PROXY STATEMENT

REGULAR MEETING OF SHAREHOLDERS — JUNE 21, 2011

GENERAL INFORMATION

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (“Board”) of Best Buy Co., Inc. (“Best Buy,” “we,” “us,” or “our”) to be voted at our 2011 Regular Meeting of Shareholders (“Meeting”) to be held on Tuesday, June 21, 2011, at 9:30 a.m., Central Time, at the Best Buy Corporate Campus — Theater, 7601 Penn Avenue South, Richfield, Minnesota, 55423 and on the Internet at www.proxyvote.com or www.virtualshareholdermeeting.com/bby, or at any postponement or adjournment of the Meeting. The proxy materials were either made available to you over the Internet or mailed to you beginning on or about May 26, 2011.

Background

What is the purpose of the Meeting?

At the Meeting, shareholders will vote on the items of business outlined in the Notice of 2011 Regular Meeting of Shareholders (“Meeting Notice”), included as the cover page to this proxy statement. In addition, management will report on our business and respond to questions from shareholders.

Why did I receive this proxy statement and a proxy card?

You received this proxy statement and a proxy card because you owned shares of Best Buy common stock as of April 25, 2011, the record date for the Meeting, and are entitled to vote on the items of business at the Meeting. This proxy statement describes the items of business that will be voted on at the Meeting and provides information on these items so that you can make an informed decision.

Who may vote?

In order to vote at the Meeting, you must be a shareholder of record of Best Buy as of April 25, 2011, which is the record date for the Meeting. If your shares are held in “street name” (that is, through a bank, broker or other nominee), you will receive instructions from the shareholder of record that you must follow in order for your shares to be voted as you choose.

When is the record date?

The Board has established April 25, 2011, as the record date for the Meeting.

How many shares of Best Buy common stock are outstanding?

As of the record date, there were 388,717,822 shares of Best Buy common stock outstanding. There are no other classes of capital stock outstanding.

Voting Procedure

On what items of business am I voting?

You are being asked to vote on the following items of business:

1. The election of six Class 2 directors for a term of two years;
2. The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending March 3, 2012;
3. The approval of an amendment to and restatement of our Amended and Restated By-Laws regarding the number of directors;
4. The approval of amendments to our 2004 Omnibus Stock and Incentive Plan, as amended (“Omnibus Plan”);
5. The approval of our Executive Short-Term Incentive Plan;
6. The advisory vote on our executive compensation;
7. The advisory vote on the frequency of the shareholder advisory vote on our executive compensation;
8. The shareholder proposal regarding declassification of our Board, if properly presented at the Meeting; and
9. Such other business as may properly come before the Meeting.

How do I vote?

If you are a shareholder of record (that is, if your shares are owned in your name and not in “street name”), you may vote:

- Via the Internet at www.proxyvote.com;
- By telephone (within the U.S. or Canada) toll-free at **1-800-690-6903**;
- By signing and returning the enclosed proxy card; or
- By attending the Meeting and voting in person.

If you wish to vote by telephone, you must do so before 11:59 p.m., Eastern Time, on Monday, June 20, 2011. After that time, telephone voting will not be permitted, and a shareholder wishing to vote, or revoke an earlier proxy, must submit a signed proxy card or vote in person. Shareholders can vote in person or via the Internet during the Meeting. Shareholders of record will be on a list held by the inspector of elections. “Street name” shareholders, also known as beneficial holders, must obtain a proxy from the institution that holds their shares, whether it is their brokerage firm, a bank or other shareholder of record, and present it to the inspector of elections with their ballot. Shareholders attending via the Internet will need to follow the instructions at www.proxyvote.com or www.virtualshareholdermeeting.com/bby in order to vote or submit questions at the Meeting. Voting in person or via the Internet by a shareholder will replace any previous votes submitted by proxy.

We encourage you to take advantage of the option to vote your shares electronically through the Internet or by telephone. Doing so will result in cost savings for us.

How are my voting instructions carried out?

When you vote via proxy, you appoint Richard M. Schulze and Elliot S. Kaplan (collectively, "Proxy Agents") as your representatives at the Meeting. The Proxy Agents will vote your shares at the Meeting, or at any postponement or adjournment of the Meeting, as you have instructed them on the proxy card. If you return a properly executed proxy card without specific voting instructions, the Proxy Agents will vote your shares in accordance with the Board's recommendations. With proxy voting, your shares will be voted regardless of whether you attend the Meeting. Even if you plan to attend the Meeting, it is advisable to vote your shares via proxy in advance of the Meeting in case your plans change.

If an item properly comes up for vote at the Meeting, or at any postponement or adjournment of the Meeting, that is not described in the Meeting Notice, the Proxy Agents will vote the shares subject to your proxy at their discretion.

How many votes do I have?

You have one vote for each share you own, and you can vote those shares for each item of business to be addressed at the Meeting.

How many shares must be present to hold a valid Meeting?

For us to hold a valid Meeting, we must have a quorum, which means that a majority of the outstanding shares of our common stock that are entitled to vote are present at the Meeting. Your shares will be counted as present at the Meeting if you:

- Vote via the Internet or by telephone;
- Properly submit a proxy card (even if you do not provide voting instructions); or
- Attend the Meeting and vote in person.

How many votes are required to approve an item of business?

Pursuant to our Amended and Restated Articles of Incorporation and our Amended and Restated By-laws, each item of business to be voted on by the shareholders requires the affirmative vote of the holders of a majority of the shares of Best Buy common stock present at a meeting and entitled to vote.

The rules of the New York Stock Exchange ("NYSE") allow brokerage firms to vote their clients' shares on routine matters if the clients do not provide voting instructions at least ten days prior to the shareholder meeting. The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm is considered a routine matter under NYSE rules. The election of directors, the approval of (including approval of amendments to) our by-laws and incentive plans, the advisory votes related to executive compensation and the vote on a shareholder proposal are not considered routine matters under NYSE rules. The NYSE rules do not allow brokerage firms to vote their clients' shares on non-routine matters in the absence of affirmative voting instructions.

If your brokerage firm votes your shares on routine matters because you do not provide voting instructions, your shares will be counted for purposes of establishing a quorum to conduct business at the Meeting and in determining the number of shares voted for or against the routine matter. If your brokerage firm lacks discretionary voting power with respect to an item that is not a routine matter and you do not provide voting instructions (a "broker non-vote"), your shares will be counted for purposes of establishing a quorum to conduct business at the Meeting, but will not be counted in determining the number of shares voted for or against the non-routine matter. Abstentions are counted as

present and entitled to vote for purposes of determining a quorum and will have the same effect as votes against a proposal.

What if I change my mind after I vote via proxy?

You may revoke your proxy at any time before your shares are voted by:

- Submitting a later-dated proxy prior to the Meeting (by mail, Internet or telephone);
- Voting in person at the Meeting; or
- Providing written notice to Best Buy's Secretary at our principal office.

Where can I find the voting results of the Meeting?

We will announce preliminary voting results at the Meeting. We plan to publish the final voting results in a Current Report on Form 8-K ("Form 8-K") filed within four business days of the Meeting. If final voting results are not available within the four business day timeframe, we plan to file a Form 8-K disclosing preliminary voting results within the required four business days, to be followed as soon as practicable by an amendment to the Form 8-K containing final voting results.

Proxy Solicitation

How are proxies solicited?

We will request that brokerage firms, banks, other custodians, nominees, fiduciaries and other representatives of shareholders forward the proxy materials and annual reports themselves, to the beneficial owners of our common stock. We expect to solicit proxies primarily by mail, but our directors, officers, other employees and agents may also solicit proxies in person, by telephone, through electronic transmission and by facsimile transmission. Our directors and employees do not receive additional compensation for soliciting shareholder proxies.

Who will pay for the cost of soliciting proxies?

We pay all of the costs of preparing, printing and distributing proxy materials. We will reimburse brokerage firms, banks and other representatives of shareholders for reasonable expenses incurred as defined in the NYSE schedule of charges.

How can multiple shareholders sharing the same address request to receive only one set of proxy materials and other investor communications?

If you opt to continue to receive paper copies of our proxy materials, you may elect to receive future proxy materials, as well as other investor communications, in a single package per address. This practice, known as "householding," is designed to reduce our paper use, and printing and postage costs. To make the election, please indicate on your proxy card under "Householding Election" your consent to receive such communications in a single package per address. Once we receive your consent, we will send a single package per household until you revoke your consent by notifying our Investor Relations Department at 7601 Penn Avenue South, Richfield, MN 55423, or by telephone at (612) 291-6147. We will start sending you individual copies of proxy materials and other investor communications within 30 days of your revocation.

Can I receive the proxy materials electronically?

Yes. We are pleased to offer shareholders the choice to receive our proxy materials electronically over the Internet instead of receiving paper copies through the mail. Choosing electronic delivery saves us the costs of printing and mailing these materials. Our fiscal 2011 annual report and proxy statement are being mailed to all shareholders who have not already elected to receive these materials electronically. If you are a shareholder of record and would like to receive these materials electronically in the future, you may enroll for this service on the Internet after you vote your shares in accordance with the instructions for Internet voting set forth on the enclosed proxy card. We encourage our shareholders to access our proxy materials via the Internet because it reduces the expenses for, and the environmental impact of, our shareholder meetings.

An electronic version of this proxy statement is posted on our Web site at www.bby.com — select the “Investor Relations” link and then either the “SEC Filings” link or the “Corporate Governance” link.

Additional Information

Where can I find additional information about Best Buy?

Our reports on Forms 10-K, 10-Q and 8-K, and other publicly available information should be consulted for other important information about Best Buy. You can also find additional information about us on our Web site at www.bby.com.

CORPORATE GOVERNANCE AT BEST BUY

Our Board is elected by our shareholders to oversee our business and affairs. In addition, the Board counsels, advises and oversees management in the long-term interests of our company and our shareholders regarding a broad range of subjects including:

- Selecting and evaluating the performance of our Chief Executive Officer (“CEO”) and other senior executives;
- Planning for succession with respect to the position of CEO and monitoring management’s succession planning for other senior executives;
- Reviewing and approving major financial, strategic and operating decisions and other significant actions;
- Overseeing the conduct of our business and the assessment of our business risks to evaluate whether our business is being properly managed; and
- Overseeing the processes for maintaining integrity with regard to our financial statements and other public disclosures, and compliance with law and ethical standards.

Members of the Board monitor and evaluate our business performance through regular communication with our CEO and other members of management, and by attending Board meetings and Board committee meetings.

The Board values effective corporate governance and adherence to high ethical standards. As such, the Board has adopted Corporate Governance Principles for our directors and a Code of Business Ethics, both of which are posted on our Web site at www.bby.com — select the “Investor Relations” link and then the “Corporate Governance” link.

Board Structure

Our Board is committed to having a sound governance structure that promotes the best interests of our shareholders. To that end, our Board has evaluated and actively continues to examine emerging corporate governance trends and best practices. Shareholder perspectives play an important role in that process. Some key points regarding our Board’s governance structure and practices are as follows:

- We believe that two-year terms allow our directors to have a longer-term orientation to our business and encourage long-term, strategic thinking. At the same time, this structure holds the directors accountable to our shareholders, as the entire Board is subject to re-election as early as 53 weeks from any regular meeting of shareholders. Moreover, we believe that two-year terms promote continuity and foster an appropriate “institutional memory” among directors. To balance this institutional memory with accountability to shareholders, we have implemented a director resignation policy which requires any director not receiving a majority of the vote cast in favor of his or her election to tender their resignation.
- Our Board is predominantly independent. Of our twelve directors, only two are Best Buy employees (including our Chairman of the Board, who is a founder of Best Buy and a major shareholder). Further, the Board has affirmatively determined that nine of our twelve directors are independent under SEC and NYSE corporate governance rules, as applicable.
- Our Board is very active and engaged. Our directors attended, on average, over 98% of fiscal 2011 Board and Board committee meetings.

Board Composition

To ensure a diversity of perspectives, the Board seeks a balance of internal experience and external independent expertise. This combination of perspectives also helps to ensure that we sustain our corporate culture, which is a cornerstone of our business legacy and a key competitive advantage.

In accordance with these interests and the principles of effective corporate governance, the Board set and has achieved its goal to have at least 75% of our directors be independent. In addition, the Board carefully plans for the director skill sets required today and in the future, and for an orderly succession and transition of directors.

Director Independence

Pursuant to its Corporate Governance Principles, the Board has established independence standards consistent with the requirements of the SEC and NYSE corporate governance rules, as applicable. To be considered independent under the NYSE rules, the Board must affirmatively determine that a director or director nominee does not have a material relationship with us (directly, or as a partner, shareholder or officer of an organization that has a relationship with us). In addition, NYSE rules provide that no director or director nominee may be deemed independent if the director or director nominee

— has in the past three years:

- Received (or whose immediate family member has received as a result of service as an executive officer) more than \$120,000 during any 12-month period in direct compensation from Best Buy, other than director and committee fees and certain pension payments and other deferred compensation;
- Been an employee of Best Buy;
- Had an immediate family member who was an executive officer of Best Buy;
- Worked on (or whose immediate family member has worked on) our audit as a partner or an employee of our internal auditors or independent registered public accounting firm; or
- Been (or whose immediate family member has been) employed as an executive officer of another company whose compensation committee at that time included a present executive officer of Best Buy; or

— is:

- A partner of our independent registered public accounting firm, or an employee of our independent registered public accounting firm personally working on our audit (or whose immediate family member is a partner of such firm or is employed by such firm to personally work on our audit); or
- An employee (or has an immediate family member who is an executive officer) of another company that makes payments to Best Buy, or receives payments from Best Buy, for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Under our director independence standards described above, the Board has determined that each continuing director, with the exception of Brian J. Dunn and Messrs. Kaplan and Schulze, is independent. The Board based these determinations primarily on a review of the responses of the directors to questions regarding employment and compensation history, affiliations, family and other relationships, and on discussions with our directors. The Board also reviewed our relationships with companies with which our directors are affiliated and determined that the relationships

with affiliates of directors Lisa M. Caputo and George L. Mikan III are not material and do not impair such directors' independence.

Ms. Caputo, a director since December 2009, is managing director and senior banker of the Public Sector Group within the Institutional Client's Group at Citigroup, Inc. Citigroup, Inc. and/or its subsidiaries ("Citi") provide financial services to us, including participating as a lender under our Revolving Credit Agreement ("Revolver"). We do not make direct payments to or receive direct loan proceeds from Citi under the Revolver, but Citi does receive interest payments through our lending agent from this relationship to the extent the agent has drawn down funds from Citi, as well as, fees for providing us access to funds through the Revolver. Ms. Caputo did not play any role in the negotiation of our transactions with Citi.

Mr. Mikan, a director since April 2008, is executive vice president of UnitedHealth Group Incorporated ("UnitedHealth") and chief executive officer of OptumHealth, an affiliate of UnitedHealth. Since 2003, we have had a health benefit services agreement with UnitedHealth. The amounts we have paid to UnitedHealth, most of which are for employee medical and pharmaceutical costs administered on our behalf by UnitedHealth, were an insignificant portion of the annual consolidated revenue of Best Buy and UnitedHealth for each of the past three fiscal years. In addition, Mr. Mikan did not influence or participate in negotiating our agreement with UnitedHealth.

Board Leadership

We separate the roles of CEO and Chairman of the Board in recognition of the differences between the two roles. Our CEO is responsible for setting our strategic priorities, in collaboration with the Board, and focuses on the development and execution of our strategies. He is also responsible for our ongoing leadership and performance. The Chairman of the Board provides guidance to the CEO, and sets the agenda for and presides over meetings of the full Board. He focuses on Board oversight responsibilities, strategic planning and mentoring company officers. Our Chairman also periodically represents our company at public functions and actively engages with our employees at designated company functions.

Our Board has established the position of Lead Independent Director to preside at all executive sessions of independent directors, as defined under the rules of the NYSE. The Nominating, Corporate Governance and Public Policy Committee ("Nominating Committee") nominates an independent director to serve as the Lead Independent Director, the selection of whom is subject to ratification by the vote of a majority of the independent directors of the Board. In addition to presiding over executive sessions of the independent directors, the Lead Independent Director is responsible for calling meetings of the independent directors as appropriate, serving as a stakeholder liaison on behalf of the independent directors and performing such other duties as may be requested from time to time by the Board, the independent directors, the CEO or the Chairman of the Board.

Executive Sessions of Independent Directors

In order to promote open discussion among independent directors, the Board has a policy of conducting executive sessions of independent directors during each regularly scheduled Board meeting. These executive sessions are chaired by the Lead Independent Director. Matthew H. Paull has served as the Lead Independent Director since June 2010.

Board Meetings and Attendance

The Board held four regular meetings during the fiscal year ended February 26, 2011. Each incumbent director attended, in person or by telephone, at least 75% of the meetings of both the Board and Board committees on which he or she served. In fiscal 2011, the average attendance by our incumbent directors at Board and Board committee

meetings exceeded 95%. Our Board requires director attendance at our regular meetings of shareholders and 100% of the then-serving directors attended the 2010 Meeting, including one member attending virtually.

Committees of the Board

The Board has the following five committees:

- Audit Committee;
- Compensation and Human Resources Committee (“Compensation Committee”);
- Nominating, Corporate Governance and Public Policy Committee;
- Finance and Investment Policy Committee; and
- Global Strategy Committee.

The charters for each of the Board committees are posted on our Web site at www.bby.com — select the “Investor Relations” link and then the “Corporate Governance” link. The charters include information regarding each committee’s composition, purpose and responsibilities.

The Board has determined that all members of the Audit Committee, Compensation Committee, Nominating Committee and Global Strategy Committee are independent directors as defined under the SEC and NYSE corporate governance rules, as applicable. The Board has further determined that all members of the Audit Committee qualify as financial experts under SEC rules.

The Board committees have responsibilities as follows:

Audit Committee. This committee discharges the Board’s oversight responsibility to our shareholders and the investment community regarding: (i) the integrity of our financial statements and financial reporting processes; (ii) our internal accounting systems and financial and operational controls; (iii) the qualifications and independence of our independent registered public accounting firm; (iv) the performance of our internal audit function and our independent registered public accounting firm; and (v) our compliance with ethics programs, including our Code of Business Ethics, and legal, regulatory and risk oversight requirements.

Compensation and Human Resources Committee. This committee discharges the Board’s responsibilities related to executive officer and director compensation, including the establishment of our executive officer and director compensation philosophies, and evaluation of our CEO. Oversight responsibilities of this committee include succession planning and compensation-related risk oversight. This committee also oversees the development and evaluation of, and approves, equity-based and other incentive compensation and other employee benefit plans of a compensatory nature, and oversees our human capital policies and programs.

