

## Navistar Presents Keys to Chicago's First Diesel Hybrid Work Truck

Mar 03, 2009 (BUSINESS WIRE) -- **Navistar:**

**What:**

Navistar / City of Chicago Press Conference

**When:**

Tuesday, March 3, 2009 at 9:45 a.m.

**Where:**

2009 Work Truck Show, McCormick Place, Chicago, IL

The press conference will be held in the southeast/upper left corner of the show floor, near the end of the 2400 aisle. Because the show floor will not be open (or even completely moved in) at this time, we are asking media to meet outside the main doors to room W196 (where the Green Truck Summit is held) at 9:45 a.m. to be escorted to the press conference location.

**Details:**

Navistar (International(R) Truck) will be presenting the keys to the City of Chicago's first diesel-hybrid work truck, the International(R) DuraStar(R) Hybrid. This truck will play a critical role in the City's efforts to be the greenest, most environmentally friendly city in the United States.
