compensation Committee meetings. Prior to fiscal 2019, Mr. Sokoloff has had excellent attendance at Board and committee meetings, and is committed to continuing to dedicate his time and energy to the Company and attending Board and committee meetings in future years.

The Company's directors are encouraged to attend our Annual Meeting, but we do not currently have a policy relating to directors' attendance at these meetings. All of the Company's directors at the time of the Company's annual meeting for fiscal 2019 attended such meeting.

As a matter of good corporate governance, the Audit Committee has requested the Board of Directors to submit the selection of EY as the Company’s independent registered public accounting firm for 2020 to stockholders for ratification. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. We expect representatives of EY to be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting if they desire to do so, and will be available to respond to appropriate questions.

PROPOSAL NO. 3 - APPROVE (ON AN ADVISORY BASIS) COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “**Dodd-Frank Act**”) we are required to provide our stockholders with the opportunity to cast an advisory vote on the compensation of our Named Executive Officers (“**NEOs**”) as disclosed in this Proxy Statement, including in the section entitled “Compensation Discussion and Analysis,” the compensation tables and other executive compensation disclosures. The advisory stockholder vote to approve NEO compensation is often referred to as the “say-on-pay vote.”

The Compensation Committee believes that compensation of our executive officers in fiscal 2019 met the objectives of our program which were to foster long-term business success using a pay-for-performance philosophy intended to encourage performance and growth and to align the executive officers’ interests with those of our stockholders.

Stockholders are being asked to vote on the following resolution:

RESOLVED, that the stockholders approve the compensation of Shake Shack’s executive officers named in the Summary Compensation Table, as disclosed in Shake Shack’s Proxy Statement dated April 23, 2020, including the Compensation Discussion and Analysis, the compensation tables and other executive compensation disclosures.

Although this say-on-pay vote proposal is advisory and not binding, the Compensation Committee, which is comprised solely of independent directors and is responsible for making decisions regarding the amount and form of compensation paid to our executive officers, will carefully consider the stockholder vote on this matter, along with other expressions of stockholder views it receives on specific policies and desirable actions. In each case, the Compensation Committee will seek to understand the concerns that influenced the vote and address them in making future decisions affecting our executive compensation program.

Please refer to the sections of this Proxy Statement entitled “Compensation Discussion and Analysis” and “Fiscal 2019 Compensation Tables” for a detailed discussion of our executive compensation principles and practices, the fiscal 2019 compensation of our NEOs, and changes implemented in our program for fiscal 2019.

We urge you to read these sections of the proxy statement and the related compensation tables closely in determining how to vote on this matter.

<p>The Board of Directors recommends a vote FOR the approval, on an advisory basis, of the compensation of the Named Executive Officers as disclosed in this Proxy Statement.</p>

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table shows information about the beneficial ownership of our Class A common stock and Class B common stock, as of the Record Date, for:

- each person known by us to beneficially own more than 5% of our outstanding Class A common stock or Class B common stock;
- each of our directors and NEOs; and
- all of our directors and executive officers as a group.

The number of shares beneficially owned by each stockholder is determined under rules promulgated by the SEC under which beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power. In computing the number of shares beneficially owned by an individual or entity and the percentage ownership of that person, shares of common stock subject to options, or other rights held by such person that are currently exercisable or will become exercisable within 60 days of the Record Date, are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person. However, in computing the number of shares of Class A common stock beneficially owned by an individual or entity, we do not include LLC Interests, which are exchangeable into Class A common stock, held by such individual or entity because the voting rights represented by the LLC Interests are reflected in the shares of Class B common stock reported for such individual or entity. Unless otherwise indicated, the address of all listed stockholders is c/o Shake Shack Inc., 225 Varick Street, Suite 301, New York, New York 10014. Each of the stockholders listed has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

Executive Summary

Business Highlights

Fiscal 2019 was another year of exceptional growth. The Company opened a record number of Shacks and drove strong revenue and profits, while continuing to build the foundation of sustainable long-term growth ahead. Our brand power and thoughtful approach to growth have resulted in consistently strong Company performance and demonstrates the ongoing success of our various growth strategies. With sizeable growth anticipated ahead and a relentless focus on excellence, experience and hospitality, our team of senior leaders has been, and continues to be, instrumental in our strategic growth.

Much of our success in 2019 can be attributed to the skilled implementation of the Company's business strategy by our senior leadership team and the Board, who continue to collaborate on creating long-term value for our stockholders. Year-over-year, for 2019, total revenue increased 29.4% to \$594.5 million and Adjusted EBITDA* increased 10.8% to \$81.8 million. Shack system-wide sales increased 33.2% to \$895.3 million and operating income was \$25.7 million, or 4.3% of total revenue. We also added net 73 new restaurants for a total of 275 restaurants, globally. The charts below demonstrate our consistent, strong performance over the last five years.

(1) Shack system-wide sales is an operating measure and consists of sales from the Company's domestic company-operated Shacks, domestic licensed Shacks and international licensed Shacks. The Company does not recognize the sales from licensed Shacks as revenue. Of these amounts, revenue is limited to Shack sales from domestic company-operated Shacks and licensing revenue based on a percentage of sales from domestic and international licensed Shacks. Note: CAGR for Total Revenue, cash flow from operations, and Shack System-Wide Sales is the compounded annual growth rate between fiscal 2015 and fiscal 2019.

* Adjusted EBITDA is a non-GAAP measure. EBITDA is defined as net income before interest expense (net of interest income), income tax expense and depreciation and amortization expense. Adjusted EBITDA is defined as EBITDA excluding equity-based compensation expense, deferred lease cost, losses on the disposal of property and equipment, amortization of cloud-based software implementation costs, as well as certain non-recurring items that we do not believe directly reflect our core operations and may not be indicative of our recurring business operations. See the "Non-GAAP Financial Measures" section on pages 63-67 of our Annual Report on Form 10-K filed on February 24, 2020 for a reconciliation of these non-GAAP measures to the most directly comparable GAAP measures.

Say-on-Pay and Stockholder Engagement

At our 2019 Annual Meeting, we asked our stockholders to vote to approve, on an advisory basis, the compensation of our NEOs. Our stockholders overwhelmingly approved the compensation paid to our NEOs, with over 98.8% cast in favor of our say-on-pay resolution. We value this positive endorsement by our stockholders of our executive compensation policies. As we evaluated our compensation practices for fiscal 2019, we were mindful of the strong support our stockholders expressed for our pay-for-performance philosophy, and the Compensation Committee and the Board considered the outcome of the vote when setting our compensation policies for 2019. The Board and the Compensation Committee will consider the future stockholder advisory votes of our stockholders, including the vote that will take place at the 2020 Annual Meeting, when we make compensation decisions for our named executive officers in the future. The compensation arrangements and decisions described in this Compensation Discussion and Analysis were made prior to the global outbreak of the COVID-19 pandemic, and as of the filing of this proxy statement, it is premature to describe actions that the Compensation Committee may or may not undertake with respect to compensation during the Company's 2020 fiscal year. As the global COVID-19 pandemic evolves and the economic circumstances continue to develop, the Compensation Committee expects to monitor the situation and proactively review and consider the Company's compensation arrangements and practices as it determines to be in the best interests of the Company's stockholders, and where appropriate, other stakeholders.