Nominating, Corporate Governance and Public Policy Committee. This committee discharges the Board’s responsibilities related to general corporate governance, including Board organization, membership, training and evaluation. It also reviews and recommends to the Board corporate governance principles, presents qualified individuals for election to the Board, and oversees the evaluation of the performance of the Board and its committees. Finally, this committee oversees matters of public policy and social responsibility that affect us domestically and internationally. For additional information regarding our director nomination process, see *Director Nomination Process* beginning on page 17.

Finance and Investment Policy Committee. This committee advises the Board regarding our financial policies and financial condition to help enable us to achieve our long-range goals. It evaluates and monitors the: (i) protection and

safety of our cash and investments; (ii) achievement of reasonable returns on financial assets within acceptable risk tolerance; (iii) maintenance of adequate liquidity to support our activities; (iv) assessment of the cost and availability of capital; and (v) alignment of our strategic goals and financial resources.

Global Strategy Committee. This committee provides insight, advice and counsel with respect to our strategic plans regarding connectivity, marketing, branding, customer centricity, and related enterprise initiatives. The committee also conducts an ongoing critical evaluation of, and provides accountability for performance within, our strategic plans and vision.

The following table shows the date each committee was established, the number of meetings held in fiscal 2011 and the names of the directors serving on each committee as of February 26, 2011:

Board Risk Oversight

Our Board is responsible for oversight of enterprise risk. The Board considers enterprise risk factors as a critical in its review of business strategy and performance and ensures that there is an appropriate balance of risk and opportunity. Management is responsible for the day-to-day risk management processes, including assessing and taking actions necessary to manage risk incurred in connection with the operation of our business. Management reviews significant enterprise risks and our general risk management strategy with the Board. We believe this division of responsibilities is

the most effective approach for addressing the risks we face and that our Board leadership structure supports this approach.

In connection with the Board's oversight function, the Board committees have responsibility for reviewing and discussing with management those risk exposures (i) specified in their charters, or (ii) identified from time to time by the committees themselves, as follows:

- Our Audit Committee is responsible for oversight of risk associated with our financial controls and compliance activities. The Audit Committee also oversees management's processes to identify and quantify the material risks facing us. In connection with its risk oversight role, the Audit Committee meets privately with representatives of our independent registered public accounting firm, our internal audit staff and the legal staff. Our internal audit staff, who report directly to the Audit Committee at least quarterly, assists us in identifying, evaluating and implementing risk management controls and procedures to address identified risks.
- Our Compensation Committee is responsible for oversight of risk associated with our compensation plans.
- Our Finance and Investment Policy Committee is responsible for oversight of risk associated with our investment portfolio and liquidity risks.
- Our Nominating Committee is responsible for oversight of Board processes and corporate governance-related risk, as well as, our activities in the public policy and social responsibility arenas.
- Our Global Strategy Committee is responsible for oversight of risks associated with the Company's global strategy and execution, including changes in the global economy and environment, technological risks and market segmentation vulnerabilities.

In connection with their oversight of compensation-related risks, Compensation Committee members periodically review the most important enterprise risks to ensure that compensation programs do not encourage risk-taking that is reasonably likely to have a material adverse effect on us. In 2011, Towers Watson and the Compensation Committee reviewed our compensation policies and practices for all employees, including executive officers. The review process identified our existing risk management framework and the key business risks that may materially affect us; reviewed all compensation plans and identified those plans that are most likely to impact these risks or introduce new risks; and balanced these risks against our existing processes and compensation program safeguards. The review process also took into account mitigating features contained within our compensation plan design which includes elements such as:

- metric-based pay,
- time matching,

The Compensation Committee also considered additional controls outside of compensation plan design which contribute to risk mitigation, including the weight placed on values in our performance management process, the independence of our performance measurement teams, and our internal control environment.

Based upon the process we employed, we determined that our compensation programs do not encourage risk-taking that is reasonably likely to result in a material adverse effect on us.

ITEM OF BUSINESS NO. 1 — ELECTION OF DIRECTORS

General Information

Our Amended and Restated By-laws provide that the Board consist of a maximum of 15 directors, eight of whom are designated as Class 1 directors and seven of whom are designated as Class 2 directors. Directors are elected for a term of two years, and the terms are staggered so that Class 1 directors are elected in even-numbered years and Class 2 directors are elected in odd-numbered years.

Our Board adopted, and recommends to the shareholders for approval at the Meeting, an amendment to and restatement of our Amended and Restated By-Laws to remove the maximum for the number of directors serving on our Board of Directors and to provide a manner by which the number of directors will be determined from time to time. The amendment to and restatement of our Amended and Restated By-Laws is more fully described below under “*Item of Business No. 3 — Approval of an Amendment to and Restatement of our Amended and Restated By-Laws.*” If such amendment and restatement is adopted by the shareholders at the Meeting, our by-laws would provide that we will have one or more directors, which number of directors may be increased or decreased from time to time by the affirmative vote of a majority of the directors serving at the time the action is taken, and that each class of directors will consist, as nearly as possible, of one-half of the total number of directors constituting the entire Board.

Director Qualification Standards

We only consider director candidates who embody the highest standards of personal and professional integrity and ethics and are committed to a culture of transparency and open communication at the Board level and throughout our company. Successful candidates are dedicated to accountability and continuous improvement with a belief in innovation as a key business success factor. They are also actively engaged, and have an innate intellectual curiosity and entrepreneurial spirit. Commitment to enhancing shareholder value and representing the interests of all shareholders is also required.

In evaluating candidates for nomination as a director, the Nominating Committee considers other criteria, including a history of achievement and superior standards, ability to think strategically, a willingness to share examples based upon experience, policy-making experience, and an ability to articulate a point of view, take tough positions, and constructively challenge management. In addition, the Nominating Committee may also consider gender, ethnic and geographical diversity; independence; and general criteria such as an ability to provide informed and thoughtful counsel, mature judgment, and listening skills.

Directors must also be committed to actively engaging in his or her Board roles, with sufficient time to carry out the duties of Board and Board committee membership.

Finally, one or more of our directors must possess the education or experience required to qualify as an “audit committee financial expert” pursuant to SEC rules.

Director Nomination Process

The Nominating Committee is responsible for screening and recommending to the full Board director candidates for nomination. The Nominating Committee often engages a third-party search firm to assist in identifying appropriate candidates to consider as additions to our Board. When the Board is seeking to fill an open director position, the

Nominating Committee will also consider nominations received from our shareholders, provided that proposed candidates meet the requisite director qualification standards discussed above.

When the Board elects to fill a vacancy on the Board, the Nominating Committee will announce the open position and post any additional search criteria on our Web site at www.bby.com — select the “Investor Relations” link and then the “Corporate Governance” link. Candidates recommended by shareholders, if qualified, will be considered in the same manner as any other candidate.

The Nominating Committee will then evaluate the resumes of any qualified candidates recommended by a search firm or shareholders, as well as by members of the Board.

All candidates are evaluated based on the qualification standards discussed above and the needs of the Board at the time or in the future.

Shareholder nominations must be accompanied by a candidate resume which addresses the extent to which the nominee meets the director qualification standards and any additional search criteria posted on our Web site. Nominations will be considered only if we are then seeking to fill an open director position. All nominations by shareholders should be submitted as follows:

Chairman, Nominating, Corporate Governance and Public Policy Committee
c/o Mr. Joseph M. Joyce
Senior Vice President, General Counsel and Assistant Secretary
Best Buy Co., Inc.
7601 Penn Avenue South
Richfield, Minnesota 55423

Board Diversity

Our Corporate Governance Principles specify that diversity on the Board be considered by the Nominating Committee in the director identification and nomination process. When considering candidates, the Nominating Committee seeks nominees with a broad range of experience from a variety of industries and professional disciplines, such as finance, academia, law and government, along with a diversity of gender, ethnicity, age and geographic location. The Nominating Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applied to all prospective nominees. The Board believes that diversity in the backgrounds and qualifications of Board members provides a significant mix of experience, knowledge and abilities that allows the Board to fulfill its responsibilities.

Director Orientation and Continuing Education

Our Nominating Committee oversees the orientation and continuing education of our directors. Director orientation familiarizes directors with our strategic plans, significant financial, accounting and risk management issues, compliance programs and other controls, policies, principal officers and internal auditors, and our independent registered public accounting firm. The orientation also addresses Board procedures, directors’ responsibilities, our Corporate Governance Principles, and our Board committee charters.

We also offer continuing education programs and provide opportunities to attend commercial director education seminars to assist our directors in maintaining their expertise in areas related to the work of the Board of the directors’ committee assignments.

Voting Information

You may vote for all, some or none of the nominees for election to the Board. However, you may not vote for more individuals than the number nominated. Each of the nominees has agreed to continue serving as a director if elected. However, if any nominee becomes unwilling or unable to serve and the Board elects to fill the vacancy, the Proxy Agents named in the proxy will vote for an alternative person nominated by the Board. Our Amended and Restated Articles of Incorporation prohibit cumulative voting, which means you can vote only once for any nominee. The affirmative vote of a majority of the voting power of the shares present and entitled to vote at the Meeting is required to elect each director nominee.

PROXY CARDS THAT ARE PROPERLY SIGNED AND RETURNED WILL BE VOTED FOR THE ELECTION OF ALL OF THE NOMINEES UNLESS OTHERWISE SPECIFIED.

Board Voting Recommendation

Management and the Board recommend that shareholders vote **FOR** the re-election of Ronald James, Sanjay Khosla, George L. Mikan III, Matthew H. Paull, Richard M. Schulze, and Hatim A. Tyabji as Class 2 directors. If elected, each Class 2 director will hold office until the election of directors at our 2013 Regular Meeting of Shareholders and until his or her successor has been duly elected and qualified, or until his or her earlier death, resignation or removal.

All of the nominees are currently members of the Board.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that our directors, executive officers and shareholders who own more than 10% of our common stock file initial reports of ownership with the SEC and the NYSE. They must also file reports of changes in ownership with the SEC and the NYSE. In addition, they are required by SEC regulations to provide us copies of all Section 16(a) reports that they file with the SEC. Based solely on a review of such Section 16(a) reports, management and the Board believe our directors, executive officers and shareholders who own more than 10% of our outstanding equity securities complied with the reporting requirements during the fiscal year ended February 26, 2011, except that due to administrative delay (i) a report was not filed in a timely manner for a withholding of shares for tax purposes in connection with an exercise of stock options on March 1, 2010, by Carol A. Surface, Executive Vice President and Chief Human Resources Officer; (ii) reports were not filed in a timely manner for an award of equity-based incentive awards on April 7, 2010, by Joseph M. Joyce, Senior Vice President, General Counsel and Assistant Secretary; James L. Muehlbauer, Executive Vice President and Chief Financial Officer; and Kalendu Patel, Executive Vice President and President, Asia; (iii) a report was not filed in a timely manner for the sale of our common stock on April 21, 2010, by Frank D. Trestman, a former director; and (iv) a report was not filed in a timely manner for a withholding of shares for tax purposes in connection with an exercise of stock options on July 7, 2008, by Michael A. Vitelli, Executive Vice President, President—Americas.

EXECUTIVE AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

Executive Summary

Our Compensation Discussion and Analysis (“CD&A”) describes our executive compensation programs for fiscal 2011, and explains how the Compensation Committee made its compensation decisions for our named executive officers (“NEOs”) for fiscal 2011. The NEOs are our CEO, Brian J. Dunn; our Executive Vice President — Finance and Chief Financial Officer (“CFO”), James L. Muehlbauer; and our three other most highly compensated officers: Shari L. Ballard, Executive Vice President, President—Americas; Michael A. Vitelli, Executive Vice President, President—Americas; and Carol A. Surface, Executive Vice President and Chief Human Resources Officer.

As described in this CD&A, we designed an executive compensation program for fiscal 2011 to attract and retain highly qualified executives and establish a strong relationship between executive pay and our performance based on achievement of the enterprise-wide goals and benchmarks described below.

Our key compensation decisions for fiscal 2011, as explained in further detail below, are:

- *Base Salaries.* The CEO’s salary increased by 10% in recognition of his maturity in the chief executive role. The other NEOs’, aside from Ms. Surface who joined us in March 2010, salaries also increased by an average of 10%, due to increased scope, scale and responsibility for our largest business unit.
- *Short-term incentives.* We made no change to the short-term incentive target payout percentages, however, lower-than-expected enterprise performance resulted in lower payouts for our NEOs.
- *Long-term incentives.* We increased the long-term incentive awards for the NEOs to reflect tenure, external market conditions and significant expansions of role. The CEO’s long-term incentive award increased by 75%. The other NEOs’ awards increased by an average of approximately 30%.
- *Special awards.* To replace foregone equity-based awards from her former employer, we gave our new Executive Vice President and Chief Human Resources Officer a signing bonus and restricted stock. No other NEO received a special award.
- *Other compensation.* The CEO and our other NEOs are generally offered the same employee benefits, perquisites and other rewards offered to all of our U.S.-based employees.

For ease of use, this CD&A is divided into four sections:

1. *Philosophy, Objectives and Principles* — This section describes the guiding principles that support our executive compensation programs, including our Total Rewards Philosophy and our Principles of Executive Compensation.
2. *Governance* — This section details the roles and responsibilities of the parties involved in the development of our executive compensation programs, as well as the individual performance assessments and determinations of compensation for the NEOs.
3. *Factors in Decision-Making* — This section describes our “Executive Compensation Framework,” which is a set of internal and external factors that allow for a comprehensive, multi-faceted evaluation of total compensation. It also identifies our peer group of companies.
4. *Elements of Our Compensation and Benefit Programs* — This section provides an overview of our compensation program, shows the pay mix, and provides a deeper look into each compensation element (base salary, short-term incentive, long-term incentive, restricted stock and other compensation and benefits and perquisites). In addition, it includes our executive stock ownership guidelines, tax considerations, information about our clawback rights and an overview of other relevant policies.

Philosophy, Objectives and Principles

Total Rewards Philosophy. We believe our success depends on employees at all levels using their unique strengths, experiences and ideas to foster innovation and build strong customer relationships. While our compensation and benefit programs are important tools in attracting and retaining talented employees, we also believe that non-monetary factors such as work environment, learning and development opportunities, and relationships between employees and managers are critical to provide a rewarding employee experience. Collectively, these elements comprise our “Total Rewards” philosophy.

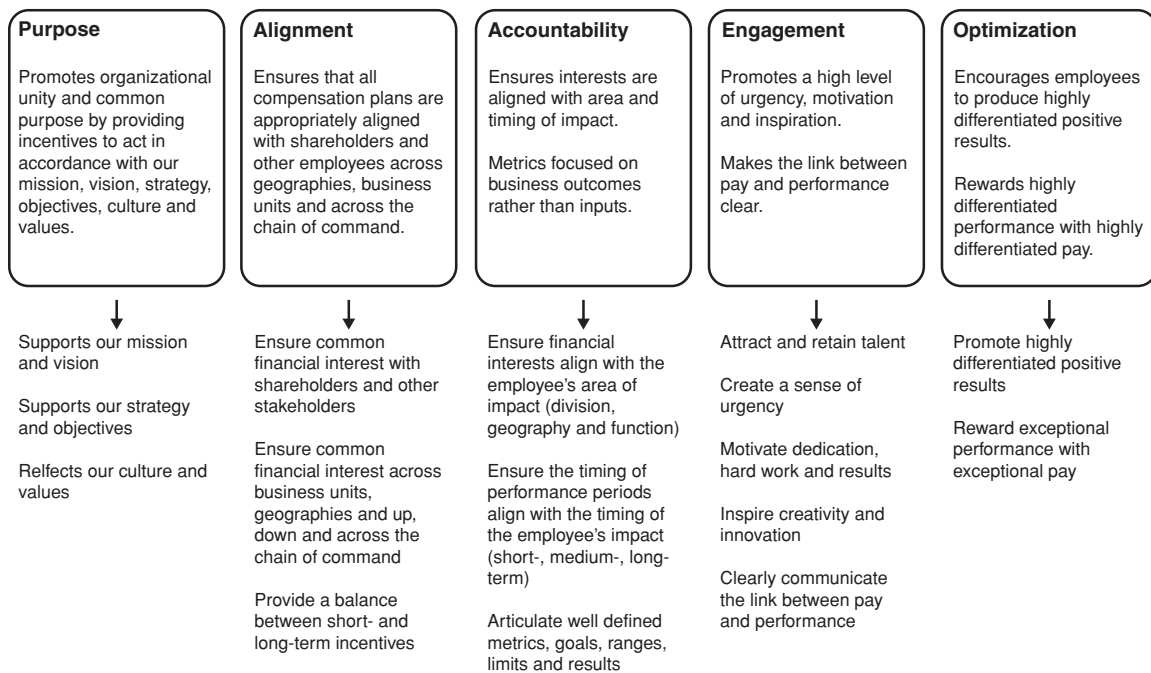

Objectives. Our Total Rewards philosophy seeks to meet the following compensation objectives:

- Provide employees a wide array of rewards;
- Differentiate rewards to individuals, based on their contributions;
- Encourage and recognize experimentation, entrepreneurship and innovation;
- Reward employee contributions toward achieving desired financial and non-financial results; and
- Maintain a flexible compensation structure that allows employees to share in our success.

We implement these objectives by employing broad-based programs that are designed to align employee interests with company goals and create a common vision of success.

Principles of Executive Compensation. The Compensation Committee uses the following Principles of Executive Compensation as a means to assess our executive compensation program and to provide guidance to management on the Compensation Committee’s expectations for our overall executive compensation structure.

Principles of Executive Compensation

Governance

The following table summarizes the roles of each of the key participants in the executive compensation decision-making process.

