

Navistar Shareholders Re-Elect Full Slate of Directors

WARRENVILLE, Ill., Sep 05, 2008 (BUSINESS WIRE) -- Shareholders of Navistar International Corporation (NYSE: NAV) at the annual meeting today re-elected 10 directors to the company's board of directors.

Elected to one-year terms that expire at next year's annual meeting were: Y. Marc Belton, an executive vice president at General Mills, Inc.; Dr. Abbie J. Griffin, a professor at the University of Utah; and Terry M. Endsley, executive vice president and chief financial officer at Navistar.

Elected to two-year terms that expire at the 2010 annual meeting were Eugenio Clariond, retired chairman of the board and chief executive officer of Group IMSA, S.A.; David D. Harrison, retired executive vice president and chief financial officer of Pentair, Inc.; and Steven J. Klinger, president and chief operating officer of Smurfit-Stone Container Corporation.

Daniel C. Ustian, Navistar chairman, president and chief executive officer, was elected to a three-year term that expires at the 2011 annual meeting. Others elected to three-year terms include James H. Keyes, retired board chairman of Johnson Controls; John D. Correnti, chairman and chief executive officer of SteelCorr, LLC.; and Michael N. Hammes, retired chairman and chief executive officer of Sunrise Medical, Inc.

Additionally, Navistar has one director not elected by shareholders, but appointed by the United Auto Workers union under an agreement dating back to the early 1990s. The current appointed director is Dennis D. Williams, director of UAW Region 4.

Navistar International Corporation produces International(R) brand commercial and military vehicles, MaxxForce(TM) brand diesel engines, IC brand school and commercial buses, and Workhorse(R) brand chassis for motor homes and step vans, and is a private-label designer and manufacturer of diesel engines for the pickup truck, van and SUV markets. Navistar is also a provider of truck and diesel engine parts. Another affiliate offers financing services. Additional information is available at: www.navistar.com.