Executive Compensation Practices - Governance

Below are our current practices and policies that guide our executive compensation program. We believe the following items promote good corporate governance and are in the best interests of our stockholders and NEOs:

- Our Compensation Committee is comprised of fully-independent directors
- We cap annual cash incentive awards payouts to mitigate risk
- We maintain stock ownership guidelines for our CEO and CFO
- We do not provide significant perquisites
- We prohibit hedging and pledging of Company stock
- We hold an annual say-on-pay vote

What Guides Our Program

Compensation Philosophy and Objectives

Our executive talent and executive compensation philosophy enables us to attract well-qualified executives and to motivate and reward them for business results and leadership behaviors that drive our business strategy. We are committed to a pay for performance culture that includes high standards of ethical behavior and corporate governance.

The objective of our executive compensation program is to attract, retain, and motivate individuals who share in our dedication to our community and are committed to our mission, Stand for Something Good. We believe that competitive executive compensation packages that consist of both fixed and variable pay in the form of base salaries, annual cash incentive opportunities, and long-term equity incentives that vest over a multi-year period enable us to achieve those objectives and align the compensation of our executive officers with our performance and long-term value creation for our stakeholders.

Elements of Compensation

Our compensation philosophy is supported by the following principal elements of pay:

Element	How It's Paid	Purpose
Base Salary	Cash (Fixed)	Provides a competitive fixed rate of pay relative to similar positions in the market, and enables the Company to attract and retain critical executive talent
Annual Cash Incentive	Cash (Variable)	Focuses executives on achieving annual financial, strategic and individual goals that drive long-term stockholder value
Long-Term Incentives	Mix of Equity (Variable)	Provides incentives for executives to execute on longer-term financial/strategic growth goals that drive stockholder value creation and support the Company's leadership retention objectives

How We Make Compensation Decisions

The Compensation Committee oversees the executive compensation program of our NEOs and is made up of independent, non-employee members of the Board. The Compensation Committee works very closely with management to evaluate the effectiveness of the Company's executive compensation program throughout the year. The Committee's specific responsibilities are set forth in its charter, which can be found on the Company's website at <https://investor.shakeshack.com/investors-overview/governance> under "Governance Documents."

Role of Compensation Committee

The Compensation Committee makes all final compensation and equity award decisions regarding our NEOs. In setting compensation for our NEOs, the Compensation Committee considers the relative amount of compensation that is delivered on a current and long-term basis and in the form of cash and equity. The combination of performance measures for annual bonuses and the equity compensation programs for executive officers, as well as the multi-year vesting schedules for equity awards, encourage key employees to maintain both a short-term and a long-term view with respect to Company performance. The compensation arrangement for each of our NEOs is intended to encourage performance and growth and to align the NEOs' interests with those of our stockholders. The Committee's primary responsibilities include:

- Reviewing and approving incentive plans and performance objectives;
- Assessing each NEO's performance relative to these targets and objectives;
- Evaluating the competitiveness of each NEO's total compensation package;
- Approving changes to a NEO's compensation element, including base salary, annual and long-term incentive opportunities and awards; and
- Designing executive compensation plans and programs.

Role of the CEO

Our CEO plays a significant role in reviewing the performance of our executive officers (other than his own) and making compensation recommendations to the Compensation Committee. The CEO's responsibilities include:

- Reviewing the performance of other executive officers and making recommendations to the Compensation Committee with respect to their compensation; and

- Working closely with members of senior management to provide input to the Compensation Committee on performance goals and compensation and benefit program design and development.

The CEO does not participate in the deliberations of the Compensation Committee regarding his own compensation. Independent members of the Board make all final determinations regarding CEO compensation.

Competitive Positioning

The Company competes with business entities across multiple industries for top executive-level talent. To this end, the Compensation Committee periodically evaluates industry-specific and general market compensation practices and trends to ensure that our program and NEO pay opportunities remain appropriately competitive. The Compensation Committee compares each component of the total compensation package to the compensation components of comparable executive positions of a peer group of publicly traded companies (the “**Peer Group**”). The companies comprising the Peer Group were selected based on the following considerations:

- Business dynamics;
- Geographic dispersion;
- Workforce dynamics; and
- Brand equity and company culture

The Compensation Committee selected the following 13 companies for the 2019 Peer Group because they are of similar size and scope based on measures of corporate revenues, enterprise values and market capitalization:

2019 Peer Group	
Canada Goose Holdings Inc.	Ruth’s Hospitality Group, Inc.
Churchill Downs Incorporated	Texas Roadhouse, Inc.
Del Taco Restaurants, Inc.	The Cheesecake Factory Incorporated
Etsy, Inc.	Vail Resorts, Inc.
Floor & Décor Holdings, Inc.	Wingstop Inc.
Grubhub Inc.	YETI Holdings, Inc.
Planet Fitness, Inc.

SHAK	\$595	\$2,500	\$2,240
<i>Estimated Percentile Rank of SHAK within Peer Group</i>	29 th	21 st	29 th

(1) Corporate Revenue, Enterprise Value and Market Cap are as of 12/31/2019 or most recent fiscal year.

Consideration of competitive compensation data is one of several factors that the Compensation Committee takes into account when making its decisions with respect to the compensation of our NEOs. For purposes of gauging market position, the Compensation Committee has reviewed information derived from data obtained from publicly available information such as the proxy statements of publicly-traded companies, compensation survey data and other published reports on executive compensation, and the general knowledge of the Compensation Committee with regard to the market for senior management positions.

We believe that market data should be interpreted within the context of other important factors and should not solely be relied upon in setting the pay levels of our NEOs. As a result, in setting the target pay level of our NEOs, we review the market data along with a variety of other factors including, individual performance, competencies, skills, future potential, prior experience, scope of responsibility and accountability within the organization.

2019 Executive Compensation Program in Detail

Base Salary

We provide competitive base salaries to our NEOs to compensate them for services rendered to the Company. Base salaries provide a fixed component of compensation reflecting the executive's skills, expertise, leadership contributions and day-to-day performance. On December 5, 2018, the Compensation Committee approved, in light of job responsibilities, performance, and compensation information that is publicly available, the following base salary adjustments for each of the NEOs:

NEO	2018 Base Pay	2019 Base Pay	% Change
Randy Garutti	\$540,750	\$600,233	11%
Tara Comonte	\$472,500	\$524,475	11%
Zachary Koff	\$275,000	\$300,000	9%

Annual Cash Incentive

The NEOs are entitled to receive annual performance-based cash bonuses under the Annual Cash Incentive Plan, the amount of which is based on satisfaction of annual Company objectives that are established by the Board of Directors or the Compensation Committee. Target award opportunities are expressed as a percentage of base salary and are based on the individual NEO's level of responsibility and ability to impact the business results. For fiscal 2019, the Compensation Committee approved a target award increase for Randy Garutti from 55% to 75% of base salary. The increase was based on a detailed market assessment of a peer group of companies while emphasizing compensation opportunities that are incentive-based when delivering targeted financial results. The Compensation Committee set the following threshold, target and maximum award levels for fiscal 2019.