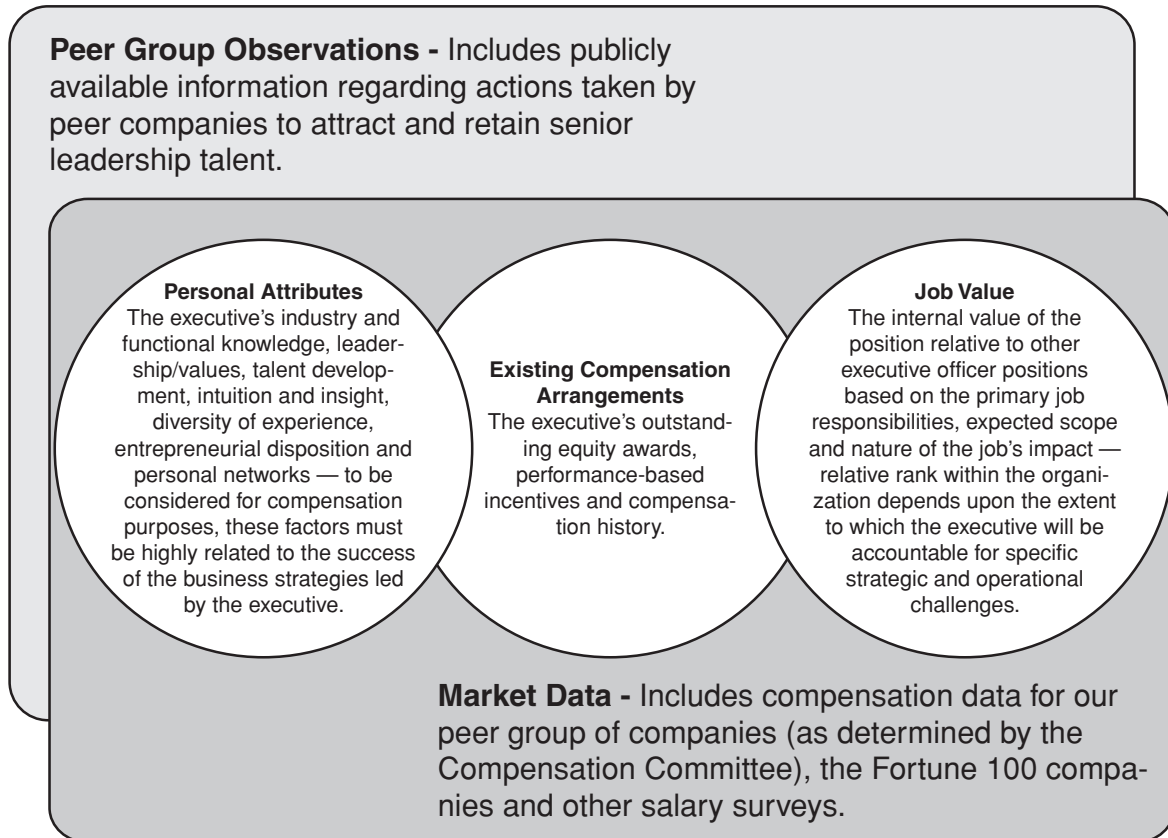

Key Participant	Member(s)	Role in Decision-Making Process
Compensation Committee	Ronald James (Chair) Kathy J. Higgins Victor George L. Mikan, III Hatim A. Tyabji	<p>Established our Total Rewards philosophy and our compensation objectives.</p> <p>Determines, approves and oversees executive compensation, including the design, competitiveness and effectiveness of our compensation programs. Also oversees the development, evaluation and approval of incentive compensation, equity-based pay and other material employee benefit plans for all employees, including the NEOs.</p> <p>Certain matters that do not materially impact our NEOs have been delegated by the Compensation Committee to members of management in order to ensure timely decision-making, maintain compliance with legal or regulatory obligations or for administrative reasons. For example, such delegations include:</p> <ul style="list-style-type: none"> • to our CEO, the authority to appoint officers at the vice president level; • to our Executive Vice President and Chief Human Resources Officer, the authority to modify officer titles, provided that the modification does not impact the officer's compensation or role; and • to our Executive Vice President and Chief Human Resources Officer, the authority to amend our benefit plans for limited and immaterial purposes, such as to comply with applicable laws and regulations. <p>The Compensation Committee's charter is available on our Web site at www.bby.com — select the "Investor Relations" link and then the "Corporate Governance" link.</p>

Factors in Decision-Making

Executive Compensation Framework. For fiscal 2011, each element of compensation and the level of total direct compensation for each of our NEOs was determined by referencing our Executive Compensation Framework. Our Executive Compensation Framework consists of a set of internal and external factors that allow for a comprehensive, multi-faceted evaluation of total compensation based on each individual's personal attributes and talents, the internal "value" of their role, and objective external market data. The factors are not required to carry equal weight and not all of the factors are considered in determining the compensation recommendation for each individual. We believe that the diversity of the factors included in our Executive Compensation Framework and our flexibility in their application enhances our ability to develop compensation packages that (i) further our compensation objectives, (ii) further one or more of our strategic initiatives, and (iii) produce the highest return on our compensation investment.

For fiscal 2011, the internal and external factors that comprised our Executive Compensation Framework were as follows:

We applied the external factors to each NEO based on a review of publicly available compensation data for our peer group of companies and the Fortune 100, and in some instances, we also consulted survey data.⁽¹⁾ We used available information and monitored actions taken by our peers to evaluate market trends and to assess the overall competitiveness of our executive compensation levels. We did not, however, seek to establish total direct compensation that falls within a prescribed range relative to our peer group of companies or the Fortune 100. In addition, the Compensation Committee may at times use our peer group of companies to evaluate:

- The cost of the total direct compensation paid to our NEOs;
- The relationship between our financial performance and the compensation paid to our NEOs; and
- The relative difficulty of our incentive performance targets.

(1) The surveys we consulted, as well as the companies they surveyed, are listed in Schedule A to this CD&A, beginning on page 47.

Peer Group. The criteria we used to determine our peer group of companies in fiscal 2011 was unchanged from the criteria we used in fiscal 2010. Our peer group has remained stable since fiscal 2008, with few exceptions. We continue to use the same factors to select our peers: predominantly retail or wholesale companies with more than \$5 billion in revenue and significant revenue generated outside of the U.S. Our peer group at the time compensation was determined for our NEOs in fiscal 2011 was comprised of the following companies:

- Amazon.com, Inc.
- Apple Inc.
- Costco Wholesale Corporation
- Dell Inc.
- eBay Inc.
- FedEx Corporation
- Harley-Davidson, Inc.
- Lowe's Companies, Inc.
- Nordstrom, Inc.
- Staples, Inc.
- Starbucks Corporation
- Target Corporation
- The TJX Companies, Inc.
- Wal-Mart Stores, Inc.
- Walgreen Co.
- The Walt Disney Company
- Whole Foods Market, Inc.
- Yahoo! Inc.

Fiscal 2011 Pay Mix. The Compensation Committee does not establish a set pay mix for our executive officers. However, our executive compensation program does emphasize long-term compensation versus short-term compensation. The resulting target pay mix for fiscal year 2011 for our CEO and our other NEOs, on average, is shown below. Actual salary levels, short-term incentive awards (identified in the table below as “STI” and discussed in

further detail in *Short-Term Incentive*) and long-term incentive awards (identified in the table below as “LTI” and discussed in further detail in *Long-Term Incentive*) vary based on factors in the Executive Compensation Framework.

Each element in the target pay mix is discussed below and shown in the *Summary Compensation Table* on page 50.

Base Salary

The Compensation Committee generally determines base salary levels for the NEOs and other executive officers during the second quarter of each fiscal year, with changes becoming effective during that quarter. The base salaries for the NEOs that became effective in the second quarter of fiscal 2011 (“Fiscal 2011 Base Salary”) were established based on an assessment of each officer under our Executive Compensation Framework. The Fiscal 2011 Base Salary and the comparable Fiscal 2010 Base Salary for each of the NEOs, as well as the key factors the Compensation Committee considered, were as follows:

Base Salaries increased due to scope and role changes

Short-Term Incentive

We believe that it is important that a higher percentage of total cash compensation for higher ranking positions be linked to our performance. For fiscal 2011, the NEOs were eligible for performance-based, short-term incentive awards pursuant to our fiscal 2011 Short-Term Incentive Program ("STI"). Fiscal 2011 STI awards were payable in cash and were expressed as a target payout percentage of salary. The NEOs' fiscal 2011 STI payments were made after the end of the fiscal year.

The fiscal 2011 STI is comprised of several different plans that have unique performance criteria to align with the varying responsibilities and geographic areas served by the group of employees eligible for each plan. For fiscal 2011, Messrs. Dunn and Muehlbauer and Ms. Surface were eligible for the Enterprise Executive STI Plan and Ms. Ballard and Mr. Vitelli were eligible for the Americas Regional STI Plan.

Fiscal 2011 STI Performance Criteria. In May 2010, the Compensation Committee approved the performance criteria, in the form of metrics, and the target performance levels for each metric for each of the fiscal 2011 STI plans. The performance metrics were designed to support our fiscal 2011 business priorities, specifically centering on profitable growth and margin. Net operating profit was included as a key metric because it reflects the decisions and actions of a short-term environment while still taking sales, general and administrative expenses into account. The Americas Regional STI Plan metrics were designed to provide consistency with the Enterprise Executive STI Plan metrics, but focus more directly on the performance of our businesses in the United States, Canada and Mexico. Since Ms. Ballard and Mr. Vitelli's roles specifically involve the management of the businesses in these regions, these metrics are more appropriate for their scope of responsibility, while Messrs. Dunn and Muehlbauer and Ms. Surface's responsibilities apply to the entire enterprise, regardless of region.

In establishing the target performance levels, the Compensation Committee considered our historical performance and target setting practices, as well as investor and market expectations.

STI targets remained at prior year levels but lower-than-expected performance resulted in lower payouts

The following tables set forth the performance metrics and target performance target levels, as well as our actual fiscal 2011 performance against each metric for the Enterprise Executive STI Plan and Americas Regional STI Plan:

Enterprise Executive STI Plan (Messrs. Dunn and Muehlbauer and Ms. Surface)⁽¹⁾

(1) Dollar amounts in millions.

(2) For fiscal 2011, we adjusted our actual results for the following metrics: Enterprise NOP, Enterprise GPR, Americas NOP and Americas GPR due to restructuring charges we recorded in the fourth quarter of fiscal 2011 that we reported on Form 8-K on February 22, 2011. In addition, we adjusted our actual results for all metrics to reflect budgeted foreign exchange rates. As a result, our adjusted Enterprise NOP of \$2,340 million compares to reported Enterprise NOP of \$2,114 million; our adjusted Enterprise Revenue of \$50,445 compares to reported Enterprise Revenue of \$50,272; our adjusted Enterprise GPR of 25.21% compares to our reported Enterprise GPR of 25.17%; our adjusted Americas NOP of \$2,240 million compares to our actual Americas NOP of \$2,185 million; our adjusted Americas Revenue of \$42,589 compares to our actual Americas Revenue of \$42,768 and our adjusted Americas GPR of 25.03% compares to our actual Americas GPR of 25.01%. Such adjustments were provided for in the plan design and are consistent with adjustments made to performance results used for STI calculations in prior years. None of the adjustments described here affected the fiscal 2011 payouts of our NEOs.

Determination of Fiscal 2011 STI Target Payout. In June 2010, the Compensation Committee approved the total fiscal 2011 target compensation for each NEO, including approval of the target payout percentages for our NEOs under the fiscal 2011 STI. The Compensation Committee generally applies a tiered approach in determining the potential target payout percentages for each NEO, establishing a target payout at 100%, 125% or 200% of salary for each individual. The specific target payout percentage for each NEO is determined by applying our Executive Compensation Framework, with particular emphasis placed on the following factors:

- internal job ranking of each position;
- each NEO's job responsibilities and expertise;
- internal pay equity among the NEOs; and
- external market data factors for equivalent roles.

For fiscal 2011, the NEOs did not receive an increase in their target payout percentages and, therefore, the tiered target payouts of 100%, 125% or 200% of salary remained the same as the NEOs' target payouts for fiscal 2010. For each of the metrics, the NEOs could earn zero to two times their weighted target payout percentage for that metric, making the maximum fiscal 2011 STI payout two times their target payout percentage. However, due to lower-than-expected performance, fiscal 2011 STI payouts were actually reduced from fiscal 2010. Since we did not exceed our threshold performance level for two out of the three performance metrics in the Enterprise Executive STI Plan and three out of the four performance metrics in the Americas Regional STI Plan, the only metrics to have weight in the determination of the fiscal 2011 STI payments for our NEOs were Enterprise GPR and Americas GPR, respectively. The fiscal 2011 target payout percentages and the actual fiscal 2011 STI payout for each NEO are set forth in the table below:

	Target Payout Percentage	Target Payout Value, based on Salary ⁽¹⁾	Fiscal 2011 STI Payment	Fiscal 2011 STI Payment, as a Percentage of Salary ⁽¹⁾
Mr. Dunn	200%	\$2,133,334	\$746,667	70%
Mr. Muehlbauer	125%	\$ 830,000	\$290,500	43.75%
Ms. Ballard	125%	\$ 854,166	\$298,958	43.75%
Mr. Vitelli	125%	\$ 833,335	\$291,667	43.75%
Ms. Surface	100%	\$ 476,666	\$166,833	35%

(1) "Salary" is the aggregate of the NEO's salary as of the 15th of each fiscal month in fiscal 2011, rather than the actual aggregate salary paid in fiscal 2011.

Long-Term Incentive

Awards of equity-based compensation to our executive officers encourage a strong ownership stake in our company and align the interest of the NEOs and our shareholders. All equity-based incentive awards for our NEOs and directors must be approved by the Compensation Committee. During fiscal 2011, we made long-term incentive awards to our NEOs and other eligible employees (typically, manager level and above) pursuant to our Long-Term Incentive Program ("LTI") as approved by the Compensation Committee in April 2010. LTI awards are made under our Omnibus Plan. The fiscal 2011 LTI awards made to our NEOs were in the form of non-qualified stock options, granted in equal quarterly installments that have a term of ten years and become exercisable over a four-year period at the rate of 25% per year, beginning one year from the date of grant. The exercise price for such options was equal to the closing price of our common stock on the grant date, as quoted on the NYSE.

Increased LTI awards reflect tenure, external market conditions and expansion of role

Under the terms of the Omnibus Plan, we may not grant stock options at a discount to fair market value. Unless otherwise determined by the Compensation Committee, "fair market value" as of a given date is the closing price of our common stock as quoted on the NYSE on such date or, if the shares were not traded on that date, the most recent preceding date when the shares were traded.

Determination of Fiscal 2011 LTI Award. In June 2010, the Compensation Committee approved the total fiscal 2011 target compensation for each NEO, which included approval of the number of stock options awarded to each NEO under the fiscal 2011 LTI. LTI award amounts are determined based upon the application of our Executive

Compensation Framework, with overall compensation mix and external market data for equivalent roles being key factor in the determination of the award made to each NEO.

Mr. Dunn received a fiscal 2011 LTI award that represented a 75% increase over his prior-year LTI award to acknowledge his tenure in the role of CEO and external competitive data. Likewise, Mr. Muehlbauer received a 50% increase over his prior-year LTI award due to external market conditions. Mr. Vitelli and Ms. Ballard each received approximately a 21% increase over their prior year LTI awards in acknowledgement of their May 2010 expansions of role. Ms. Surface's fiscal 2011 LTI award was determined when she joined us during the first quarter of fiscal 2011 and no changes were made to her LTI award in June 2010.

The fiscal 2011 LTI awards for each NEO are set forth in the following table:

Name	Number of Shares subject to Fiscal 2011 LTI Option Award
Mr. Dunn	350,000
Mr. Muehlbauer	120,000
Ms. Ballard	80,000
Mr. Vitelli	80,000
Ms. Surface	66,252

Quarterly installments of LTI awards are granted near the beginning of each fiscal quarter. Since fiscal 2011 LTI awards were determined during the second quarter of fiscal 2011, the NEOs received in fiscal 2011 two installments of LTI grants pursuant to their fiscal 2010 LTI award and two installments of LTI grants pursuant to their fiscal 2011 LTI award. The following table sets forth the number of shares subject to options received by each NEO as LTI grants during fiscal 2011:

Name	Number of Shares subject to Options Received during Fiscal 2011
Mr. Dunn	275,000
Mr. Muehlbauer	100,000
Ms. Ballard	73,126
Mr. Vitelli	73,126
Ms. Surface	66,252

Additional information regarding the LTI awards granted to the NEOs in fiscal 2011 is included in the *Grants of Plan-Based Awards* table on page 52.

Special Awards

Ms. Surface received a \$600,000 signing bonus and 32,500 shares of time-based restricted stock (vesting 25% upon grant and 25% on each successive anniversary for three years) when she joined us in March 2010. The Compensation Committee determined both awards by applying the existing compensation arrangements factor of our Executive Compensation Framework. The Compensation Committee felt that Ms. Surface's extensive experience in international human resources made her a valuable asset to lead our global human resources organization. The awards were granted to replace forgone equity-based awards from her previous employer.

Special awards used to replace new EVP's foregone equity

NEOs received the same benefits and perquisites as other officers, and generally all U.S. employees

Other Compensation

Benefits and Perquisites. Our executive officers, including our NEOs, are generally offered the same employee benefits and perquisites offered to all U.S.-based employees, as summarized in the table below:

(1) Only highly compensated employees and directors are eligible to participate in the Deferred Compensation Plan, as described below.

(2) Our executive officers are eligible to receive the same employee discount at U.S. Best Buy stores as all U.S.-based employees. However, they are also eligible to receive discounts at stores operated by some of our subsidiaries that are not generally available to all employees.

We provide the executive benefits and perquisites denoted above to compete for executive talent and to promote the health, well-being and financial security of our NEOs. A description of executive benefits and perquisites, and the costs associated with providing them for the NEOs, are reflected in the “All Other Compensation” column of the *Summary Compensation Table* on page 50.

Deferred Compensation Plan. We sponsor the Best Buy Co., Inc. Fifth Amended and Restated Deferred Compensation Plan, as amended (“Deferred Compensation Plan”) that is unfunded and unsecured. We believe the plan provides a tax-deferred retirement savings vehicle that plays an important role in attracting and retaining executive talent. Additional information about the Deferred Compensation Plan is included in *Non-Qualified Deferred Compensation* on page 55.

Employee Stock Purchase Plan. Our 2008 Employee Stock Purchase Plan (“ESPP”) allows employees, including our NEOs, to purchase our common stock at a discount. The stock purchase price is 85% of the lesser of the closing price quoted on the NYSE at the beginning or at the end of a semi-annual purchase period. There is a maximum purchase

value of \$25,000 per calendar year for all plan participants. Beginning with purchases in September 2011, shares acquired through the ESPP will be subject to a 12-month holding period except in limited circumstances (such as death, disability, etc.).

