Navistar Schedules Conference Call Web Cast

WARRENVILLE, Ill., May 9, 2003 (BUSINESS WIRE) --

Navistar International Corporation (NYSE:NAV) the nation's largest commercial truck, school bus and mid-range diesel engine producer, announced today that it will hold a live audio web cast at 10:00 a.m. Central Daylight Time, Thursday, May 15, 2003 to discuss financial results for the second fiscal quarter ended April 30, 2003, business highlights and the outlook for the remainder of the year. The company's earnings news release will be distributed on Business Wire approximately three hours in advance of the call.

Speakers on the call will be Daniel C. Ustian, president and chief executive officer and Robert C. Lannert, vice chairman and chief financial officer.

The web cast can be accessed through a conference call link on the investor relations page of Navistar's web site at <http://www.nav-international.com/>. Investors are advised to log on to the web site at least 15 minutes prior to the call to allow sufficient time for downloading any necessary software. The financial and statistical information provided as part of the call will be available to investors on the investor relations page of the company's website prior to the start of the call. The web cast will be available for replay at the same address approximately three hours following its conclusion through 5 p.m. May 25.

Information provided and statements made on the web cast that are not purely historical are forward -looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements regarding the company's expectations, hopes, beliefs and intentions on strategies regarding the future. It is important to note that the company's actual future results could differ materially from those projected in such forward-looking statements because of a number of factors, including but not limited to general economic, business and financing conditions, labor relations, governmental action, competitor pricing activity, expense volatility, and other risks detailed from time to time in Navistar's Securities and Exchange Commission filings.

Headquartered in Warrenville, Illinois, Navistar International Corporation (NYSE:NAV) is the parent company of International Truck and Engine Corporation, a leading producer of mid-range diesel engines, medium trucks, heavy trucks, severe service vehicles and a provider of parts and service sold under the International(R) brand. IC Corporation, a wholly owned subsidiary, produces school buses. The company also is a private label designer and manufacturer of diesel engines for the pickup truck, van and SUV markets. Additionally, through a joint venture with Ford Motor Company, the company builds medium commercial trucks and sells truck and diesel engine services parts. International Truck and Engine has the broadest distribution network in the industry. Financing for customers and dealers is provided through a wholly owned subsidiary.