NEO	Target Annual Cash Award Opportunity (as % of Base Salary)		
	Threshold	Target	Maximum
Randy Garutti	0%	75%	150%
Tara Comonte	0%	50%	100%
Zachary Koff	0%	35%	58.45%

Annual cash incentives reward both the achievement of short-term financial goals, as well as the execution of activities to advance our strategic and operational priorities, which support near-term financial performance and long-term strategic objectives. We describe our Annual Cash Incentive Plan structure in more detail below, including the metrics and weightings we used for fiscal 2019.

2019 Annual Cash Incentive Plan Design

For fiscal 2019, the Compensation Committee determined that it was desirable and in the best interest of the Company to adjust the performance measures as they pertained to the CEO. For 2019, the CEO's individual performance measure was removed, and the measurement of the CEO's performance under the 2019 Annual Cash Incentive Plan was based 100% on financial performance metrics in order that the CEO's performance be fully tied to and aligned with the financial performance of the Company. The 2019 Annual Cash Incentive Plan payouts for the other NEOs remained based 80% on the achievement of the Company-wide financial performance metrics and 20% on individual performance. The individual performance measure was based on subjective performance, as determined by the CEO and Compensation Committee. The individual performance measure increases

the importance of accountability through goal setting and achievement and individual contributions to our culture. We believe this adjustment enables Shake Shack to continue to strengthen the culture and thereby deliver long-term, sustainable growth to our stakeholders.

Performance Metrics	Weighting	
	CEO	Other NEOs
Total Revenue vs Budget*	50%	40%
Adjusted EBITDA vs Budget**	50%	40%
Individual Performance (Individual Performance and Goal Achievement)	0%	20%

* For purposes of the Annual Cash Incentive Plan, the Company defines Total Revenue as revenue, inclusive of revenue from Company-owned operations and licensing revenue from international and domestic licensed operations.

** For purposes of the Annual Cash Incentive Plan, the Company defines Adjusted EBITDA as net income before deducting (A) interest, (B) taxes, (C) depreciation and (D) amortization, and excluding certain non-cash and other items not considered in the Company's evaluation of ongoing operating performance, including equity-based compensation expenses, non-cash deferred rent charges, and certain non-recurring charges. Adjusted EBITDA performance (both Budget and actual performance) excludes bonuses.

The Company-wide financial performance metrics upon which our NEO's performance-based incentive are determined are directly linked to the key drivers of our business: sales growth and operational profitability. These metrics are also meaningful to investors. This portion of each NEO's award is determined by the achievement of the combined score of the two financial performance metrics set at the beginning of the year. The table below summarizes the threshold, target, and maximum performance achievement levels and their respective payout results for fiscal 2019.

Financial Performance Metric	Target Performance Goal (\$)	Range of Performance Achievement			Actual % of Achievement	Actual % of Payout
		Threshold	Target	Maximum		
Total Revenue	\$572,467,655	90%	100%	105%	103.9%	177.0%
Adjusted EBITDA	\$ 84,787,722	90%	100%	115%	105.5%	136.9%
Total Payout						156.9%

Note: If performance is achieved at a level between the threshold and target or between target and maximum, the payout level is determined through straight-line interpolation. Under the terms of the applicable award the Actual % of Payout set forth above corresponds to the Actual % of Achievement of the applicable goals.

The individual performance portion of the award (20% of overall award) is determined by the achievement of individual and strategic and operational goals. These goals are established and approved by the Compensation Committee at the beginning of each year and are intended to ensure the highest priorities are identified, monitored and measured over the course of the performance period. At the end of the fiscal year, the CEO and Compensation Committee reviewed each of the NEOs' non-financial goals in detail and determined that these goals were achieved, or substantial progress was made toward achievement of multi-year objectives.

All the financial and strategic goals under the Annual Cash Incentive Plan are thoughtfully developed to complement each other—creating a holistic program that aligns the interests of our stockholders with our business strategy. The actual amounts of the performance-based cash bonuses paid to each NEO for fiscal 2019 performance are shown in the table below:

NEO	Base Salary	Target Annual Award (% of Base Salary)	Target Annual Incentive Value (\$)	Financial Performance Actual Achievement	Individual Performance Actual Achievement	Total Award Payout Value
Randy Garutti	\$600,233	75%	\$450,175	156.9%	N/A	\$706,527
Tara Comonte	\$524,475	50%	\$257,740	156.9%	150%	\$400,930
Zachary Koff	\$300,000	35%	\$103,486	145.8%	100%	\$135,074

Long-Term Incentives

We provide our NEOs with long-term incentive awards under our 2015 Incentive Award Plan (as amended, the “**2015 Plan**”). Awards under the 2015 Plan are intended to align the interests of the NEOs with those of our stockholders and to create a link between executive pay and the long-term shareholder value creation. Rewards earned by our NEOs in connection with these awards are dependent on the Company’s achievement of the pre-determined goals over each annual performance period.

2019 Long-Term Incentive Plan Design

In fiscal 2019, the Compensation Committee granted a substantial portion of the target total compensation for each of our NEOs in the form of long-term equity incentive awards. On March 1, 2019, long-term incentive awards were granted to each of the NEOs in the form of time-based restricted stock units (“**RSUs**”) and performance-based restricted stock units (“**PSUs**”). RSUs represented 50% of the total award value and vest ratably over a period of four years, subject to the NEO’s continued employment. PSUs represented the remaining 50% of the award value and are earned and vest over four years, based on the achievement of two, equally weighted, pre-determined financial goals, measured over a one-year performance period which is the 2019 fiscal year.

Performance Metrics	Weighting
Total Revenue*	50%
Adjusted EBITDA**	50%

* For purposes of the PSUs, Total Revenue means revenue, inclusive of revenue from Company-owned operations and licensing revenue from international and domestic licensed operations.

** For purposes of the PSUs, the Company defines Adjusted EBITDA as net income before deducting (A) interest expense, (B) taxes, (C) depreciation and (D) amortization, and excluding certain non-cash and other items not considered in the Company’s evaluation of ongoing operating performance, including equity-based compensation expenses, non-cash deferred rent charges, and certain non-recurring charges. Adjusted EBITDA performance (both Budget and actual performance) excludes bonuses.

The PSUs are payable to the extent the Company achieves the Total Revenue and Adjusted EBITDA performance goals over each annual performance period. Any PSUs that are issued will vest, subject to Mr. Garutti’s, Ms. Comonte’s and Mr. Koff’s continued employment with the Company, ratably over a four-year period commencing on the first anniversary of the date the PSUs were granted. Issued PSUs may vest sooner for Mr. Garutti’s, Ms. Comonte’s and Mr. Koff’s death or disability.

The amount of PSUs issued to each of the NEOs is a percentage, ranging from 0% to 125%, of each NEO's PSU target. In March 2020, the Compensation Committee certified the following results:

Financial Performance Metric	Target Performance Goal (\$)	Range of Performance Achievement			Actual % of Achievement	Actual % of Payout
		Threshold	Target	Maximum		
Total Revenue	\$572,467,655	95%	100%	105%	103.9%	119.3%
Adjusted EBITDA	\$ 84,787,722	95%	100%	120%	105.5%	106.9%
Total Payout						113.1%

Note: Under the terms of the applicable award the Actual % of Payout set forth above corresponds to the Actual % of Achievement of the applicable goals.