Retirement Savings Plan. Our Retirement Savings Plan is intended to meet the requirements of Section 401(k) of the Internal Revenue Code of 1986 (the "Code"). All of our NEOs are eligible to participate in the plan. The plan provides a safe harbor that allows U.S.-based employees to contribute pre-tax income and immediately vest in company matching contributions. The plan is expected to provide an improved opportunity for such employees to achieve retirement income security. However, the plan is not expected to provide sufficient income replacement relative to our NEOs' anticipated retirement needs. The potential retirement income gap for our NEOs may be filled by other reward elements, including long-term incentives, or by the deferral of a portion of base salary or short-term incentive awards under the Deferred Compensation Plan. Under the Retirement Savings Plan, we match employee contributions, including those made by our NEOs, at rates approved by the Compensation Committee. For fiscal 2011, we matched 100% of the first 3% and 50% of the next 2% of eligible pre-tax earnings (up to Internal Revenue Service limits) contributed by plan participants.

Although we intend to continue the Retirement Savings Plan, as well as to make matching contributions, the Compensation Committee may terminate the plan or discontinue the matching contributions at its sole discretion. If the Retirement Savings Plan were to be terminated, all company-matching funds would immediately vest. JPMorgan Chase Bank has served as the trustee for the Retirement Savings Plan since April 2004. We do not sponsor any other retirement plans in which our NEOs participate.

Severance Plan. We have a severance plan that complies with the applicable provisions of the Employee Retirement Income Security Act (ERISA). Although there are differences in benefits depending on the employee's job level, the basic elements of the plan are comparable for all eligible employees. The plan covers all full-time and part-time U.S. employees of Best Buy Co., Inc., Best Buy Stores, L.P., Best Buy International Holdings, Inc. and Best Buy Enterprise Services, Inc., and their domestic subsidiaries, including the NEOs, who have at least six months of continuous service, except for those subject to a separate severance agreement. The plan covers involuntary terminations due to job elimination and discontinuation, office closing, reduction in force, business restructuring and other circumstances as we determine. Eligible terminated employees receive a severance payment ranging from 6 months to two years of base salary, with basic employee benefits such as medical, dental and life insurance continued for an equivalent period. The NEOs are eligible for 2 years of salary and equivalent benefit continuation.

Special Long-Term Incentive Awards. Special long-term incentive awards may be granted at any time, as deemed necessary for new hires, promotions, and recognition or retention purposes. We do not coordinate or time the release of material information around our grant dates in order to affect the value of the compensation, nor do our NEOs play a role in the selection of grant dates.

Stock Ownership, Tax and Other Policies

Executive Stock Ownership Guidelines. The Compensation Committee has established stock ownership guidelines to promote the alignment of officer and shareholder interests and to encourage behaviors that have a positive influence on stock price appreciation and total shareholder return. The guidelines apply to all officers, including the NEOs, and are part of an effort to encourage stock ownership by our officers and to instill a pay-for-performance culture. Under the guidelines, we expect our officers, including the NEOs, to acquire ownership of a fixed number of shares, based on

their position. The stock ownership expectation generally remains effective for as long as the officer holds the position. The guidelines provide for stock ownership levels for our NEOs as follows:

Name	Ownership Target ⁽¹⁾
Mr. Dunn	140,000 shares
Mr. Muehlbauer	55,000 shares
Ms. Ballard	55,000 shares
Mr. Vitelli	55,000 shares
Ms. Surface	35,000 shares

(1) Ownership targets will be adjusted for stock splits, stock dividends or similar events.

In addition to shares personally owned by each officer, the following forms of stock ownership count toward the ownership target:

- Equivalent shares owned in the Best Buy Stock Fund within our Retirement Savings Plan;
- 50% of non-vested shares subject to performance conditions granted under our LTI program;
- 50% of non-vested shares subject to time-based conditions granted under our LTI program; and
- 50% of the intrinsic value of vested stock options granted under our LTI program.

Until the ownership target is met, our officers and NEOs must comply with a 50% holding requirement (of after-tax value). We expect that until the ownership target is met, officers will retain: (i) 50% of the net proceeds received from the exercise of a stock option in the form of Best Buy common stock; and (ii) 50% of shares net of taxes issued in connection with the lapse of restrictions on restricted stock or performance share awards. The ownership target does not need to be met within a certain timeframe and our officers are considered in compliance with the guidelines as long as progress towards the ownership target is being made. In fiscal 2011, all NEOs were in compliance with the ownership guidelines.

Tax Deductibility of Compensation. Section 162(m) of the Code limits the deductibility of compensation in excess of \$1 million paid to the chief executive officer and each of our four most highly compensated executive officers (other than the chief executive officer and chief financial officer), unless the compensation qualifies as “performance-based compensation.” Among other things, in order to be deemed performance-based compensation, the compensation must be based on the achievement of pre-established, objective performance criteria and must be pursuant to a plan that has been approved by our shareholders. It is intended that all performance-based compensation paid in fiscal 2011 to our NEOs under the plans and programs described above will qualify for deductibility, either because the compensation is below the threshold for non-deductibility provided in Section 162(m), or because the payment of amounts in excess of \$1 million qualify as performance-based compensation under the provisions of Section 162(m).

We believe that it is important to continue to be able to take available company tax deductions with respect to the compensation paid to our NEOs. Therefore, we strive to take all actions that may be necessary under Section 162(m) to qualify for available tax deductions related to executive compensation. We do not, however, make compensation decisions based solely on the availability of a deduction under Section 162(m).

Clawback and Restrictive Covenant Provisions. Our senior management performance awards have typically included clawback provisions, particularly where it has been difficult to match the period of an employee’s influence on business results. We may exercise our rights under such provisions if other strategies to mitigate unjust rewards are difficult to achieve. In September 2010, we adopted a new Clawback Policy to comply with the Dodd-Frank Wall Street Reform

and Consumer Protection Act, with final policy language to be determined after the SEC adopts related rules. We also expanded our 2007 Clawback Policy to cover all executive officer incentive award agreements. In addition to the clawback provisions, we include confidentiality, non-compete, non-solicitation and in select situations, non-disparagement provisions.

Re-pricing of Stock Options. Under the terms of our Omnibus Plan, a stock option may not, without the approval of our shareholders, be: (1) amended to reduce its initial exercise price, except in the case of a stock split or similar event; or (ii) canceled and replaced by a stock option having a lower exercise price.

Accounting Treatment. We account for equity-based awards based on their grant date fair value. Compensation expense for these awards is recognized over the requisite service period of the award (or to an employee's eligible retirement date, if earlier). However, if an award is subject to a performance condition, the recognized expense will vary based on our estimate of the number of shares that will ultimately vest.

Transactions in Company Securities. All employees and non-employee directors are prohibited from purchasing or selling options of our common stock and from short selling our securities. Pursuant to our Securities Trading Policy, trading in put or call options, straddles, equity swaps, or other derivative securities related to our common stock are also prohibited.

(1) These amounts are before any deferrals under the Deferred Compensation Plan. Additional information about deferred amounts can be found in the *Non-Qualified Deferred Compensation* table on page 55.

(2) Our NEOs were not entitled to receive any payments that would be categorized as a “Bonus” payment for fiscal 2011, fiscal 2010 and fiscal 2009, except for Ms. Surface who received a signing bonus when she joined us in March 2010.

(3) These amounts reflect the aggregate grant date fair value for stock-based incentive awards granted under our LTI for each of fiscal 2011 and 2009. No applicable awards were made in fiscal 2010. The amounts reported have not been adjusted to eliminate service-based forfeiture assumptions. Any performance-based awards included in these amounts have been valued based on the probable outcome of the performance condition(s) as of the grant date.

(4) These amounts reflect the aggregate grant date fair value for equity-based incentive awards granted under our LTI for each of fiscal 2011, fiscal 2010 and fiscal 2009. The amounts reported have not been adjusted to eliminate service-based forfeiture assumptions.

(5) These amounts reflect STI payments made for fiscal 2011 and fiscal 2010. No STI payments were made for fiscal 2009. The respective short-term incentive plans are described in *Short-Term Incentive* beginning on page 39.

(6) We do not provide guaranteed, above-market or preferential earnings on compensation deferred under the Deferred Compensation Plan. The investment options available for notional investment of deferred compensation are similar to those available under the Retirement Savings Plan and are described in *Non-Qualified Deferred Compensation* on page 55.

(7) For fiscal 2011, these amounts include All Other Compensation as described in the following table:

(1) These amounts reflect the aggregate grant date fair value.

(2) These amounts reflect the potential threshold, target and maximum payout for each NEO under our fiscal 2011 STI, which is described in greater detail in *Short-Term Incentive* beginning on page 39. The actual payout awarded to each NEO for fiscal 2011 is provided in *Short-Term Incentive* beginning on page 39 and the *Summary Compensation Table* beginning on page 50.

(3) These amounts reflect non-qualified stock options that have a term of ten years and become exercisable over a four-year period at the rate of 25% per year, beginning one year from the grant date. The option exercise price is equal to the closing price of our common stock on the grant date, as quoted on the NYSE. The stock option awards are described in greater detail in *Long-Term Incentive* beginning on page 41.

(4) The amount reflects a time-based restricted stock award which vested 25% on the grant date, and will vest an additional 25% on each of the next three anniversaries of the grant date, provided Ms. Surface has been continually employed with us through those dates.

Outstanding Equity Awards at Fiscal Year-End

The following table provides a summary of the equity-based awards outstanding for each of the NEOs as of the end of fiscal 2011:

- (1) For a better understanding of the equity-based awards included in this table, we have provided the grant date of each award.
- (2) All stock option awards reported become exercisable over a four-year period at the rate of 25% per year, beginning one year from the grant date.
- (3) These amounts were determined based on the closing price of Best Buy common stock on February 25, 2011, the last trading day in fiscal 2011. The closing price quoted on the NYSE on February 25, 2011, was \$32.37.
- (4) The amount reflects a performance-based restricted stock award that will be earned depending on the level of achievement of performance goals established for the following metrics: (i) comparable store sales, (ii) profit growth, and (iii) revenue growth. The earned portion of the first 50% of the award vested on February 26, 2011, as reflected in *Options Exercised and Stock Vested* below. The number of shares reflected is the remaining 50% of the target grant, the earned portion of which, if any, is scheduled to vest on March 3, 2012.
- (5) The amount reflects a time-based restricted stock award which vested 25% on the grant date and 25% on each of the next two anniversaries of the grant date, and is scheduled to vest the remaining 25% the next anniversary of the grant date, provided the executive has been continually employed with us through such date.
- (6) The amount reflects a time-based restricted stock award which vested 25% on the grant date and is scheduled to vest an additional 25% on each of the next three anniversaries of the grant date, provided the executive has been continually employed with us through those dates.

Options Exercised and Stock Vested

The table below provides a summary of the value realized in connection with stock option awards exercised and stock awards vested for our NEOs during fiscal 2011:

Name	Option Awards		Stock Awards	
	Number of Shares Acquired on Exercise ^(#)	Value Realized on Exercise ⁽¹⁾	Number of Shares Acquired on Vesting ^(#)	Value Realized on Vesting ⁽²⁾
Brian J. Dunn	21,798 ⁽³⁾	\$316,378	0 ⁽⁴⁾	\$ 0
James L. Muehlbauer	—	—	5,000 ⁽⁵⁾	224,450
Shari L. Ballard	—	—	0 ⁽⁴⁾	0
Michael A. Vitelli	—	—	0 ⁽⁶⁾	0
Carol A. Surface	—	—	8,125 ⁽⁷⁾	299,000

- (1) Value based on market value of Best Buy common stock at the time of exercise, minus the exercise cost.
- (2) Value based on the closing market price of Best Buy common stock on the vesting date.
- (3) Mr. Dunn exercised options to purchase 16,875 shares on April 7, 2010, at an exercise price of \$31.17 and an average market price of \$42.73 and 4,923 shares on December 14, 2010 at an exercise price of \$11.11 and an average market price of \$35.75.
- (4) The amount reflects a performance-based restricted stock award granted on August 5, 2008 that partially vested on February 26, 2011. The number of shares awarded in fiscal 2011 (0) was determined based on the level of growth of (i) comparable store sales, (ii) profit, and (iii) revenue during the three-year incentive period.
- (5) The amount reflects a time-based restricted stock award and a performance-based restricted stock award. The time-based award was granted on April 18, 2008, vested 25% on the grant date and vested an additional 25% on both April 18, 2009 and on April 18, 2010 (5,000 shares for fiscal 2011). The performance-based award was granted on August 5, 2008, and partially vested on February 26, 2011. The number of

shares awarded in fiscal 2011 (0) was determined based on the level of growth of (i) comparable store sales, (ii) profit, and (iii) revenue during the three-year incentive period.

- (6) The amount reflects two performance-based restricted stock awards. The first was granted on October 18, 2007, and vested on February 26, 2011. The number of shares awarded in fiscal 2011 (0) was determined by the level of total shareholder return ("TSR" is the compound annual growth rate that shareholders receive on their investment, including both paid dividends and stock price appreciation) achieved by our common stock compared to the TSR of companies that comprise the Standard & Poor's 500 Index ("S&P 500") during the three-year incentive period. The second was granted on August 5, 2008, and partially vested on February 26, 2011. The number of shares awarded (0) was determined based on the level of growth of (i) comparable store sales, (ii) profit, and (iii) revenue during the three-year incentive period.
- (7) The amount reflects a time-based award that was granted on March 1, 2010, vested 25% (8,125 shares) on the grant date, and is scheduled to vest an additional 25% on the next three anniversaries of the grant date.

Non-Qualified Deferred Compensation

The following table shows the account balances at February 26, 2011, and the contributions and earnings during fiscal 2011, for our NEOs under the Deferred Compensation Plan. The Deferred Compensation Plan allows highly compensated employees, including the NEOs, and directors to defer:

- Up to 75% of base salary; and
- Up to 100% of a cash bonus (earned and paid in the same year), short-term incentive compensation (earned and paid in different years) and director fees, as applicable.

Name	Executive Contributions in Fiscal 2011 ⁽¹⁾	Registrant Contributions in Fiscal 2011	Aggregate Earnings (Losses) in Fiscal 2011	Aggregate Withdrawals/Contributions	Aggregate Balance at February 26, 2011
Brian J. Dunn	\$ —	\$ —	\$ —	\$ —	\$ —
James L. Muehlbauer	—	—	178,941	(175,393)	849,422
Shari L. Ballard	281,558	—	171,048	—	1,145,538
Michael A. Vitelli	—	—	—	—	—
Carol A. Surface	—	—	—	—	—

(1) These amounts were also reported as either "Base Salary" or "Non-Equity Incentive Plan Compensation" in the *Summary Compensation Table* on page 50.

Investments. Amounts deferred under and contributed to the Deferred Compensation Plan are credited or charged with the performance of investment options selected by the participants. The investment options are notional and do not represent actual investments, but rather serve as a measurement of performance. The options available under the Deferred Compensation Plan and their rates of return for the calendar year ended December 31, 2010, were as follows:

Investment	Rate of Return ⁽¹⁾
NVIT Money Market	0.00%
PIMCO VIT Total Return	-0.95%
PIMCO VIT High-Yield Bond	2.31%
Fidelity VIP II Asset Manager	6.62%
Vanguard VIF Diversified Value	9.02%
Vanguard VIF Equity Index	10.69%
MFS VIT Growth Series	12.57%
Franklin VIPT Small Cap Value Securities	17.67%
Wells Fargo Advantage VT Small Cap Growth	18.21%
Vanguard VIF International	7.34%

(1) Rate of return is net of investment management fees, fund expenses or administrative charges, as applicable.

Distributions. Participants who elect to defer compensation under the Deferred Compensation Plan also select when the deferred amounts will be distributed to them. Distributions may be made in a specific year, or at a specified time that begins at or after the participant's retirement. Distributions are paid in a lump sum or in quarterly installments, depending on the participant's election at the time of deferral. However, if a participant's employment ends prior to retirement, a distribution is made promptly in a lump sum or in quarterly installments, depending on the account balance.

Employer-Matching Contributions and Vesting. Prior to 2004, the Deferred Compensation Plan provided for employer-matching contributions. Since January 1, 2004, we do not provide employer-matching contributions for amounts deferred under the plan. Participants are fully vested in their contributions and employer contributions.

Potential Payments Upon Termination or Change-in-Control

We do not have employment or change-in-control agreements or arrangements with our NEOs. However, we do have a severance plan that covers our NEOs and includes involuntary terminations due to job elimination and discontinuation, office closing, reduction in force, business restructuring and other circumstances as we determine at our discretion. For more details on the severance plan, see *Benefits and Perquisites* on page 43.

The only amounts we would pay to our NEOs upon termination of employment or a change-in-control are those provided in the severance plan and equity-based incentive awards granted under our LTI or pursuant to special awards. The table below provides for each NEO, as of the end of fiscal 2011, the severance amount and the value of in-the-money stock options and stock awards, calculated based on the closing price of our common stock as quoted on the NYSE on February 25, 2011, the last trading day in

fiscal 2011. The table also summarizes the potential value of amounts payable under the severance plan and LTI awards for each NEO under various scenarios.

- (1) Upon involuntary termination due to job elimination or discontinuation, office closing, reduction in force, business restructuring or other circumstances determined at our discretion: (i) payment under the severance plan is triggered, (ii) stock options that are vested as of the date of termination are exercisable for a 60-day period beginning on the termination date and (iii) stock-based awards with performance-based vesting criteria may vest, depending on the termination date. Upon involuntary termination for cause, all unvested stock options and unvested stock awards are immediately and irrevocably forfeited.
- (2) Upon voluntary termination: (i) stock options that are vested as of the date of termination are exercisable for a 60-day period beginning on the termination date and (ii) all unvested stock options and stock awards are immediately and irrevocably forfeited as of the date of termination.
- (3) Upon involuntary termination or termination for good reason within twelve months following a change-in-control: (i) payment under the severance plan is triggered, (ii) stock options vest 100% and are generally exercisable until their natural dates of expiration and (iii) stock awards with performance-based vesting criteria generally vest as if 100% of the target shares had been earned.
- (4) Upon death or disability: (i) stock options vest 100% and are generally exercisable for a one-year period and (ii) stock awards with performance-based vesting criteria generally vest as if 100% of the target shares had been earned.
- (5) Upon qualified retirement: (i) stock options vest 100% and are generally exercisable for a one-year period; (ii) stock awards with performance-based vesting criteria will generally vest as if 100% of the target shares had been earned, except that in some cases, stock awards with performance-based vesting criteria are earned at the end of the performance measurement period, based on the level of performance achieved; and (iii) stock awards with time-based vesting criteria either vest 100% or are irrevocably forfeited, depending on the terms and conditions of the respective award agreement.