Based on these results, the NEOs earned the following PSU awards for fiscal 2019, which vest according to the provisions described above.

NEO	Target PSUs Granted for 2019		Actual PSUs Earned for 2019
	PSUs (#)	PSUs (\$)	PSUs (#)
Randy Garutti	7,147	\$375,003	8,077
Tara Comonte	4,765	\$250,020	5,385
Zachary Koff	3,812	\$200,016	4,310

Note: Target award amounts for PSUs were determined based on the closing price of Shake Shack common stock on the date of the grant and vest equally in four installments beginning with the first anniversary of the date of grant.

2020 Long-Term Incentive Plan Design

In fiscal 2019, the Committee conducted a review of incentive plan designs among peer companies. The Committee will continue to award a mix of PSUs and RSUs, weighted equally. This grant mix aligns with market practice and provides retention strength with the inclusion of RSUs.

Other Awards

Equity Award to Ms. Comonte

Pursuant to her employment agreement, during fiscal year 2019, the Compensation Committee granted Ms. Comonte equity awards with a grant date fair value of \$100,000 in stock options and \$500,000 in RSUs. The awards were made in order to align Ms. Comonte's interests with those of our stockholders, and the RSU award was made to compensate Ms. Comonte for the amounts of equity awards that she forfeited upon separation from her previous employer. Ms. Comonte's (i) options will vest in five annual installments beginning on the first anniversary of the grant date, and (ii) her RSUs will vest in five equal installments beginning on the first anniversary of the grant date, in each case, contingent on Ms. Comonte's continued service with the Company on each vesting date.

Other Compensation and Governance Programs, Policies and Guidelines

Stock Ownership Policy

In addition, in connection with the IPO, we adopted an executive stock ownership policy requiring Mr. Garutti, as of January 15, 2020, and Ms. Comonte, as of June 12, 2022, to hold shares of our Class A common stock or LLC Interests with a value equal to two and one times, respectively, their respective annual base salaries. Securities that qualify in determining whether Mr. Garutti or Ms. Comonte has satisfied the shareholding requirements include (i) issued and outstanding shares of Class A common stock held beneficially or of record, (ii) issued and outstanding LLC Interests held beneficially or of record, (iii) issued and outstanding shares of Class A common stock or LLC Interests

held by a qualifying trust (i.e., a trust created for the benefit of the executive officer, his spouse or members of his immediate family), (iv) issued and outstanding shares of Class A common stock or LLC Interests held by a 401(k) or other qualified pension or profit-sharing plan for the benefit of the executive officer, and (v) shares of Class A common stock underlying vested Shake Shack time-based stock options and restricted stock units deliverable upon exercise or settlement in full, less tax withholdings and, in the case of stock options, a number of shares of Class A common stock with a value equal to the exercise price thereof.

Hedging Policy

We have a policy that precludes all of the Company's employees, including our NEOs, along with our directors, from engaging in hedging transactions involving the Company's equity securities, including short selling, buying exchange-traded put options or call options associated with our stock, transactions relating to zero-cost dollars, forward sales contracts, purchases of the Company's securities on margin and pledging the Company's securities as collateral to secure loans. We aim to restrict these transactions because they could serve to "hedge" the risk of owning our stock and otherwise can be highly speculative transactions with respect to our stock.

Employment Agreements

We entered into an amended and restated employment agreement with Mr. Garutti, effective as of October 25, 2018; an employment agreement with Ms. Comonte, effective as of June 12, 2017; and an amended and restated employment agreement with Mr. Koff, effective as of January 5, 2017. The material terms of such agreements are summarized below.

Pursuant to advice of a tax advisor retained by the Company, effective as of the start of fiscal 2018, Mr. Garutti ceased to be treated as an employee of the Company for tax purposes, while remaining a partner of SSE Holdings. So that he is not adversely impacted by the cessation of his status as an employee of the Company for income tax purposes, pursuant to his amended and restated employment agreement, Mr. Garutti is entitled to an annual gross-up payment that will leave Mr. Garutti in the same economic position as if he had been classified as an employee for income tax purposes. The gross-up arrangement is expected to have a minimal impact on the Company. The Company also will reimburse Mr. Garutti for any expenses he incurs in connection with calculating his tax obligations pursuant to the amended and restated employment agreement.

Position and Employment Term

Under the applicable employment agreements, during their respective terms of employment, Mr. Garutti, Ms. Comonte and Mr. Koff will serve as Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, respectively, of Shake Shack, SSE Holdings and all of its affiliates. The current employment terms are as follows: (i) for Mr. Garutti, through October 25, 2021, with automatic three (3)-year renewal terms thereafter, unless either party provides written notice of non-extension within 90 days of the expiration of the then-current term; (ii) for Ms. Comonte, through June 12, 2020, with automatic one (1)-year renewal terms thereafter, unless either party provides written notice of non-extension within 90 days of the expiration of the then-current term; and (iii) for Mr. Koff, which agreement auto-renewed on January 5, 2020, with automatic one (1)-year renewal terms thereafter unless either party provides written notice of non-extension within 90 days of the expiration of the then-current term.

Base Salary, Annual Bonus and Equity Compensation

The annual base salary for fiscal 2019 for each of Mr. Garutti, Ms. Comonte and Mr. Koff was increased to \$600,233, \$524,475, and \$300,000, respectively.

In addition, pursuant to their employment agreements, Mr. Garutti, Ms. Comonte and Mr. Koff are eligible to receive annual performance-based cash bonuses upon the attainment of Company performance goals established by the Compensation Committee. The amount of the annual

performance-based cash bonus that may be received by Mr. Garutti, Ms. Comonte, and Mr. Koff upon attainment of target performance for the 2019 fiscal year was 75% of base salary, 50% of base salary, and 35% of base salary respectively, and the maximum amount of the annual performance-based cash bonus that may be received by Mr. Garutti, Ms. Comonte and Mr. Koff for the 2019 fiscal year is 150% of base salary, 100% of base salary, and 58.45% of base salary, respectively.

Under the employment agreements, Mr. Garutti, Ms. Comonte and Mr. Koff are also eligible for annual equity awards, the form and terms of which will be determined by the Compensation Committee in its discretion. Ms. Comonte's employment agreement also entitles her to an annual equity award in each of 2018, 2019, 2020, and 2021 consisting of (i) RSUs with a grant date fair value equal to \$500,000, and (ii) options equal to an accounting value based on the Black Scholes Model of \$100,000 on the date of grant, in each case, subject to vesting over a five-year period following the date of grant, contingent on Ms. Comonte's continued employment with the Company through such vesting date.

Severance

The employment agreement for each of Mr. Garutti, Ms. Comonte and Mr. Koff provides for severance upon a termination by us without cause or by Mr. Garutti, Ms. Comonte, and Mr. Koff for good reason, in each case, subject to the execution and non-revocation of a waiver and release of claims by Mr. Garutti, Ms. Comonte or Mr. Koff, as applicable.

Upon such a termination, each of Mr. Garutti, Ms. Comonte and Mr. Koff is entitled to severance consisting of (a) continued base salary through (i) 18 months following the date of termination, in the case of Mr. Garutti, and (ii) the first anniversary of the date of termination, in the case of each of Ms. Comonte and Mr. Koff, (b) a prorated annual cash bonus for the year of termination based on actual individual and Company performance, and (c) reimbursement of COBRA premiums such that the cost of coverage is equal to the cost for then current employees for a period of up to (i) 18 months, in the case of Mr. Garutti, and (ii) 12 months, in the case of Ms. Comonte and Mr. Koff.

Upon such a termination, Mr. Garutti is entitled to accelerated vesting of a prorated portion of all of the annual equity awards that would have vested within 18 months following the date of termination absent such termination, and each of Ms. Comonte and Mr. Koff is entitled to accelerated vesting of a prorated portion of the annual equity award or, in the case of Ms. Comonte, the restricted stock unit award she was granted in connection with her new employment agreements, in any event, that would next vest following the date of termination, such amount to be based on the number of full fiscal months elapsed during the twelve month period between the previous vesting date or, if none, the award date, and the date of termination.

For purposes of the employment agreements, the Company will have "cause" to terminate each of Mr. Garutti's, Ms. Comonte's, or Mr. Koff's employment upon (a) his or her willful misconduct, gross negligence or act of dishonesty with regard to the Company or any of its affiliates, which in either case, results in or could reasonably be expected to result in material harm to the Company or such affiliate, (b) his or her willful and continued failure to attempt to perform his or her duties with the Company or any of its affiliates (other than any such failure resulting from disability), which failure is not remedied within 30 days after receiving written notice thereof, (c) his or her conviction of (or his or her plea of guilty or nolo contendere to) any felony involving moral turpitude (other than traffic related offenses or as a result of vicarious liability), or (d) his or her material breach of any material provision of the employment agreement, which breach is not remedied within 10 days after receiving written notice thereof.

For purposes of the employment agreements, each of Mr. Garutti, Ms. Comonte and Mr. Koff will have "good reason" to terminate his or her employment after the occurrence, without his or her consent, of (a) any material adverse change in base salary, position, duties, responsibilities, authority, title or reporting obligations, or the assignment of duties that are materially inconsistent with his or her position, (b) a relocation of principal business location by more than (i) 25 miles, in the case of Mr. Garutti, and (ii) 50 miles, in the case of each of Ms. Comonte and Mr. Koff, from its then current

location, or (c) any other material breach by the Company of the employment agreement or any other agreement with him or her. However, no termination for good reason will be effective unless (i) Mr. Garutti, Ms. Comonte or Mr. Koff, as applicable, provides the Company with at least 30 days prior written notice of his or her intent to resign for good reason (which notice must be provided within 60 days following the occurrence of the event(s) purported to constitute good reason); (ii) the Company has not remedied the alleged violation(s) within the 30-day period; and (iii) Mr. Garutti, Ms. Comonte or Mr. Koff's resignation, as applicable, becomes effective no later than 30 days after the Company has either failed to cure such event or indicated that it will not cure such event.

Restrictive Covenants

Pursuant to their respective employment agreements, Mr. Garutti, Ms. Comonte and Mr. Koff are subject to certain non-competition and non-solicitation restrictions during employment and for a (a) 18-month period, in the case of Mr. Garutti, and (b) 12-month period, in the case of each of Ms. Comonte and Mr. Koff, after termination of employment. During the restricted period, Mr. Garutti may not compete, directly or indirectly, with the Company in the business of developing, managing, and/or operating of (a) "better burger" restaurants, (ii) "quick service" or "fast food" restaurants with an emphasis on hamburgers, and (c) restaurants that derive 50% of more of their revenues from the sale of hamburgers, hot dogs, chicken, French fries, and/or frozen desserts. Each of Five-Guys and In-N-Out are included in the competitive restrictions described above. Each of Ms. Comonte and Mr. Koff may not compete, directly or indirectly, with the Company in the business of developing, managing, and/or operating of (a) "better burger" restaurants, (b) "quick service" or "fast food" restaurants with an emphasis on hamburgers, or (c) "fast casual" restaurants.

No severance payments or benefits described above shall be paid following the first date that any of Mr. Garutti, Ms. Comonte or Mr. Koff violates his or her restrictive covenants. However, if the employment of either of Ms. Comonte or Mr. Koff is terminated by the Company without cause or by either of Ms. Comonte or Mr. Koff for good reason, Ms. Comonte or Mr. Koff, as applicable, may compete in the "fast casual" restaurant business during the restricted period without violating his or her employment agreement but he or she will not receive any severance after the date he or she begins to compete in the "fast casual" restaurant business.

Other Benefits

Our NEOs, like our other employees, participate in health and welfare benefit plans, subject to satisfying eligibility requirements. We believe the benefits described above are necessary and appropriate to provide a competitive compensation package.

Health & Wellness

All of our full-time employees, including our NEOs, are eligible to participate in health and welfare plans maintained by the Company, including:

- Medical, dental and vision benefits;
- Medical care flexible spending accounts;
- Short-term and long-term disability insurance;
- Life insurance

Our NEOs participate in these plans largely on the same basis as other eligible employees. Beginning in July 2018, Shake Shack attained individual long-term disability plans for each of the NEOs to provide for the same level of coverage provided to all other eligible participants in the group long-term disability plan.

Retirement Plan

The Company's employees, including our NEOs, participate in the Company's 401(k) retirement savings plan (the "401(k) plan"), subject to satisfying eligibility requirements. The Internal Revenue

Code allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan. The Company does not currently match contributions made under the 401(k) plan by our NEOs and other highly compensated employees. We believe that providing a vehicle for tax deferred retirement savings through the 401(k) plan adds to the overall desirability of our executive compensation package.

Limited Perquisites and Other Personal Benefits

We have not provided perquisites to our NEOs that are not generally available to other employees. From time to time, we may provide such benefits for recruitment or retention purposes.

Tax Considerations

Deductibility of Executive Compensation

The Company has not adopted a formal policy regarding tax deductibility of compensation but intends to continue to consider the deductibility of awards as one factor in determining the overall level of compensation and the mix of compensation among individual elements. The Compensation Committee also looks at other factors in making its decisions and will retain the flexibility to award compensation that it determines to be consistent with the goals of our executive compensation program even if in the future it determines that amounts awarded would not be deductible for tax purposes.

Accounting Considerations

The Compensation Committee recognizes accounting implications that may impact executive compensation. For example, we recognize expense related to salaries and performance-based cash compensation when earned in our financial statements. Also, GAAP accounting rules require us to record an expense in our financial statements for equity awards, even though equity awards are not paid as cash to employees and may not vest or be earned by such employees.

COMPENSATION COMMITTEE REPORT

Our Compensation Committee has reviewed and discussed the “*Compensation Discussion and Analysis*” required by Item 402(b) of Regulation S-K. Based on such review and discussions, our Compensation Committee recommended to our Board of Directors that the “*Compensation Discussion and Analysis*” be included in this Proxy Statement.