Director Compensation

Overview of Director Compensation

In April of each year, the Compensation Committee reviews the total compensation paid to non-management directors. The purpose of the review is to ensure that the level of compensation is appropriate to attract and retain a diverse group of directors with the breadth of experience necessary to perform the Board's duties, and to fairly compensate directors for their service. The review is comprehensive and includes consideration of qualitative and comparative factors. To ensure directors are compensated relative to the scope of their responsibilities, the Compensation Committee considers: (i) the time and effort involved in preparing for Board, committee and management meetings and the additional duties assumed by committee chairs; (ii) the level of continuing education required to remain informed of broad corporate governance trends, and material developments and strategic initiatives within our company; and (iii) the risks associated with fulfilling fiduciary duties. To supplement the qualitative analysis, the Compensation Committee also considers the total value of the compensation as compared with director compensation at other Fortune 100 companies and our peer group of companies, which is described in *Factors in Decision-Making* beginning on page 33.

Employment & Consulting Arrangements for Bradbury H. Anderson

In June 2009, we entered into an employment arrangement with Mr. Anderson, our former CEO, to provide services to us through June 2010 in connection with our transition to a new CEO. Pursuant to this employment arrangement, Mr. Anderson received an annual salary of \$75,000; was eligible to receive options to purchase the same number of shares granted to non-management directors, as described in *Director Equity Awards* below; and received the following benefits: (i) reimbursement of all business-related expenses, including travel, entertainment, room and board; (ii) full administrative support services at our corporate campus; and (iii) eligibility to participate in the Retirement Savings Plan and Deferred Compensation Plan. Mr. Anderson was not eligible to participate in our equity-based compensation programs for employees, except our ESPP. In June 2010, the employment arrangement with Mr. Anderson was extended through November 2010.

In November 2010, we entered into an Executive Consulting Agreement with Mr. Anderson in which Mr. Anderson agrees to provide mentorship, education and consulting services to members of management at the request of our CEO for a fee of \$5,000 per consulting session.

Employment Arrangement for Richard M. Schulze

In April 2007, we entered into an amended employment arrangement with Mr. Schulze, a founder of Best Buy, Chairman of the Board and our former CEO. Mr. Schulze is responsible for Board oversight, corporate strategic planning and mentoring company officers. Mr. Schulze also periodically represents our company at public functions and actively engages with our employees at designated company functions. Pursuant to our employment arrangement with Mr. Schulze, he receives an annual salary of \$150,000 for as long as he is physically and mentally proficient to act as Chairman, subject to his election as a director by our shareholders. The arrangement allows for annual

increases based on the consumer price index. Mr. Schulze is not eligible to participate in our equity-based compensation programs for employees. However, he is eligible to receive options to purchase the same number of shares granted to non-management directors, as described in *Director Equity Awards* below. In addition, we provided the following benefits to Mr. Schulze in fiscal 2011: (i) reimbursement of all business-related expenses, including travel, entertainment, room and board; (ii) eligibility for Mr. Schulze and his spouse to participate in health benefit programs generally available to our employees; (iii) office facilities at our corporate campus, including full administrative support services; and (iv) eligibility to participate in the Retirement Savings Plan and Deferred Compensation Plan.

Advisory Council to the Board

In April 2010, the Board established an Advisory Council to allow certain departing directors to be an ongoing resource to management and to the Board in order to minimize the potential loss of historical knowledge and company culture following their departure. Members of the Advisory Council are invited by the Chairman and the chairs of the Board's other standing committees. Members of the Advisory Council receive an annual retainer of \$25,000.

During fiscal 2011, Mr. Trestman served as a member of the Advisory Council following his retirement from the Board in June 2010.

Director Equity Awards

A significant portion of director compensation is linked to our stock performance in the form of stock option grants. Each April, in connection with the Compensation Committee's annual review of director compensation, the Compensation Committee considers a stock option award for directors. On April 7, 2010, the Compensation Committee granted to each then-serving director, other than management directors who are eligible to participate in our equity-based compensation programs for employees, an option to purchase 10,000 shares of our common stock at an exercise price of \$44.20 per share. The grants were made under the Omnibus Plan, vested immediately on the grant date and can generally be exercised over a ten-year period. Mr. Schulze requested that he not be granted a long-term incentive award and that options to purchase the number of shares he would have received be contributed to a discretionary award pool to be distributed to our employees.

The Compensation Committee also considers stock option grants for new directors at the time they are appointed to the Board. Because annual director stock option grants are made in April, special appointment-based grants are prorated based on the number of months remaining prior to the time when the Compensation Committee expects to consider the next annual director grant.

Director Stock Ownership Guidelines

The Compensation Committee has established stock ownership guidelines for our non-management directors. Each non-management director is expected to own shares of our common stock equivalent in value to five times their annual cash retainer. Newly appointed directors have five years from their date of appointment to achieve the expected level of stock ownership.

Deferred Compensation Plan

Each calendar year, we offer our directors the opportunity to defer up to 100% of their annual and committee chair retainers under the Deferred Compensation Plan which is described in *Non-Qualified Deferred Compensation Plan* on page 55. No company contributions or matching contributions are made for the benefit of directors under the Deferred Compensation Plan.

Other Benefits

We reimburse all directors for travel and other necessary business expenses incurred in performance of their services for us. In addition, all directors are covered under a directors' and officers' indemnity insurance policy.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

It is our policy not to participate in material related party transactions with officers, directors, controlling persons and other insiders unless the transaction provides us with a demonstrable incremental benefit and the terms are competitive with terms available from unaffiliated third parties.

Pursuant to our Related Party Transactions Policy, if a related party transaction (as defined by SEC rules and the policy) involving an amount greater than \$120,000 is proposed, members of the Audit Committee who have no financial interest in the transaction review the transaction to determine whether the necessary incremental benefit is present and whether the transaction should be recommended to the Board for approval. Members of the Board who have no financial interest in the transaction then review and, if appropriate, approve the transaction. In addition, ongoing related party transactions are reviewed annually by the Audit Committee and the Board to ensure that such transactions continue to provide the necessary incremental benefit to us and have competitive terms.

We have a policy of not participating in real estate transactions with officers, directors, controlling persons and other insiders unless they are approved by the members of the Board who have no financial interest in the transaction. The Board must determine that any real estate transaction with an insider has terms that are competitive with terms available from unaffiliated third parties.

We do not have any credit arrangements between our officers, directors, controlling persons and other insiders.

Elliot S. Kaplan

Elliot S. Kaplan, director and our Secretary, is a partner with the law firm of Robins, Kaplan, Miller & Ciresi L.L.P. ("RKMC"), which serves as our primary external general counsel. Mr. Kaplan has announced his intent to not seek re-election as a director at our 2011 Meeting. The Board reviews the fees we pay to RKMC annually to ensure that they are competitive with fees charged by other law firms comparable in size and expertise. We paid approximately \$12.0 million in legal fees to RKMC during fiscal 2011. In light of Mr. Kaplan's relationship with RKMC, the Board approved the transactions with RKMC and our continued business dealings with the firm.

Jane K. Kirshbaum, Mr. Kaplan's daughter, is employed with us as Senior Corporate Counsel. Ms. Kirshbaum's base salary for fiscal 2011 was \$165,000, and she was eligible for a short-term incentive award, payable in cash, with a target payout of 30% of her base salary. Ms. Kirshbaum's total cash compensation for fiscal 2011 was \$193,946. Also during fiscal 2011, we awarded Ms. Kirshbaum options to purchase 347 shares of Best Buy common stock at an exercise price of \$44.20 per share, options to purchase 338 shares of Best Buy common stock at an exercise price of \$36.63 per share, options to purchase 338 shares of Best Buy common stock at an exercise price of \$38.32 per share, and options to purchase 338 shares of Best Buy common stock at an exercise price of \$35.67 per share. The stock options expire in April 2020, June 2020, September 2020 and January 2021, respectively, and vest ratably over four years.

Michael J. Stillman, Mr. Kaplan's step-son, is employed by us as Vice President — Best Buy Connect. Mr. Stillman's base salary for fiscal 2011 was \$221,000 and he was eligible for a short-term incentive award, payable in cash, with a target payout of 45% of his base salary. Mr. Stillman's total cash compensation for fiscal 2011 was \$284,008. Also during fiscal 2011, we awarded Mr. Stillman options to purchase 2,125 shares of Best Buy common stock at an exercise price of \$44.20 per share, options to purchase 2,125 shares of Best Buy common stock at an exercise price of \$36.63 per share, options to purchase 2,125 shares of Best Buy common stock at an exercise price of \$38.32 per share, and options to purchase 2,125 shares of Best Buy common stock at an exercise price of \$35.67 per share. The

stock options expire in April 2020, June 2020, September 2020 and January 2021, respectively, and vest ratably over four years.

Mr. Kaplan's family members were compensated at levels comparable to the compensation paid to non-family members in similar positions at our company.

Richard M. Schulze

We lease two of our U.S. Best Buy stores from Mr. Schulze, a founder of Best Buy and our Chairman of the Board. During fiscal 2011, we paid aggregate rents of approximately \$1.0 million for the two stores leased from Mr. Schulze. The leases include escalation clauses, and one provides for percentage rent based on gross sales. Depending upon our exercise of successive renewal options, the leases run through 2011 and 2018, respectively. We entered into both real estate leases with Mr. Schulze prior to 1990, and the Board approved the leases (with Mr. Schulze not voting). The Board relied on one or more of its members who had no financial interest in the properties to review market comparisons, look into alternative rental agreements and negotiate with Mr. Schulze. The Board determined that these real estate leases were in our best interest and had terms that are competitive with terms available from unaffiliated third parties. Renewals of these leases are reviewed by the Audit Committee pursuant to our Related Party Transactions Policy.

During fiscal 2011, we also leased airplanes and chartered aircraft services, on a non-exclusive basis, from entities owned by the Richard M. Schulze Revocable Trust, under trust agreement dated June 14, 2001, as amended and restated, of which Mr. Schulze is a trustee. The leases expired in fiscal 2011 and we now use such airplanes only pursuant to a block charter agreement. Annually, the Board reviews the arrangements for these airplanes to ensure that the terms are competitive with terms available from unaffiliated third parties. We pay an hourly rate for use of the airplanes, without any required fractional ownership. Our senior management generally use the airplanes when it is more economical or practical than flying commercial airlines. The total amount paid to Mr. Schulze's entities for use of the airplanes during fiscal 2011 was approximately \$854,000. All extensions or renewals of the block charter agreement are subject to a competitive bidding process to ensure fair terms.

We purchase certain store fixtures from Phoenix Fixtures, Inc. ("Phoenix"), a company owned by Mr. Schulze's brother. Our decision to conduct business with Phoenix was based on both qualitative and quantitative factors including product quality, pricing, customer service, and design flexibility. In light of Mr. Schulze's relationship with Phoenix, the Board reviewed our transactions with Phoenix and determined that the transactions were on fair terms to us and that Phoenix provides significant advantages with respect to service and delivery as compared with its competitors. Accordingly, the Board approved the transactions and our continued business dealings with Phoenix. The total amount paid to Phoenix during fiscal 2011 was approximately \$9.7 million USD and \$427,000 CAD. All transactions with Phoenix during fiscal 2011 were subject to a competitive bidding process to ensure fair prices and terms.

Susan S. Hoff, Mr. Schulze's daughter, is Founder, Chairperson and Chief Executive Officer of The Best Buy Children's Foundation, for which she has served as principal executive officer since the inception of the foundation. In addition, Ms. Hoff serves as a Vice President of our company. Ms. Hoff's base salary for fiscal 2011 was \$242,000 and she was eligible for a short-term incentive award, payable in cash, with a target payout of 45% of her base salary. During fiscal 2011, Ms. Hoff received \$298,599 in total cash compensation. Also during fiscal 2011, Ms. Hoff was awarded options to purchase 3,000 shares of Best Buy common stock at an exercise price of \$44.20 per share, options to purchase 2,850 shares of Best Buy common stock at an exercise price of \$36.63 per share, options to purchase 2,850 shares of Best Buy common stock at an exercise price of \$38.32 per share, and options to purchase 2,850 shares of Best Buy common stock at an exercise price of \$35.67 per share. The stock options expire in April 2020, June 2020, September 2020 and January 2021, respectively, and vest ratably over four years. Ms. Hoff's compensation was deemed reasonable by the Compensation Committee based upon the responsibilities encompassed by her role.

AUDIT COMMITTEE REPORT

The information contained in this Audit Committee Report shall not be deemed to be “soliciting material” or “filed” or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee is comprised of four members and acts under a written charter adopted and approved by the Board. The Audit Committee’s charter is posted on our Web site at www.bby.com — select the “Investor Relations” link and then the “Corporate Governance” link. All members of the Audit Committee meet the SEC and NYSE definitions of independence and financial literacy for audit committee members. In addition, the Board has determined that all members of the Audit Committee are “audit committee financial experts” for purposes of SEC rules. No member of the Audit Committee serves on the audit committee of more than three public companies.

Committee Meetings

The Audit Committee met ten times, including six times via conference call, during fiscal 2011. The Audit Committee schedules its meetings to ensure it has sufficient time to devote appropriate attention to all of its tasks. The Audit Committee meetings include regular executive sessions with our independent registered public accounting firm, Deloitte & Touche LLP (“D&T”), our internal auditors and management. The Audit Committee also discusses with our internal auditors and D&T the overall scope and plans for their respective audits.

Recommendation Regarding Financial Statements

The Audit Committee, on behalf of the Board, reviewed and discussed with both management and D&T our annual audited consolidated financial statements for the fiscal year ended February 26, 2011, and our quarterly operating results for each quarter in such fiscal year, along with the related significant accounting and disclosure issues. These reviews included discussions with D&T of matters required to be discussed pursuant to Statement on Auditing Standards No. 114, *The Auditor’s Communication With Those Charged With Governance*, and discussions with management about the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the consolidated financial statements.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that our annual audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended February 26, 2011, as filed with the SEC.

Auditor Independence and Pre-Approval Policy

The Audit Committee reviewed and discussed with D&T its independence from us and our management. As part of that review, the Audit Committee received from D&T the written disclosures and the letter required by applicable rules of the Public Company Accounting Oversight Board regarding independent accountants’ communications with audit committees concerning independence. In addition, the Audit Committee reviewed all services provided by and the amount of fees paid to D&T in fiscal 2011. In reliance on the reviews and discussions with management and D&T, the Audit Committee believes that the services provided by D&T were compatible with, and did not impair, its independence.

Consistent with SEC rules regarding auditor independence, the Audit Committee has responsibility for appointing, setting fees for and overseeing the work of our independent registered public accounting firm. In recognition of this

responsibility, it is the policy of the Audit Committee to pre-approve all permissible services provided by our independent registered public accounting firm except for minor audit-related engagements which in the aggregate do not exceed 5% of the fees we pay to our independent registered public accounting firm during a fiscal year.

Each year, prior to engaging our independent registered public accounting firm, management submits to the Audit Committee for approval a list of services expected to be provided during that fiscal year within each of the three categories of services described below, as well as related estimated fees, which are generally based on time and materials.

1. **Audit** services include audit work performed on the financial statements, as well as work that generally only the independent registered public accounting firm can reasonably be expected to provide, including comfort letters and discussions surrounding the proper application of financial accounting and/or reporting standards.
2. **Audit-Related** services include assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions, statutory audits, employee benefit plan audits and special procedures required to meet certain regulatory requirements.
3. **Tax** services include compliance and other non-advisory services performed by the independent registered public accounting firm when it is most efficient and effective to use such firm as the tax service provider.

As appropriate, the Audit Committee then pre-approves the services and the related estimated fees. The Audit Committee requires our independent registered public accounting firm and management to report actual fees versus the estimate periodically throughout the year by category of service. During the year, circumstances may arise when it becomes necessary to engage our independent registered public accounting firm for additional services not contemplated in the initial annual proposal. In those instances, the Audit Committee pre-approves the additional services and related fees before engaging our independent registered public accounting firm to provide the additional services.

ITEM OF BUSINESS NO. 2 — RATIFICATION OF APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

THIS SECTION SHOULD BE READ IN CONJUNCTION WITH THE “AUDIT COMMITTEE REPORT” ON PAGES 63-64.

The Audit Committee appointed Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending March 3, 2012. We will ask shareholders to ratify the appointment of D&T as our independent registered public accounting firm at the Meeting. Representatives of D&T are expected to be present at the Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Principal Accountant Services and Fees

For the fiscal years ended February 26, 2011, and February 27, 2010, D&T served as our independent registered public accounting firm. The following table presents the aggregate fees incurred for services rendered by D&T during fiscal 2011 and fiscal 2010, respectively. The fees listed below were pre-approved by our Audit Committee pursuant to the Audit Committee’s pre-approval policy described on pages 63-64:

Service Type	Fiscal 2011	Fiscal 2010
Audit Fees ⁽¹⁾	\$3,490,000	\$3,702,000
Audit-Related Fees ⁽²⁾	2,960,000	3,272,000
Tax Fees ⁽³⁾	395,000	298,000
All Other Fees	—	—
Total Fees	<u>\$6,845,000</u>	<u>\$7,272,000</u>

(1) Consists of fees for professional services rendered in connection with the audits of our consolidated financial statements and the effectiveness of our internal control over financial reporting for the fiscal years ended February 26, 2011, and February 27, 2010; the reviews of the consolidated financial statements included in each of our Quarterly Reports on Form 10-Q during those fiscal years; consultations on accounting matters; and SEC registration statements.

(2) Consists primarily of fees for statutory audit filings, as well as the audits of our retirement savings plans and foundations. Includes fees of \$1,712,000 and \$1,662,000 incurred for fiscal 2011 and fiscal 2010, respectively, for statutory audits of Best Buy Europe, in which we have a 50% controlling interest.

(3) Consists primarily of tax compliance services based on time and materials.

It is our policy that our independent registered public accounting firm be engaged to provide primarily audit and audit-related services. However, pursuant to the policy, in certain circumstances and using stringent standards in its evaluation, the Audit Committee may authorize our independent registered public accounting firm to provide tax services when it determines that D&T is the most efficient and effective tax service provider.

Board Voting Recommendation

The Board recommends that shareholders vote **FOR** the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending March 3, 2012.

If the appointment of Deloitte & Touche LLP were not to be ratified by the shareholders, the Audit Committee would not be required to appoint another independent registered public accounting firm, but would give consideration to an unfavorable vote.