This report has been furnished by the members of the Compensation Committee.

- (1) The amounts in this column represent the aggregate grant date fair value of restricted stock units (“RSUs”) and performance stock units (“PSUs”) granted to our Named Executive Officers in fiscal 2019, fiscal 2018 and fiscal 2017. The fair value of RSUs and PSUs is based on the market value of the Company’s Class A common stock on the date of grant computed in accordance with FASB ASC Topic 718. Amounts disclosed for PSUs granted are based upon the most probable outcome of performance conditions on the grant date, which are 110%, 101% and 90%, respectively for fiscal 2019, fiscal 2018 and fiscal 2017, of the performance stock units’ target performance goals. The fair value of PSUs granted in fiscal 2019 assuming achievement of the maximum performance level of 125% would have been \$468,754, \$312,524 and \$250,020 for Mr. Garutti, Ms. Comonte and Mr. Koff, respectively. The fair value of PSUs granted in fiscal 2018 assuming achievement of the maximum performance level of 125% would have been \$375,021, \$187,468 and \$170,046 for Mr. Garutti, Ms. Comonte and Mr. Koff, respectively. The fair value of PSUs granted in fiscal 2017 assuming achievement of the maximum performance level of 125% would have been \$394,627, \$187,468 and \$180,690 for Mr. Garutti, Ms. Comonte and Mr. Koff, respectively.
- (2) The amounts in this column represent the aggregate grant date fair value of stock option awards granted, computed in accordance with FASB ASC Topic 718 utilizing the Black-Scholes option pricing model. The assumptions used in determining such amounts are described in Note 14 to our audited consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 25, 2019.
- (3) For Mr. Garutti, this amount represents gross up and tax equalization payments of \$210,615 and the \$11,035 premium paid under our executive disability insurance plan in 2019, and gross up payments of \$93,272 and the \$4,600 premium paid under our executive disability insurance plan in 2018; for Ms. Comonte, this amount represents the \$8,933 premium paid under our executive disability insurance plan in 2019, and represents the \$4,112 premium paid under our executive disability insurance plan and gross up payments of \$8,607 in 2018; for Mr. Koff, this amount represents the \$1,631 premium paid under our executive disability insurance plan in 2019, and the \$815 premium paid under our executive disability insurance plan in 2018.

(2) Amounts included represent the grant date fair value determined in accordance with ASC 718. For stock awards, the grant date fair value is based on the closing market price of our Class A Common Stock on the grant date. For option awards, the grant date fair value is determined using the Black-Scholes option pricing model. The assumptions used in determining such amounts are described in Note 14 to our audited consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 25, 2019. For awards subject to performance conditions, the grant date fair value is based upon the probable outcome of the performance conditions on the grant date, which was 110%.

CEO PAY RATIO

Overview

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of the individual identified as our median compensated employee and the annual total compensation of Mr. Garutti, our Chief Executive Officer.

For the fiscal year ending December 25, 2019, our last completed fiscal year, the annual total compensation of the individual identified as the median compensated employee of the Company (excluding our CEO) was \$17,032. The annual total compensation of our CEO, as reported in the Summary Compensation Table of this Proxy Statement, was \$2,278,416.

Pursuant to Item 402(u) of Regulation S-K the resulting ratio to the compensation of our median compensated employee is 134 to 1.

Methodology and Key Assumptions

To identify the median compensated employee and to determine the annual total compensation of the median compensated employee, we used the following assumptions and methodology:

- We prepared a list of all of Shake Shack's 7,252 employees (excluding the CEO) as of December 1, 2019.
- The consistently applied compensation measure (CACM) we used was taxable income (Internal Revenue Service Form W-2, Box 1) for 2019.
- We annualized the CACM for individuals employed less than a full year and made reasonable estimates of CACM for similar titles, locations and number of hours worked per week for the few employees whose CACM was not readily available.
- Since the total population is an even figure, the calculated median fell between two employees. For purposes of this analysis, we selected the employee closest to the calculated median with a hire date prior to fiscal 2019, which is a part-time Team Member in one of our locations.
- After identifying the median employee, we calculated annual total compensation for this employee using the same methodology we use for calculating the total compensation of our CEO as set forth in the Summary Compensation Table.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Union Square Hospitality Group

Daniel Meyer, our Chairman of the Board of Directors, serves as USHG's Chief Executive Officer. As a result, Mr. Meyer may be deemed to have an interest in transactions between us and USHG.

Management Services Agreement with USHG, LLC

On October 16, 2009, we entered into a Management Services Agreement with USHG, LLC, a subsidiary of USHG (the "**Management Company**"), pursuant to which the Management Company has provided management services to SSE Holdings, including executive leadership, strategic development, real estate, financial, legal, administrative, operations and human resources services. In exchange for such management services, we paid a monthly fee to the Management Company based on our sales for the relevant period. In addition, we agreed to indemnify the Management Company to the fullest extent permitted by law from and against all losses arising from its performance under the Management Services Agreement.

Effective January 2015, we entered into the Amended and Restated Management Services Agreement with the Management Company, pursuant to which the Management Company provides, at our election, certain reduced management services to SSE Holdings comprised of executive leadership from Mr. Meyer and other members of USHG's senior management; menu innovation advisory services by Mr. Meyer; strategic development advisory services by Mr. Meyer; leadership development services; and limited human resources services. In addition, we are no longer obligated to pay management fees to the Management Company in connection with any services. The initial term of the Amended and Restated Management Services Agreement is through December 31, 2019, with renewal periods, which were not renewed.

Master License Agreement with Union Square Events

In fiscal 2011, we entered into a Master License Agreement (as amended, the "**MLA**") with Hudson Yards Sports and Entertainment LLC (doing business as Union Square Events) ("**USE**"), a subsidiary of USHG, to operate Shake Shack branded limited menu concession stands in sports and entertainment venues within the United States. The agreement expires on December 31, 2027 and includes five consecutive five-year renewal options at USE's option. As consideration for these rights, USE pays us a license fee based on a percentage of net food sales (as defined in the MLA). USE also pays us a percentage of profits on sales of branded beverages (as defined in the MLA). For the fiscal year ended December 25, 2019, Union Square Events paid \$571,000 in license fees pursuant to the MLA.

Madison Square Park Conservancy

Mr. Meyer serves as a director of the Madison Square Park Conservancy ("**MSP Conservancy**"), with which we have a license agreement and pay license fees to operate our Madison Square Park Shack. Mr. Meyer serves as a director of Share Our Strength, for which Shake Shack holds the "Great American Shake Sale" every year to raise money and awareness for childhood hunger. During the Great American Shake Sale, we encourage guests to donate money to Share Our Strength's No Kid Hungry campaign in exchange for a coupon for a free shake. All of the guest donations we collect go directly to Share Our Strength. We raised a total of \$190,000 in fiscal 2019, and the proceeds were remitted to Share Our Strength. We incurred costs of approximately \$30,000 for fiscal 2019 representing the cost of the free shakes redeemed.

Mobo Systems, Inc.