ITEM OF BUSINESS NO. 3 — APPROVAL OF AN AMENDMENT TO AND RESTATEMENT OF OUR AMENDED AND RESTATED BY-LAWS

We are proposing an amendment to and restatement of our Amended and Restated By-laws. The proposed amendment to Section 1 of Article III of our by-laws would remove the maximum for the number of directors serving on the Board and expressly authorize the Board to determine the number of directors serving from time to time, but no less than annually. If the amendment is approved by the shareholders, each class of directors will consist, as nearly as possible, of one-half of the total number of directors.

The complete text of the Amended and Restated By-laws as they are proposed to be amended (“Amended By-laws”) is included in Appendix B-1 to this proxy statement. This summary does not contain all of the information that may be important to you, and is qualified in its entirety by reference to the text of the Amended By-laws. You are urged to read the Amended By-laws in their entirety.

Information about the Amendment to our By-laws

The Board has concluded that it is in the best interests of Best Buy and its shareholders to authorize the Board to determine the number of directors serving from time to time, consistent with its practice throughout the Company’s history. The Board increased the authorized number of directors over the past five years to accommodate the transition of the CEO and incoming and departing directors; however it was not the intention of the Board to maintain the increase going forward. The Board will continue to evaluate its structure to align with our company’s needs and shareholder interests, and providing the Board with the authority to change the number of directors as needed enables the Board to ensure this alignment is efficiently and effectively maintained.

Board Voting Recommendation

The Board approved the amendment to and restatement of our Amended and Restated By-Laws as described above, and recommends that shareholders vote **FOR** the amendment and restatement.

The affirmative vote of at least a majority of the voting power of the shares present, in person or by proxy, and entitled to vote (excluding broker non-votes) is required to approve the amendment to and restatement of our Amended and Restated By-laws.

IT IS INTENDED THAT, UNLESS OTHERWISE INSTRUCTED, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED “FOR” THE PROPOSAL TO AMEND AND RESTATE ARTICLE III OF THE AMENDED AND RESTATED BY-LAWS.

ITEM OF BUSINESS NO. 4 — APPROVAL OF AMENDMENTS TO THE BEST BUY CO., INC. 2004 OMNIBUS STOCK AND INCENTIVE PLAN, AS AMENDED

Information about the Plan

What is the Omnibus Plan?

The Best Buy Co., Inc. 2004 Omnibus Stock and Incentive Plan was adopted by the Board of Directors and approved by our shareholders in June 2004. Amendments to the plan were adopted by the Board of Directors and approved by our shareholders in 2007 and 2009 (as amended in 2009, the plan is referred to in this proxy statement as the “Omnibus Plan”). The Omnibus Plan is the means by which we provide long-term incentives to a broad range of our employees.

The Omnibus Plan permits the granting of stock options (including both incentive and non-qualified stock options); stock appreciation rights (“SARs”); restricted stock and restricted stock units; performance awards of cash, stock or property; dividend equivalents; and other stock grants. Eligible recipients under the Omnibus Plan include any employee, officer, consultant, advisor or director providing services to us or to any of our affiliates, who is selected by the Compensation Committee.

The Omnibus Plan is our only plan that provides for the issuance of shares of our common stock upon completion of future awards of equity based compensation. Currently, the aggregate number of shares of our common stock that may be issued under all stock-based awards made under the Omnibus Plan is 51.5 million (representing the original 16 million authorized in 2004; the 3-for-2 stock split on August 3, 2005, which increased the initial authorized amount to 24 million; the additional 14 million authorized by shareholders in 2007; and the additional 13.5 million authorized by shareholders in 2009). The maximum number of shares of common stock that may be awarded under the Omnibus Plan pursuant to grants of restricted stock, restricted stock units, dividend equivalents and other stock awards is 21 million. Our non-employee directors, as a group, may not be granted awards in the aggregate of more than 5% percent of the shares of common stock available for awards under the Omnibus Plan. As context to our annual rate of equity-based awards, it is important to note that we completed an accelerated share repurchase in fiscal 2008 to acquire \$3.0 billion in shares of common stock, thereby increasing the rate of grant and overhang.

As of February 26, 2011, approximately 3.4 million shares of our common stock remained available under the Omnibus Plan for awards in the aggregate, all of which were available for grants of restricted stock, restricted stock units and other stock awards; and 2.0 million shares of common stock remained available for awards to non-employee directors. From the adoption of the Omnibus Plan through the end of fiscal 2011, we have made equity-based awards at an annual rate of 1.3% to 1.7% of our outstanding common stock, excluding two large grants made under the Omnibus Plan in August 2008. The first of these grants was a performance-based restricted stock unit incentive (2.4 million shares) with aggressive performance targets for 20 instrumental leaders. The second was a non-routine equity-based grant (6.8 million shares) for an additional 3,700 employees concurrent with the grant to the top leaders. Combined, these grants were beyond our historical norms, and those of the retail industry, for equity-based compensation.

What is the purpose of the Omnibus Plan?

The purpose of the Omnibus Plan is to promote the interests of Best Buy and our shareholders by aiding us in motivating, attracting and retaining employees, officers, consultants, advisors and directors who we expect will contribute to our growth and financial performance. The Board believes that the combination of short-term and

long-term incentive compensation is essential in attracting, retaining and motivating individuals to enhance the likelihood of our future success. The 2011 amendments to the Omnibus Plan will allow the types and specific terms of future awards to be based on our then-current objectives for aligning compensation with shareholder value. Shareholder approval of the amendments to the Omnibus Plan will allow us to continue to award short-term and long-term incentives that achieve these goals.

What is Best Buy's long-term incentive compensation philosophy?

We believe the contributions provided by each employee, both individually and as part of a team, are key to our long-term success. Over our history, we have faced a series of challenges. The outcomes of these challenges have contributed to our growth and to our view of the role of long-term incentive compensation as a vehicle to help us overcome the challenges and to share in the success of our growth. In a company such as ours, where the growth trajectory can be uneven, innovation is the key ingredient of our ability to achieve our vision and mission. Historically, innovation has originated from many sources within our company — many of which are not top-level management. Innovative employees are not always the most highly compensated, but they typically feel a personal stake in making Best Buy a success. As we focus increasing attention on individual customer needs and aspirations, our conviction has grown that we excel in meeting the unique needs of our customers whenever we unleash the potential of all of our employees.

We use equity-based long-term incentives as one tool in inspiring our people, encouraging innovation and unleashing the individual talents of our employees. These incentives are in alignment with our Total Rewards Philosophy, which balances our strategy with cost and with what employees value. We believe that equity-based compensation can be highly effective in building an employee's personal stake in our success. Therefore, we have designed several programs, such as our Retirement Savings Plan, Employee Stock Purchase Plan, Chairman's Award Program and the Brad Anderson Legacy Stock Award Program which awards deserving employees that otherwise wouldn't be eligible for a long-term incentive award, to include equity-based components that continually reinforce the connections among our employees, customers and shareholders. Using equity-based compensation for a portion of total compensation aligns the dreams and aspirations of our employees and their families with our shareholders' interests.

In general, we have provided long-term incentives to a broader range of employees than most other large corporations have done. For example, our store managers receive long-term incentives to create a long-term ownership stake in our success. Including store managers in our long-term incentive program helps us ensure that they will act as owners and share in our long-term success as owners. In fact, including grants made during fiscal 2011, over 95% of the recipients of our long-term incentives were non-officers.

While we reward a broad base of employees, we also believe that equity-based compensation is a key component in well-designed executive compensation. Part of our long-term compensation philosophy is designed to ensure that those who perform strategic policy-making functions, and have greater responsibilities and accountability for the organization's financial success, have an ownership interest in the organization. Furthermore, when recruiting executive talent from external sources, we believe the leverage provided by equity-based compensation is an integral part of aligning the new executives' interests with the interests of our shareholders.

Why is Best Buy requesting additional shares under the Omnibus Plan now?

We are requesting a 13 million share increase in the number of shares of common stock available under the Omnibus Plan. This request is being made two years after our last request for an increase in shares subject to the Omnibus Plan. Without a replenishment of shares this fiscal year we will not have the flexibility during fiscal 2012 to maintain our long-term incentive program at current levels and make other discretionary equity awards. We believe performance-

based restricted stock grants designed to motivate our leaders to achieve specific business goals and other new hire, retention or recognition awards are critical to our ability to recruit and retain key individuals.

According to our estimates, if we make only our regular long-term incentive and director grants for fiscal 2012 and the beginning of fiscal 2013, we will be nearly out of shares before our 2012 Regular Meeting of Shareholders. Proceeding in this manner would jeopardize our ability to make additional performance-based equity awards and other discretionary grants, and potentially the ability to allow eligible employees to choose between stock options and restricted stock per the design of our long-term incentive program.

We believe that our equity-based incentive programs and our emphasis on employee stock ownership have been integral to our success in the past and are crucial to our ability to recruit, retain and motivate participants to achieve our corporate performance goals in fiscal 2012 and in the years that follow. Therefore, we believe that the proposed amendments to the Omnibus Plan are critical to our long-term performance and shareholder returns.

How is Best Buy proposing to amend the Omnibus Plan?

On April 7, 2011, the Board adopted amendments to the Omnibus Plan, subject to the approval of our shareholders, to:

- Increase the maximum number of shares of our common stock that are authorized for issuance under the Omnibus Plan (as Incentive Stock Options or otherwise) from 51.5 million to 64.5 million, and
- Proportionately increase the maximum number of shares of our common stock that may be awarded under the Omnibus Plan pursuant to grants of restricted stock, restricted stock units and other stock awards from 21 million to 26.3 million.

The Omnibus Plan also contains two clarifications, which are not subject to the approval of our shareholders, to:

- Clarify that the Board shall not use its discretion to trigger a Change in Control, and
- Clarify that dividend equivalents will not be permitted on appreciation awards (e.g. SARs and stock options), and will not be paid out on unearned performance awards.

Has the Board adopted the amendments to the Omnibus Plan?

Yes. The Board adopted the proposed amendments to the Omnibus Plan on April 7, 2011, although the amendments to increase the maximum number of shares of common stock and proportionally increase the number of shares of our common stock that may be awarded pursuant to grants of restricted stock, restricted stock units and other stock awards are subject to the approval of our shareholders. We are now asking you to approve these amendments to the Omnibus Plan. These amendments to the Omnibus Plan will become effective upon the approval of our shareholders. In the remainder of this section of the proxy statement, the Omnibus Plan, as amended by these proposed amendments, is referred to as the "amended Omnibus Plan."

What are the key features of the amended Omnibus Plan?

The material terms of the amended Omnibus Plan are summarized below. The amended Omnibus Plan has been designed to meet the requirements of Section 162(m) of the Code regarding the deductibility of executive compensation and to minimize the risk of premature income taxes and related penalties on participating employees under Section 409A of the Code.

The following summary is qualified in its entirety by reference to the full text of the amended Omnibus Plan in Appendix C-1 included with this proxy statement. A copy of the amended Omnibus Plan may also be obtained from us free of charge upon written request and is also available on our Web site at www.bby.com — select the “Investor Relations” link and then the “Corporate Governance” link.

Who is eligible to receive awards under the amended Omnibus Plan?

Eligible recipients under the amended Omnibus Plan include any employee, officer, consultant, advisor or director providing services to us or to any of our affiliates, who is selected by the Compensation Committee of the Board. As of February 26, 2011, approximately 100,000 employees were eligible to participate in the amended Omnibus Plan.

What is the term of the amended Omnibus Plan?

Unless discontinued or terminated by the Board, the amended Omnibus Plan will expire on June 23, 2014. No awards may be made after that date. However, unless otherwise expressly provided in an applicable award agreement, any award granted under the amended Omnibus Plan, and before expiration of the plan, may extend beyond the end of such period through the award’s normal expiration date.

How is the amended Omnibus Plan administered?

The Compensation Committee will administer the amended Omnibus Plan and will have full power and authority to determine when and to whom awards will be granted, and the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the amended Omnibus Plan. In addition, the Compensation Committee can specify whether, and under what circumstances, awards to be received under the amended Omnibus Plan may be deferred automatically or at the election of either the holder of the award or the Compensation Committee, if any such deferral complies with or is exempt from Section 409A of the Code. Subject to the provisions of the amended Omnibus Plan, the Compensation Committee may amend or waive the terms and conditions, or accelerate the exercisability, of an outstanding award. The Compensation Committee has authority to interpret the amended Omnibus Plan and to establish rules and regulations for the administration of the amended Omnibus Plan. In addition, the Board may exercise the powers of the Compensation Committee at any time, except with respect to the grant of awards to our executive officers.

How many shares will be available for issuance under the amended Omnibus Plan?

The aggregate number of shares of our common stock that may be issued under all equity-based awards made under the amended Omnibus Plan will be 64.5 million. Certain awards under the amended Omnibus Plan will be subject to further limitations as follows:

- The maximum number of shares of common stock that may be awarded under the amended Omnibus Plan pursuant to grants of restricted stock, restricted stock units, dividend equivalents and other stock awards will be 26.3 million.
- The maximum number of shares of common stock that may be awarded under the amended Omnibus Plan pursuant to grants of incentive stock options that are subject to the provisions of Section 422 or 424 of the Code will be 64.5 million.
- In any calendar year, no person may be granted under the amended Omnibus Plan any stock options, SARs or other awards, the value of which is based solely on an increase in the value of our common stock after the date of grant of the award, that exceed 1.5 million shares of common stock in the aggregate.

- In any calendar year, the maximum aggregate amount payable under performance awards to any employee who is covered by Section 162(m) of the Code will be \$5 million in value under the amended Omnibus Plan, whether paid in cash, shares or other property, with that dollar amount to increase after 2009 by 5% per year.
- Our non-employee directors, as a group, may not be granted awards in the aggregate of more than 5% percent of the shares of common stock available for awards under the amended Omnibus Plan.
- No non-employee director may be granted an award under the amended Omnibus Plan unless all non-employee directors receive an award with the same terms and conditions, except where the award is compensation for service on a committee of the Board and all members of that committee receive an award with the same terms and conditions, or the award is made in connection with the director's initial appointment to the Board. Only the Compensation Committee (or another committee of the Board comprised of independent directors) may grant awards to directors who are not also employees of Best Buy or an affiliate.

The Compensation Committee may adjust the number of shares of common stock and share limits described above in the case of a stock dividend or other distribution, including a stock split, merger or other similar corporate transaction or event, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the amended Omnibus Plan.

If any shares of our common stock subject to any award or to which an award relates are forfeited or are reacquired by us, or if any award terminates without the delivery of any shares, the shares previously set aside for such awards will be available for future awards under the amended Omnibus Plan.

What types of awards can be issued under the amended Omnibus Plan?

The amended Omnibus Plan permits the granting of:

- Stock options (including both incentive and non-qualified stock options),
- SARs,
- Restricted stock and restricted stock units,
- Performance awards of cash, stock or property,
- Dividend equivalents, and
- Other stock grants.

Under the amended Omnibus Plan, awards may be granted alone, in addition to, in combination with or in substitution for, any other award granted under the amended Omnibus Plan or any of our other compensation plans. Awards can be granted for no cash consideration or for cash or other consideration as determined by the Compensation Committee or as required by applicable law. Awards may provide that upon the grant or exercise thereof, the holder will receive cash, shares of our common stock or other securities, or property, or any combination of these in a single payment, in installments or on a deferred basis. The exercise price per share of common stock under any stock option and the grant price of any SAR may not be less than the fair market value of a share of common stock on the date of grant of such option or SAR, except to satisfy legal requirements of foreign jurisdictions or if the award is in substitution for an award previously granted by an entity acquired by us. Determinations of fair market value under the amended Omnibus Plan will be made in accordance with methods and procedures established by the Compensation Committee and intended to comply with or be exempt from Section 409A of the Code. The term of awards will not be longer than ten years from the date of grant.

Stock Options. The holder of an option will be entitled to purchase a number of shares of our common stock at a specified exercise price during a specified time period, all as determined by the Compensation Committee. The option exercise price may be payable either in cash or, at the discretion of the Compensation Committee, in other securities or other property having a fair market value on the exercise date equal to the exercise price. Those securities may include shares of common stock already held by the person exercising the option or, in the case of non-qualified option, shares to be received upon exercise of the option.

Stock Appreciation Rights. The holder of a SAR is entitled to receive the excess of the fair market value (calculated as of the exercise date or, at the Compensation Committee's discretion, as of any time during a specified period before or after the exercise date) of a specified number of shares of our common stock over the grant price of the SAR. SARs vest and become exercisable in accordance with a vesting schedule established by the Compensation Committee.

Restricted Stock and Restricted Stock Units. The holder of restricted stock will own shares of our common stock subject to restrictions imposed by the Compensation Committee (including, for example, restrictions on the right to transfer or vote the restricted shares or to receive any dividends with respect to the shares) for a specified time period determined by the Compensation Committee. The holder of restricted stock units will have the right, subject to any restrictions imposed by the Compensation Committee, to receive shares of our common stock, or a cash payment equal to the fair market value of those shares, at some future date determined by the Compensation Committee. The minimum vesting period for these awards is over a period of at least three years from the date of grant, unless the award is conditioned on personal performance, or our performance or that of our affiliates, in which case the award must vest over a period of at least one year from the date of grant. The Compensation Committee also may permit accelerated vesting in the case of a participant's death, disability or retirement, or a change in control of Best Buy. If the participant's employment or service terminates during the vesting period for any other reason, the restricted stock and restricted stock units will be forfeited, unless the Compensation Committee determines that it would be in our best interest to waive the remaining restrictions.

Performance Awards. Performance awards granted under the amended Omnibus Plan are intended to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code, and to comply with or be exempt from Section 409A of the Code. Performance awards give participants the right to receive payments in cash, stock or property based solely upon the achievement of certain performance goals during a specified performance period. The Compensation Committee must designate all participants for each performance period, and establish performance goals and target awards for each participant no later than 90 days after the beginning of each performance period (or if earlier, within the first 25% of the performance period) and within the parameters of Section 162(m) of the Code. Performance goals must be based solely on one or more of the following business criteria:

- Revenue;
- Cash flow;
- Gross profit;
- Earnings before interest and taxes;
- Earnings before interest, taxes, depreciation and amortization;
- Net earnings;
- Earnings per share;
- Margins, including gross profit, operating and net income margins;

- Returns, including return on assets, equity, investment, capital and revenue and total shareholder return;
- Stock price;
- Economic value added;
- Working capital;
- Market share;
- Cost reductions;
- Workforce satisfaction and diversity goals;
- Employee retention;
- Customer satisfaction;
- Completion of key projects; and
- Strategic plan development and implementation.

The measure of performance may be set by reference to an absolute standard or a comparison to specified companies or groups of companies, or other external measures, and may be applied at individual and/or organizational levels. In any calendar year, the maximum aggregate amount payable to any employee covered by Section 162(m) of the Code pursuant to awards made under the amended Omnibus Plan is \$5 million, whether paid in cash, shares or other property, with that dollar amount to increase after 2009 by 5% per year.

Dividend Equivalents. The holder of a dividend equivalent award will be entitled to receive payments (in cash, shares of our common stock, other securities or other property) equivalent to the amount of cash dividends paid by us to our shareholders, with respect to the number of shares of common stock determined by the Compensation Committee. Dividend equivalents will be subject to other terms and conditions as determined by the Compensation Committee. Dividend equivalents are not permitted on appreciation awards (e.g. SARs and stock options), and will not be paid out on unearned performance awards.

Other Stock Awards. The Compensation Committee may grant unrestricted shares of our common stock, subject to terms and conditions determined by the Compensation Committee and the amended Omnibus Plan limitations.

May awards be transferred?

Unless otherwise provided by the amended Omnibus Plan, no award (other than shares of unrestricted stock) granted under the amended Omnibus Plan, and no right under any such award, will be transferable by a participant without consideration except by will or by the laws of descent and distribution.

May awards be re-priced?

Without the approval of our shareholders, no option or SAR may be amended to reduce its initial exercise or grant price, and no option or SAR may be canceled and replaced with an option, SAR or other award having a lower exercise price, except in connection with a stock dividend or other distribution, including a stock split, merger or other similar corporate transaction or event, in order to prevent dilution or enlargement of the benefits, or potential benefits intended to be provided under the amended Omnibus Plan.

May the amended Omnibus Plan be amended further?

Yes. The Board may amend, alter, suspend, discontinue or terminate the amended Omnibus Plan at any time, except that prior shareholder approval will be required for any amendment to the amended Omnibus Plan that:

- Requires shareholder approval under the rules or regulations of the NYSE or any other securities exchange that are applicable to us;
- Increases the number of shares of common stock authorized under the amended Omnibus Plan (except in the case of a stock split or other recapitalization);
- Increases the number of shares of common stock subject to the award limitations described above under “How Many Shares Are Available for Issuance under the Amended Omnibus Plan?” (except in the case of a stock split or other recapitalization);
- Permits re-pricing of outstanding stock options or SARs (except in the case of a stock split or other recapitalization);
- Permits the award of stock options or SARs with an exercise price less than 100% of the fair market value of a share of our common stock on the date of grant (except to satisfy legal requirements of foreign jurisdictions or if the award is in substitution for an award previously granted by an entity acquired by us);
- Expands the classes or categories of persons eligible to receive awards under the amended Omnibus Plan; or
- Would cause the performance-based compensation exception under Section 162(m) of the Code to become unavailable with respect to awards under the amended Omnibus Plan.

Subject to the provisions of the amended Omnibus Plan or an award agreement, the Compensation Committee may not amend any outstanding award agreement without the participant’s consent, if the action would adversely affect the participant’s rights.

What are the federal income tax consequences of awards under the amended Omnibus Plan?

Grant of Options and SARs. The grant of a stock option or SAR is not expected to result in any taxable income for the recipient.

Exercise of Options and SARs. When the holder of a non-qualified stock option exercises the option, the holder must recognize ordinary income equal to the excess of the fair market value of the shares of our common stock acquired on the date of exercise over the exercise price, and we will generally be entitled at that time to an income tax deduction for the same amount. The holder of an incentive stock option generally will have no taxable income upon exercising the option (except that an alternative minimum tax liability may arise), and we will not be entitled to an income tax deduction. Upon exercising a SAR, the amount of any cash received and the fair market value on the exercise date of any shares of our common stock received are taxable to the recipient as ordinary income and generally deductible by us.

Disposition of Shares Acquired Upon Exercise of Options and SARs. The tax consequence upon a person’s disposition of shares of common stock acquired through the exercise of an option or SAR will depend on how long the shares have been held, and whether the shares were acquired by exercising an incentive stock option or by exercising a non-qualified stock option or SAR. Generally, there will be no tax consequence to us in connection with a person’s disposition of shares of common stock acquired under an option or SAR, except that we may be entitled to an income

tax deduction in the case of the disposition of shares acquired under an incentive stock option before the applicable incentive stock option holding periods set forth in the Code have been satisfied.

Awards Other Than Options and SARs. As to other awards granted under the Omnibus Plan that are payable either in cash or shares of our common stock that are either transferable or not subject to substantial risk of forfeiture, the holder of the award must recognize ordinary income equal to (a) the amount of cash received or, as applicable; (b) the excess of (i) the fair market value of the shares received (determined as of the date of receipt) over (ii) the amount (if any) paid for the shares by the holder of the award. We will generally be entitled at that time to an income tax deduction for the same amount.

As to an award that is payable in shares of our common stock that are restricted from transfer and subject to substantial risk of forfeiture unless a special election is made by the holder of the award under the Code, the holder must recognize ordinary income equal to the excess of (i) the fair market value of the shares received (determined as of the first time the shares become transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (ii) the amount (if any) paid for the shares by the holder of the award. We will generally be entitled at that time to an income tax deduction for the same amount.

Our Income Tax Deduction. Subject to the usual rules concerning reasonable compensation, and assuming that, as expected, performance awards paid under the amended Omnibus Plan are “qualified performance-based compensation” within the meaning of Section 162(m) of the Code, we will generally be entitled to a corresponding income tax deduction at the time a participant recognizes ordinary income from awards made under the amended Omnibus Plan. However, we will not receive any income tax deduction when a participant recognizes capital gain income upon disposition of shares of common stock received pursuant to an incentive stock option or any other form of award.

Delivery of Shares for Tax Obligation. Under the amended Omnibus Plan, the Compensation Committee may permit participants receiving or exercising awards, subject to the discretion of the Compensation Committee and upon such terms and conditions as it may impose, to deliver to us shares of common stock (either shares received upon the receipt or exercise of the award, or shares previously owned by the holder of the option) to satisfy federal and state income tax obligations.

Section 409A of the Code. The Compensation Committee will administer and interpret the amended Omnibus Plan and all award agreements in a manner intended to satisfy the requirements of Section 409A of the Code, so as to minimize the risk of any adverse tax results thereunder to a holder of an award. If any provision of the amended Omnibus Plan or any award agreement would result in such adverse consequences, the Compensation Committee may amend that provision or take other reasonably necessary action to minimize the participants’ risk of any adverse tax results; no such action shall be deemed to impair or otherwise adversely affect the rights of an holder of an award under the amended Omnibus Plan.

What future awards will be granted under the amended Omnibus Plan?

The number and types of awards that will be granted in the future under the amended Omnibus Plan are not determinable, as the Compensation Committee will make these determinations in its sole discretion. The closing price of a share of our common stock as reported on the NYSE on May 18, 2011, was \$32.22. No awards granted under the Omnibus Plan before the date of the Meeting have been made subject to shareholder approval of the amended Omnibus Plan.

Board Voting Recommendation

Upon the recommendation of management, the Board adopted the amendments to and restated the Best Buy Co., Inc. 2004 Omnibus Stock and Incentive Plan, as amended, to (a) increase the number of shares of our common stock subject to the plan and (b) proportionally increase the maximum number of shares of our common stock that may be subject to grants of restricted stock, restricted stock units and other stock awards under the Omnibus Plan. The Board recommends that the shareholders vote **FOR** the approval of these amendments and the restatement of the Omnibus Plan.

The affirmative vote of the holders of a majority of the voting power of the shares of our common stock present, in person or by proxy, and entitled to vote (excluding broker non-votes), is required to approve the amendments to and restatement of the Omnibus Plan, as described above.

IT IS INTENDED THAT, UNLESS OTHERWISE INSTRUCTED, THE SHARES REPRESENTED BY THE PROXY (OTHER THAN BROKER NON-VOTES) WILL BE VOTED "FOR" APPROVAL OF THE AMENDMENTS TO THE BEST BUY CO., INC. 2004 OMNIBUS STOCK AND INCENTIVE PLAN, AS AMENDED REGARDING THE NUMBERS OF SHARES THAT MAY BE ISSUED PURSUANT TO THE PLAN AND PURSUANT TO CERTAIN TYPES OF AWARDS UNDER THE PLAN.

ITEM OF BUSINESS NO. 5 — APPROVAL OF BEST BUY CO., INC. EXECUTIVE SHORT-TERM INCENTIVE PLAN

In accordance with Section 162(m) of the Internal Revenue Code and the corresponding regulations, we are seeking shareholder approval of the new Best Buy Co., Inc. Short-Term Incentive Plan, or STIP, as it applies to our CEO and each of our four other most highly compensated executive officers other than the CEO and CFO (collectively, the “Covered Employees”). The STIP, if approved by our shareholders, will replace the short-term incentive, as described above in our CD&A. A copy of the STIP, as adopted by the Board on April 7, 2011, is included with this proxy statement as Appendix D-1. A copy of the STIP may also be obtained from us free of charge upon written request and is also available on our Web site at www.bby.com — select “Investor Relations” link and then the “Corporate Governance” link.

Purpose of the Plan

Section 162(m) of the Code has the effect of eliminating a federal income tax deduction for annual compensation in excess of \$1 million paid by us (or our affiliates) to any Covered Employee each year unless that compensation is paid on account of attainment of one or more “performance-based” goals. One requirement for compensation to be performance-based is that compensation is paid or distributed pursuant to a plan that has been approved by the shareholders. The purpose of the STIP is to set the performance goals and the maximum award payable under the STIP and to preserve for us the federal income tax deductibility of incentive compensation earned by Covered Employees.

The STIP is consistent with our emphasis on performance-based compensation and our current compensation philosophy. Moreover, the STIP is intended to:

- (a) align the interests of the participants and our shareholders and motivate participants to put forth maximum efforts for the success of our business;
- (b) provide cash incentives based on short-term results that are key to the success of our business;
- (c) attract and retain the services of the employees capable of assuring our future success; and
- (d) preserve, to the extent possible, the tax deductibility of executive compensation.

Summary of the Plan

The principle features of the STIP are summarized below, but the summary is qualified in its entirety by reference to the STIP itself.

The Compensation Committee, which is composed solely of independent directors, will administer and have the authority to interpret the STIP as it applies to Covered Employees and other officer-level participants who are designated as participants in the STIP by the Compensation Committee at the beginning of the applicable performance period. Prior to the beginning of each performance period, or within the first 90 days of each performance period that is at least twelve months in duration, or with respect to performance periods that are less than twelve months in duration, before 25% of the performance period has elapsed, the Compensation Committee will establish an individual target award for each STIP participant designated by the Compensation Committee, including the Covered Employees. Each individual target award is expressed as a percentage of an award pool. The maximum award pool is 5% of our adjusted net earnings for each performance period that is at least twelve months in duration. The award pool is adjusted up or down in accordance with the STIP if the performance period is more than twelve months or less than twelve months, respectively, in duration. The maximum dollar amount that may be paid to any Covered Employee is

\$10,000,000 for each performance period that is at least twelve months in duration. The maximum dollar amount is adjusted up or down in accordance with the STIP if the performance period is more than twelve months or less than twelve months, respectively, in duration. Subject to the foregoing maximum, actual awards may be paid at target, above target or below target depending on our financial performance. The Compensation Committee may designate performance periods that are longer or shorter than our fiscal year.

The Compensation Committee reserves discretion under the STIP to adjust individual target awards upward or downward based on individual performance during the performance period. Notwithstanding the foregoing, the exercise of negative discretion by the Compensation Committee with respect to a participant shall not result in an increase in the amount payable to any other participant.

At the end of each performance period and before any STIP award is paid to a Covered Employee, the Compensation Committee will be responsible for certifying performance with respect to the target awards and corresponding performance criteria and making final determinations of incentive payments for Covered Employees.

STIP participants must be employed through the last day of the performance period in order to receive a STIP award payment. In the case of a participant on an approved leave of absence during the performance period, the participant will receive a prorated award. Awards under the STIP may be paid in cash or restricted stock. Cash awards paid under the STIP are eligible for deferral under, and in accordance with the terms and conditions of, the Deferred Compensation Plan. Restricted stock awards paid under the STIP are issued pursuant to the Omnibus Plan.

At any time, the Board may suspend or terminate the STIP and the Compensation Committee may amend the STIP, subject to shareholder approval to the extent required under Section 162(m) of the Code.

Board Voting Recommendation

Upon the recommendation of management, the Board adopted the Best Buy Co., Inc. Short-Term Incentive Plan. The Board recommends to the shareholders that they vote **FOR** the approval of the STIP.

The affirmative vote of the holders of a majority of the voting power of the shares of our common stock present, in person or by proxy, and entitled to vote (excluding broker non-votes), is required to approve the Best Buy Co., Inc. Short-Term Incentive Plan.

IT IS INTENDED THAT, UNLESS OTHERWISE INSTRUCTED, THE SHARES REPRESENTED BY THE PROXY (OTHER THAN BROKER NON-VOTES) WILL BE VOTED "FOR" APPROVAL OF THE BEST BUY CO., INC. SHORT TERM INCENTIVE PLAN.

ITEM OF BUSINESS NO. 6 — ADVISORY VOTE ON EXECUTIVE COMPENSATION

Our Board is committed to promoting the best interests of our shareholders through excellence in governance. As part of that commitment and as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Exchange Act, we are providing our shareholders with an opportunity to cast an advisory vote, a “Say on Pay,” regarding the fiscal 2011 compensation of our NEOs, as described in the “Executive and Director Compensation” section of this proxy statement.

Information about the Advisory Vote on Executive Compensation

The Compensation Committee establishes, recommends and governs all of the compensation and benefits policies and actions for the Company’s NEOs, as defined in the “Executive Summary” of our CD&A on page 30. While the advisory vote on executive compensation is not binding on us, it will provide useful information to our Board and the Compensation Committee regarding our shareholders’ view of our executive compensation philosophy, policies and practices. The Board is not required by law to take any action in response to our shareholders’ advisory vote on executive compensation; however, the Compensation Committee values our shareholders’ opinions and will take the results of the advisory vote into consideration when determining the future compensation arrangements for our NEOs. To the extent there are significant negative “Say on Pay” advisory votes, we plan to consult directly with shareholders to better understand the concerns that influenced the vote and consider constructive feedback in making future decisions about our executive compensation program.

We believe our fiscal 2011 executive compensation program reflects best practices and balances risk and reward in relation to our overall business strategy. It is focused on pay for performance and seeks to mitigate risks related to compensation in order to further align management’s interests with shareholders’ interests in long-term value creation. Our executive compensation program reflects the following risk mitigation practices: pay for performance; time matching; balancing inputs to value certain and observed outcomes; goal diversification; payment caps; and clawbacks. Our executive compensation program does not provide guaranteed employment, compensation, or bonuses for NEOs. In addition, we have no employment or golden parachute agreements with any of our NEOs and therefore, no excise tax gross-ups.

Accordingly, we ask that our shareholders cast an advisory vote to approve the following resolution:

RESOLVED, that the shareholders of this corporation approve, on an advisory basis, the compensation of the named executive officers for the fiscal year ended February 26, 2011, as described in the “Compensation Discussion and Analysis” section of and the compensation tables and related material disclosed in the corporation’s proxy statement for its 2011 Regular Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

Board Voting Recommendation

Our Board recommends an advisory vote **FOR** approval of the fiscal 2011 compensation of our NEOs as disclosed in this proxy statement pursuant to the SEC’s compensation disclosure rules.

The affirmative vote of at least a majority of the voting power of the shares present, in person or by proxy, and entitled to vote (excluding broker non-votes) is required for advisory approval of our executive compensation. **IT IS INTENDED THAT, UNLESS OTHERWISE INSTRUCTED, THE SHARES REPRESENTED BY PROXY (OTHER THAN BROKER NON-VOTES) WILL BE VOTED “FOR” THE ADVISORY VOTE ON EXECUTIVE COMPENSATION.**

ITEM OF BUSINESS NO. 7 — ADVISORY VOTE ON FREQUENCY OF SHAREHOLDER ADVISORY VOTES ON THE COMPANY'S EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Exchange Act also require that at least once every six years, shareholders may vote on whether the advisory "Say on Pay" vote should occur every year, every two years or every three years, or shareholders may abstain from voting. Pursuant to Section 14A of the Exchange Act, we are giving our shareholders the opportunity to inform us as to how often they wish to cast an advisory "Say on Pay" vote, like Proposal No. 6, above.

Our Board values and encourages constructive dialogue with our shareholders on compensation and other important governance topics. The Board believes that holding the vote every three years furthers our goal to tie our compensation programs to the long-term performance of our company. For example, many of our compensation programs, option grants and other special awards are all contingent upon the satisfaction of multi-year performance or time-vesting conditions. We believe this long-term focus is particularly appropriate given the cyclical nature of our industry and the impact of forces external to our business on our results, including product cycles and new product introductions. Holding an advisory "Say on Pay" vote more frequently than every three years would not permit our shareholders to fully assess the effectiveness of our compensation programs in incenting our NEOs to perform with the long-term interests of our shareholders in mind, rather than their own opportunity for short-term gain. Moreover, an advisory vote every three years would give the Compensation Committee more time to understand a shareholder sentiment, engage in dialogue with shareholders and respond to the results of the vote with meaningful changes to our compensation programs, as appropriate.

Board Voting Recommendation

Our Board recommends an advisory "Say on Pay" vote every three years (also called a "triennial" vote), which it believes will be the most effective means for conducting and responding to such a vote. **Therefore, the Board recommends that the shareholders vote to hold the advisory "Say on Pay" vote every THREE years.** If the shareholders adopt the Board's recommendation, we would hold the next "Say on Pay" advisory vote at our 2014 annual meeting. Note, however, that shareholders are not voting on whether to approve or disapprove the Board's recommendation, rather shareholders are being asked to affirmatively select the option to cast an advisory "Say on Pay" vote every one, two or three years, or to abstain.

We plan to treat the option, if any, selected by the affirmative vote of at least a majority of the voting power of the shares present, in person or by proxy, and entitled to vote (excluding broker non-votes) as the nonbinding option approved by the shareholders. While our Board intends to carefully consider the shareholder vote on this proposal, the vote is advisory in nature and will not be binding on us.

IT IS INTENDED THAT, UNLESS OTHERWISE INSTRUCTED, THE SHARES REPRESENTED BY THE PROXY (OTHER THAN BROKER NON-VOTES) WILL BE VOTED TO HOLD THE ADVISORY "SAY ON PAY" VOTE EVERY THREE YEARS.