Mr. Meyer serves as a director of Mobo Systems, Inc. (also known as “**Olo**”), a platform we use in connection with our mobile ordering application. Amounts paid to Olo for fiscal 2019 amount to \$170,000. No amounts were payable to Olo as of December 25, 2019.

Square, Inc.

In July 2017, Mr. Garutti joined the Board of Directors of Square, Inc. (“**Square**”). We currently use certain point-of-sale applications, payment processing services, hardware and other enterprise platform services in connection with the processing of a limited amount of sales at certain of our locations, sales for certain off-site events and in connection with our kiosk technology. Additionally, we partnered with Caviar, Square’s food ordering delivery service, to allow guests to order Shake Shack in select markets. Additionally, we participated in Square’s new Boost offers, providing assets and permission for Square to run select offers to their cash card users. Amounts paid to Square for fiscal 2019 amount to \$1,692,000. No amounts were payable to Square as of December 25, 2019.

The IPO and Other Organizational Transactions

In connection with the IPO, we engaged in transactions with certain of our directors, executive officers and other persons and entities which are or became holders of more than 5% of our Class A common stock or Class B common stock upon the consummation of the IPO and other transactions completed in connection with the IPO (collectively, the “**Organizational Transactions**”), including entry into the SSE Holdings LLC Agreement, the Stockholders Agreement, the Tax Receivable Agreement, and the Registration Rights Agreement, each of which is discussed below.

SSE Holdings LLC Agreement

We operate our business through SSE Holdings and its subsidiaries. We and the owners of SSE Holdings at the time of the IPO entered into SSE Holdings’ third amended and restated limited liability company agreement (as amended, the “**SSE Holdings LLC Agreement**”), effective February 4, 2015. The operations of SSE Holdings, and the rights and obligations of the holders of LLC Interests, are set forth in the SSE Holdings LLC Agreement.

The SSE Holdings LLC Agreement provides the owners of SSE Holdings following the IPO with the right to have their LLC Interests redeemed for, at our election, either newly-issued shares of our Class A common stock on a one-for-one basis or a cash payment equal to a volume weighted average market price of one share of Class A common stock for each LLC Interest redeemed (subject to customary adjustments, including for stock splits, stock dividends and reclassifications).

Share settlement will be the default for settlement unless and until a majority of the members of our Board of Directors who do not hold any LLC Interests elect cash settlement. In the event of cash settlement, we would issue new shares of Class A common stock and use the proceeds from the sale of these newly-issued shares of Class A common stock to fund the cash settlement which, in effect, limits the amount of the cash payment to the redeeming member. If we decide to make a cash payment, an owner of SSE Holdings has the option to rescind its redemption request within a specified time period.

Upon the effective date of redemption, the redeeming member will surrender its LLC Interests to SSE Holdings for cancellation. Concurrently, we will contribute either cash or shares of Class A common stock to SSE Holdings, which will then distribute such cash or shares of Class A common stock to the redeeming owner of SSE Holdings to complete the redemption. In addition, SSE Holdings will issue to us an amount of newly-issued LLC Interests equal to the number of LLC Interests redeemed from the owner of SSE Holdings.

In the event of a redemption request by an owner of SSE Holdings, we may, alternatively and at our option, effect a direct exchange of cash or our Class A common stock for such LLC Interests with such owner of SSE Holdings in lieu of a redemption.

Whether by redemption or exchange, we are obligated to ensure that at all times the number of LLC Interests that we own equals the number of shares of Class A common stock issued by us (subject to certain exceptions for treasury shares and shares underlying certain convertible or exchangeable securities).

In fiscal 2019, redemptions were executed for the following directors, executive officers and beneficial owners of more than 5% of our Class A common stock or Class B common stock (and immediately family members of the foregoing) on the following dates, in the following amounts:

Stockholders Agreement

We entered into the stockholders agreement (as amended, the “**Stockholders Agreement**”) with each member of the Voting Group, effective February 4, 2015. USHG, of which Mr. Meyer serves as Chief Executive Officer, is a party to the Stockholders Agreement.

The Stockholders Agreement, as further described below, contains specific rights, obligations and agreements of these parties as owners of our Class A common stock and Class B common stock.

Voting Agreement. Under the Stockholders Agreement, the members of the Voting Group agree to take all necessary action, including casting all votes to which such members are entitled to cast at any annual or special meeting of stockholders, so as to ensure that the composition of our Board of Directors and its committees complies with the provisions of the Stockholders Agreement related to the composition of our Board of Directors and its committees.

In addition, the members of the Voting Group agree to vote their shares of Class A common stock and Class B common stock in favor of the election of the nominees of certain members of the Voting Group to our Board of Directors and committees upon their nomination by the nominating and corporate governance committee of our Board of Directors.

Meyer Group Approvals. Under the Stockholders Agreement, the actions listed below by us or any of our subsidiaries require the approval of the Meyer Group for so long as the Meyer Group collectively owns at least 10% of the total shares of Class A common stock and Class B common stock owned by it immediately following the consummation of the IPO. The actions include:

- change in control transactions;

- the sale, lease or exchange of all or a substantial amount of the property and assets of Shake Shack, SSE Holdings or any of SSE Holdings' subsidiaries, taken as a whole;
- initiating any liquidation, dissolution, bankruptcy or other insolvency proceeding involving Shake Shack, SSE Holdings or any of their respective subsidiaries;
- terminating the employment of our Chief Executive Officer or hiring a new Chief Executive Officer;
- any authorization or issuance of equity securities of Shake Shack or its subsidiaries other than (i) pursuant to any equity incentive plans or arrangements approved by our Board of Directors or (ii) upon an exchange of shares of Class B common stock together with SSE Holdings Units for shares of Class A common stock;
- increasing or decreasing the size of our Board of Directors; and
- any amendment or amendments to the organizational documents of Shake Shack or SSE Holdings.

Tax Receivable Agreement

We entered into the tax receivable agreement (the "**TRA**"), effective February 4, 2015, with the owners of SSE Holdings at the time of the IPO. The TRA provides for the payment by us to such persons of 85% of the amount of tax benefits, if any, that we actually realize, or in some circumstances are deemed to realize, as a result of (i) increases in our share of the tax basis in the net assets of SSE Holdings resulting from any redemptions or exchanges of LLC Interests, (ii) tax basis increases attributable to payments made under the TRA, and (iii) deductions attributable to imputed interest pursuant to the TRA (the "**TRA Payments**"). The TRA Payments are not conditioned upon any continued ownership interest in either SSE Holdings or us by any owner of SSE Holdings following the IPO. The rights of each owner of SSE Holdings following the IPO under the TRA are assignable to transferees of its LLC Interests (other than Shake Shack as transferee pursuant to subsequent redemptions (or exchanges) of the transferred LLC Interests). We expect to benefit from the remaining 15% of tax benefits, if any, that we may actually realize.

In fiscal 2019, payments in the amount of \$707,000 were made to the non-controlling interest holders for amounts due related to the 2018 tax year. As of December 25, 2019, total amounts due under the TRA were \$234,426,000.

Registration Rights Agreement

We entered into the registration rights agreement (as amended, the "**Registration Rights Agreement**"), effective February 4, 2015, with the owners of SSE Holdings at the time of the IPO. The Registration Rights Agreement provides such owners certain registration rights whereby they can require us to register under the Securities Act of 1933, as amended (the "**Securities Act**"), shares of Class A common stock issuable to them upon redemption or exchange, at our election, of their LLC Interests, and certain affiliates of former indirect members of SSE Holdings can require us to register under the Securities Act the shares of Class A common stock issued to them in connection with the Organizational Transactions. The Registration Rights Agreement also provides for piggyback registration rights for the owners of SSE Holdings prior to the IPO.

Gramercy Tavern Corp. Merger

Pursuant to the Stockholders Agreement, the Voting Group had the right to cause all of the shares of GT to be exchanged for shares of our Class A common stock pursuant to a tax-free reorganization. In August 2019, the Voting Group exercised its right with respect to GT (the "**GT Merger**"). To effect the GT Merger, a newly-formed wholly owned subsidiary of Shake Shack Inc. merged with and into GT, with GT as the surviving entity, which was then merged with and into Shake Shack Inc. The

stockholders of GT received on a one-for-one basis, 2,690,263 shares of Class A common stock based upon the amount of shares of GT held by the stockholders; all of the shares of Class B common stock held by GT were canceled; and all of the LLC interests held by GT were transferred to us.

Indemnification Agreements

Our bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by the General Corporation Law of the State of Delaware (the “**DGCL**”), subject to certain exceptions contained in our bylaws. In addition, our certificate of incorporation, provides that our directors will not be liable for monetary damages for breach of fiduciary duty.

We entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, and expense advancement and reimbursement, to the fullest extent permitted under the DGCL, subject to certain exceptions contained in those agreements. There is no pending litigation or proceeding naming any of our directors or officers to which indemnification is being sought, and we are not aware of any pending litigation that may result in claims for indemnification by any director or officer.

Policies and Procedures for Related Person Transactions

Our Board of Directors recognizes the fact that transactions with related persons present a heightened risk of conflicts of interests and/or improper valuation (or the perception thereof). Our Board of Directors adopted a written policy on transactions with related persons that is in conformity with the requirements for issuers listed on the New York Stock Exchange. Under the policy:

- any Related Person Transaction (as defined below), and any material amendment or modification to a Related Person Transaction, must be reviewed and approved or ratified by the Audit Committee, which is composed solely of independent directors who are disinterested, or by the disinterested members of the Board of Directors; and
- any employment relationship or transaction involving an executive officer and any related compensation must be approved by the Compensation Committee or recommended by the Compensation Committee to the Board of Directors for its approval.

A Related Person Transaction is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we were, are or will be a participant and the amount involved exceeds \$120,000 in any one fiscal year, and in which any Related Person (as defined below) had, has or will have a direct or indirect material interest. Further, if a Related Person enters into transactions, arrangements or relationships in which we were, are or will be a participant and the aggregate amount involved in such transactions, arrangements or relationships exceeds \$120,000 in any one fiscal year, and in which any Related Person had, has or will have a direct or indirect material interest, each of such transactions, arrangements or relationships, in conformity with SEC rules, shall be deemed to be a Related Person Transaction for purposes of this policy.

A “**Related Person**” is each of the following: (i) any person who has served as a director or executive officer since the beginning of our last completed fiscal year; (ii) any nominee for director at the Annual Meeting; (iii) any person who beneficially owns more than 5% of our outstanding Class A common stock or Class B common stock; and (iv) any immediate family member, or other person (other than a tenant or employee), sharing the household of any person identified in part (i), (ii) or (iii).

Identification of Related Party Transactions

Our Legal department, in consultation with our Accounting/Finance team, is primarily responsible for developing and implementing processes and procedures to obtain information regarding related persons with respect to potential Related Person Transactions and then determining, based on the facts and circumstances, whether the potential Related Person Transactions do, in fact, constitute a

Related Person Transaction. In addition, any potential Related Person Transaction that is proposed to be entered into by us must be reported to our General Counsel by both the related person and the person at the Company responsible for such potential Related Person Transaction.

Audit Committee Pre-Approval

If the Company's Legal department determines that a transaction or relationship is a Related Person Transaction, then each such transaction will be presented to the Audit Committee of the Board of Directors. The Audit Committee will (i) review the relevant facts and circumstances of each Related Person Transaction, including if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and the extent of the Related Person's interest in the transaction, (ii) take into account the conflicts of interest and corporate opportunity provisions of our Code of Business Conduct and Ethics, and (iii) either approve, ratify or disapprove the Related Person Transaction. If advance committee approval of a Related Person Transaction requiring the Audit Committee's approval is not feasible, then the transaction may be preliminarily entered into by management upon prior approval of the transaction by the chairperson of the Audit Committee, subject to ratification of the transaction by the Audit Committee at the Audit Committee's next regularly scheduled meeting.

Management will update the Audit Committee as to any material changes to any approved or ratified Related Person Transaction and shall provide a status report at least annually at a regularly scheduled meeting of the Audit Committee of all then current Related Person Transactions.

No director may participate in approval of a Related Person Transaction for which he or she is a related person.

Disclosure

All Related Person Transactions are to be disclosed in the Company's applicable filings as required by the Securities Act and the Exchange Act, and related rules. Furthermore, any Related Person Transaction must be disclosed to the full Board of Directors.

Other Agreements

Management must assure that all Related Person Transactions are not in violation of and are approved in accordance with any requirements of the Company's financing or other material agreements.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee of the Board of Directors of Shake Shack Inc. (the “Company”) does not constitute soliciting material and should not be deemed filed or incorporated by reference into any future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (the “Exchange Act”), except to the extent we specifically incorporate this Report by reference.

Management has the primary responsibility for establishing and maintaining adequate internal financial controls, for preparing the financial statements and for the public reporting process. Ernst & Young LLP (“EY”), the Company’s independent registered public accounting firm, is responsible for expressing opinions on the conformity of the Company’s audited financial statements with generally accepted accounting principles.

The Audit Committee has reviewed and discussed with management and EY the Company’s audited consolidated financial statements for the fiscal year ended December 25, 2019 and Management’s Discussion and Analysis of Financial Condition and Results of Operation.

The Audit Committee also has discussed with EY the matters required to be discussed by the Public Company Accounting Oversight Board (“PCAOB”) Auditing Standard No. 1301, “Communication with Audit Committees.”

The Audit Committee also received the written disclosures and the letter from EY that are required by applicable requirements of the PCAOB regarding EY’s communications with the Audit Committee concerning independence, and has discussed with EY its independence. The Audit Committee also considered whether EY’s provision of non-audit services to the Company is compatible with maintaining EY’s independence. This discussion and disclosure informed the Audit Committee of EY’s independence and assisted the Audit Committee in evaluating that independence. On the basis of the foregoing, the Audit Committee concluded that EY is independent from the Company, its affiliates and management.

Based upon its review of the Company’s audited financial statements and the discussions noted above, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements for the fiscal year ended December 25, 2019 be included in the Company’s Annual Report on Form 10-K for such fiscal year for filing with the SEC.

This report has been furnished by the members of the Audit Committee.