ITEM OF BUSINESS NO. 8 — SHAREHOLDER PROPOSAL ON BOARD DECLASSIFICATION

The Board recommends that you vote AGAINST the shareholder proposal set forth below:

The Florida State Board of Administration, an investment manager for the Florida Retirement System, a beneficial owner of 914,835 shares of our Common Stock, intends to submit a resolution to shareholders for approval at the Meeting. We will provide the proponent's address to any shareholder promptly upon receiving an oral or written request. The affirmative vote of a majority of the shares voted at the meeting is required for approval of the shareholder proposal. The text of the proponent's resolution and supporting statement appear below, printed verbatim from its submission, and we accept no responsibility for it:

"RESOLVED, that shareholders of Best Buy Co., Inc. urge the Board of Directors to take all necessary steps (other than any steps that must be taken by shareholders) to eliminate the classification of the Board of Directors and to require that all directors elected at or after the annual meeting held in 2012 be elected on an annual basis. Implementation of this proposal should not prevent any director elected prior to the annual meeting held in 2012 from completing the term for which such director was elected.

SUPPORTING STATEMENT

This resolution, submitted by the Florida State Board of Administration with the assistance of the American Corporate Governance Institute, LLC, urges the board of directors to facilitate a declassification of the board. Such a change would enable shareholders to register their views on the performance of all directors at each annual meeting. Having directors stand for elections annually makes directors more accountable to shareholders, and could thereby contribute to improving performance and increasing firm value.

Over the past decade, many S&P 500 companies have declassified their board of directors. According to FactSet Research Systems, between 2000 and 2009, the number of S&P 500 companies with classified boards declined from 300 to 164. Furthermore, according to Georgeson reports, there were 187 shareholder proposals to declassify boards during the five proxy seasons of 2006 through 2010. The average percentage of votes cast in favor of proposals to declassify exceeded 65% in each of these five years.

The significant shareholder support for proposals to declassify boards is consistent with evidence in academic studies that classified boards could be associated with lower firm valuation and/or worse corporate decision-making. Studies report that:

- takeover targets with classified boards are associated with lower gains to shareholders (Bebchuk, Coates, and Subramanian, 2002);
- classified boards are associated with lower firm valuation (Bebchuk and Cohen, 2005);
- firms with classified boards are more likely to be associated with value-decreasing acquisition decisions (Masulis, Wang, and Xie, 2007); and
- classified boards are associated with lower sensitivity of compensation to performance and lower sensitivity of CEO turnover to firm performance (Faleye, 2007).

Although one study (Bates, Becher and Lemmon, 2008) reports that classified boards are associated with higher takeover premiums, this study also reports that classified boards are associated with a lower likelihood of an acquisition, and that classified boards are associated with lower firm valuation."

BOARD OF DIRECTORS STATEMENT IN OPPOSITION TO SHAREHOLDER PROPOSAL

All of the members of our Board recommend that you vote AGAINST this shareholder proposal. The Board believes that the proposal is not in the best interests of Best Buy and our shareholders and opposes the proposal for the reasons discussed below.

Best Buy's directors, serving under a classified board structure since our initial listing on a public exchange, have served the shareholders very well. Our Board has carefully considered the shareholder proposal and the arguments for and against a classified board. The Board has concluded that our classified board structure continues to be in the best interests of Best Buy and our shareholders.

Best Buy's Combination of Superior Performance and Strong Business Ethics and Governance. The proponent cites studies which link classified boards with lower firm valuation and/or inferior corporate decision-making as an argument to change our current board structure. Our company has demonstrated both superior performance and high business ethics including strong corporate governance practices.

Over time, we have outperformed the market:

- Since 1985, the year our stock debuted on an exchange with a classified board structure, through March 15, 2011, our stock price has grown at a 19% compounded annual growth rate ("CAGR"), as compared to a 7% CAGR for the S&P 500.
- For the twenty-six-year period 1985 through 2011, Best Buy's total stock return has appreciated 20,993%, as compared to 616% for the S&P 500's. (Both performance periods reflect cumulative price appreciation, including dividends.)
- Our share performance has exceeded the S&P 500 in twelve of the last 20 years.

More recent history also demonstrates our strong performance:

- For the five-year period from fiscal 2006 through fiscal 2011, our revenue has increased 63% and our diluted earnings per share have increased 35.7%.
- We instituted an annual dividend in 2003 and have consistently maintained or increased the dividend rate since its institution for seven consecutive years.

Our commitment to strong business ethics is illustrated by the recognition we have received. We received numerous accolades over the years for the way we conduct business, including the following recent recognitions:

- We have routinely been named to the Fortune "Most Admired Companies" list. In 2010, we placed 37th overall and 2nd among Specialty Retailers on the list.
- We have been named one of the "World's Most Ethical Companies" by Ethisphere magazine for the past three consecutive years. The list is composed of companies that use ethical leadership as a purposeful method to drive profits and growth.
- We garnered top honors in 2010 as The Corporate Governance Team of the Year for "large cap" companies from *Corporate Secretary* due to our focused commitment to pursuing corporate governance changes that improve shareholder communications and foster greater transparency, positive interactions and dialogue between the Board and shareholders.

Classified Board Supports Long-Term Strategic Perspectives. We believe that our current board structure allows our directors to develop a deeper familiarity of our business and encourages long-term, strategic thinking. At the same

time, the structure holds the directors accountable to our shareholders, as the entire Board is subject to re-election as early as 53 weeks from any regular meeting of shareholders. Moreover, we believe that our two-year terms promote continuity and foster an appropriate “institutional memory” among directors. This continuity is especially critical due to the complexity of our business and speed of the industry in which we operate.

Classified Board Enhances Shareholder Value in the Event of an Unsolicited Acquisition Offer. Our current board structure reduces our vulnerability to potentially unfair and abusive takeover tactics and encourages potential acquirers to negotiate with our Board. A classified board structure does not preclude unsolicited acquisition proposals. However, by eliminating the threat of imminent removal, it allows the directors to maximize the value of a potential acquisition by giving us time and bargaining leverage to evaluate and negotiate the adequacy and fairness of any takeover proposal and to consider alternatives, including the continued operation of our business.

Best Buy Directors Accountable to Shareholders. Under the Minnesota Business Corporation Act, all directors are required to uphold their fiduciary duties to our shareholders, regardless of how often they stand for election. Additionally, any director, or the entire Board, may be removed from office at any time if there is “cause” for the removal. As a result, the stability and continuity benefits of a classified board structure do not require any sacrifices of director accountability.

Shareholders should be aware that approval of the shareholder proposal may not declassify the Board. Consistent with its fiduciary duties, if shareholders voted in favor of the proposal, the Board would reconsider its position with respect to our classified board structure. However, such a vote will not necessarily cause the Board to alter its position. Should the Board determine to declassify the Board, it would need to submit a proposal to the shareholders for approval of an amendment to the relevant section of our Amended and Restated Articles of Incorporation, following which the affirmative vote of a majority of the then outstanding shares of our common stock would be required to approve the proposed amendment.

Board Voting Recommendation

The Board recommends that shareholders vote **AGAINST** the shareholder proposal.

The affirmative vote of at least a majority of the voting power of the shares present, in person or by proxy, and entitled to vote (excluding broker non-votes) is required to approve the shareholder proposal.

IT IS INTENDED THAT, UNLESS OTHERWISE INSTRUCTED, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED “AGAINST” THE SHAREHOLDER PROPOSAL TO DECLASSIFY OUR BOARD OF DIRECTORS.

OTHER BUSINESS

Management and the Board are not aware of any other item of business that will be addressed at the Meeting. If any other item of business is properly brought before the Meeting, the Proxy Agents will vote the shares they represent as the Board recommends.

PROPOSALS FOR THE NEXT REGULAR MEETING OF SHAREHOLDERS

Any shareholder proposal intended to be presented for consideration at our 2012 Regular Meeting of Shareholders and to be included in our proxy statement for that meeting must be received no later than January 9, 2012, at our principal executive office, addressed as follows:

Any shareholder proposal received after that date and intended to be presented for consideration at our 2012 Regular Meeting of Shareholders, though not included in our proxy statement for that meeting, will be considered untimely if received after February 22, 2012. In the event of an untimely proposal, our designated proxy agents may have discretionary authority to vote on such proposal.

The Committee will also review with

management and the independent auditor their judgments about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements. Additionally, the Committee will discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditor under generally accepted auditing standards. Following completion of the annual audit, the Committee will review the independent auditor's recommendations to management as well as the results of procedures performed.

C. *Legal and Ethical Compliance*

1. The Committee will establish procedures for the receipt, retention and treatment of complaints received regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. In addition, if appropriate, the Committee will periodically receive Company attorneys' reports of evidence of material violations of securities laws, or breaches of fiduciary duty.
2. The Committee will evaluate the Company's policies and procedures to assess, monitor and manage legal and ethical compliance programs, including the Company's Code of Business Ethics and Related Party Transactions Policy. The Committee will also review material related party transactions.
3. The Committee will also discuss with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies.

The Committee will also undertake such additional activities as the Committee may from time to time determine or as may otherwise be required by law, the company's articles or by-laws or directive of the Board.

The Committee will make regular reports to the Board and will recommend any proposed actions to the Board for approval as necessary. The Committee will review and reassess the adequacy of this Charter at least annually and recommend any proposed changes to the Board for approval and cause the Charter to be approved at least once every three years in accordance with the regulations of the SEC.

The Committee will at least annually evaluate its own performance to determine whether it is functioning effectively.

The primary responsibility of the Committee is to oversee the Company's financial reporting process and report the results of its activities to the Board. Management is responsible for preparing the Company's financial statements and the independent auditor is responsible for auditing those financial statements. In carrying out its oversight responsibilities, the Committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and with the objective of assessing whether the Company's accounting and financial reporting practices are in accordance with all requirements and are of the highest quality.

Section 4. Waiver of Notice.

Notice of the time, place and purpose of any meeting of shareholders, whether required by Chapter 302A, the corporation's Articles of Incorporation or these By-laws may be waived by any shareholder. Such waiver may be given at, before or after the meeting, and may be given in writing, orally or by attendance. Attendance by a shareholder at a meeting shall constitute a waiver of notice of that meeting, except where the shareholder objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened, or objects before a vote on an item of business because the item may not lawfully be considered at the meeting and does not participate in consideration of the item at the meeting.

If a quorum is present when a duly called or held meeting is convened the shareholders present may continue to transact business until adjournment, even though the withdrawal of a number of shareholders originally present leaves less than the proportion or number otherwise required for a quorum.

Section 7. Record Date.

The Board of Directors may fix a time not exceeding sixty (60) days preceding the date of any meeting of the shareholders as a record date for the determination of the shareholders entitled to notice of and to vote at such meeting, notwithstanding any transfer of any shares on the books of the corporation after any record date so fixed.

Upon the demand of any shareholder, the vote for directors or the vote upon any question before the meeting shall be by ballot. All elections shall be had and all questions decided by a majority vote of those present except as otherwise required by Chapter 302A or the corporation's Articles of Incorporation.

Section 9. Advance Notice of Shareholder Proposals.

- A.** The business conducted at a meeting of shareholders is limited to only such business as is appropriate for consideration at the meeting and as shall have been brought before the meeting (i) by or at the direction of the Board of Directors or (ii) by a shareholder who complies with the procedures set forth in this Section 9.
- B.** For business, including director nominations, to be properly brought before a meeting of shareholders by a shareholder, the shareholder must have given timely notice in writing to the Secretary of the corporation. Notice shall only be deemed to have been submitted on the date on which all of the following written information has been received by the Secretary of the corporation:
 - (a) a complete description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting;

ARTICLE III BOARD OF DIRECTORS

Section 1. Election of Directors.

The business and affairs of this corporation shall be managed by or under the direction of its Board of Directors which shall be comprised of one or more members, and the number of directors may be increased or decreased from time to time, but no less often than annually, by the affirmative vote of a majority of directors serving at the time the action is taken; provided, however, that no decrease in the number of directors shall result in the removal of a director except a director named by the Board of Directors to fill a vacancy. Each director shall be elected to serve for a term of two (2) years and until his/her successor shall have been duly elected and qualified. The directors shall be divided into two classes, designated Class 1 and Class 2. Each class shall consist, as nearly as possible, of one-half of the total number of directors constituting the entire Board of Directors. Class 1 directors shall be elected in even numbered years and Class 2 directors shall be elected in odd numbered years. Except as to the year in which elected, the powers, privileges, duties and responsibilities of each Class 1 and Class 2 director shall be alike in every respect.

Section 2. Shareholder Management.

Any action that the Articles of Incorporation or By-laws of this corporation or Chapter 302A require or permit the Board of Directors to take or the shareholders to take after action or approval of the Board, may be taken by the holders of the voting shares of the corporation by unanimous affirmative vote.

Section 3. Meetings.

A. Time and Place. Meetings of the Board of Directors shall be held at such time and place as determined by the Board.

B. Notice. Meetings of the Board of Directors may be called at any time by a director by giving five (5) days notice to all directors of the date, time and place of the meeting. The notice need not state the purpose of the meeting. Notice of an adjourned meeting need not be given other than by announcement at the meeting at which adjournment is taken.

C. Waiver of Notice. A director may waive notice of a meeting of the Board of Directors. A waiver of notice by a director entitled to notice is effective whether given before, at, or after the meeting, and whether given in writing, orally, or by attendance. Attendance by a director at a meeting is a waiver of notice of that meeting, except where the director objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened and does not participate thereafter in the meeting.

D. Electronic Communications. The Board of Directors may meet by means of electronic communication in accordance with Chapter 302A.

E. Quorum. At all meetings of the Board of Directors, a majority of the directors shall be necessary and sufficient to constitute a quorum for the transaction of business.

F. Advance Written Consent. A director may give advance written consent or opposition to a proposal to be acted on at a meeting of the Board of Directors. If the director is not present at the meeting, consent or opposition to a proposal does not constitute presence for purposes of determining the existence of a quorum, but consent or opposition shall be counted as the vote of a director present at the meeting in favor of or against the proposal and shall be entered in the minutes or other record of action at the meeting, if the proposal acted on at the meeting is

substantially the same or has substantially the same effect as the proposal to which the director has consented or objected.

Section 4. Vacancies.

A. Death, Resignation, Removal or Disqualification. Vacancies on the Board of Directors resulting from the death, resignation, removal, or disqualification of a director may be filled by the affirmative vote of a majority of the remaining directors, even though less than a quorum.

B. Newly Created Directorships. Vacancies on the Board of Directors resulting from newly created directorships may be filled by the affirmative vote of a majority of the directors serving at the time of the increase.

C. Duration of Term. A director elected under this section to fill a vacancy holds office until a qualified successor is elected by the shareholders at the next meeting of the shareholders.

Section 5. Committees.

The Board of Directors, by resolution approved by the affirmative vote of a majority of the Board, may establish committees having the authority of the Board in the management of the business of the corporation to the extent provided in the resolution. A committee member need not be a director.

Section 6. Authorization Without Meeting.

Any action required or permitted to be taken at a meeting of the Board of Directors may be taken without a meeting if authorized by a writing or writings signed by a majority of the directors. The written action is effective when signed by the required number of directors, unless a different effective time is provided in the written action.

ARTICLE IV OFFICERS

Section 1. Election, Term; Number.

The officers of the corporation shall be elected or appointed by the Board of Directors; provided, however, that the Board may delegate to one or more of its committees its authority to elect or appoint officers other than the Chairman of the Board and the Chief Executive Officer. - (a) Power and Authority of the Committee. The Plan shall be administered by the Committee. Subject to the express provisions of the Plan and to applicable law, the Committee shall have full power and authority to: (i) designate Participants; (ii) determine the type or types of Awards to be granted to each Participant under the Plan; (iii) determine the number of Shares to be covered by (or the method by which payments or other rights are to be determined in connection with) each Award; (iv) determine the terms and conditions of any Award or Award Agreement; (v) amend the terms and conditions of any Award or Award Agreement and accelerate the exercisability of any Option or waive any restrictions relating to any Award; (vi) determine whether, to what extent and under what circumstances Awards may be exercised in cash, Shares, other securities, other Awards or other property, or canceled, forfeited or suspended; (vii) determine whether, to what extent and under what circumstances cash, Shares, other securities, other Awards, other property and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the holder thereof or the Committee; (viii) interpret and administer the Plan and any instrument or agreement, including any Award Agreement, relating to the Plan; (ix) establish, amend, suspend or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; and (x) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations and other decisions under or with respect to the Plan or any Award or Award Agreement shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon any Eligible Person and any holder or beneficiary of any Award.
- (b) Power and Authority of the Board. Notwithstanding anything to the contrary contained herein, (i) the Board may, at any time and from time to time, exercise the powers and duties of the Committee under the Plan without any further action of the Committee, unless the exercise of such powers and duties by the Board would cause the Plan not to comply with the requirements of Section 162(m); and (ii) only the Committee (or another committee of the Board comprised of directors who qualify as independent directors within the meaning of the independence rules of the New York Stock Exchange or any other securities exchange applicable to the Company) may grant Awards to Directors who are not also employees of the Company or an Affiliate.

Section 4. Shares Available for Awards

- (a) Shares Available. Subject to adjustment as provided in Section 4(c) of the Plan, the aggregate number of Shares that may be issued under the Plan shall be 64,500,000.
- (b) Accounting for Awards. For purposes of this Section 4, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan. If an Award terminates or is forfeited or cancelled without the issuance of any Shares, or if any Shares covered by an Award or to which an Award relates are not issued for any other reason, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such termination, forfeiture, cancellation or other event, shall again be available for granting Awards under the Plan. If Shares of Restricted Stock are forfeited or otherwise reacquired by the Company prior to vesting, whether or not dividends have been paid on such Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award of Restricted Stock, to the extent of any such forfeiture or reacquisition by the Company, shall again be available for granting Awards under the Plan. Shares that are withheld in full or partial payment to the Company of the purchase or exercise price relating to an Award or in connection with the satisfaction of tax obligations relating to an Award (other than an Incentive Stock Option) shall again be available for granting Awards under the Plan. Any previously issued Shares that are used by a Participant as full or partial payment to the Company of the purchase or exercise price relating to an Award or in connection with the satisfaction of tax obligations relating to an Award shall again be available for granting Awards under the Plan.
- (c) Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is necessary in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall adjust any or all of (i) the number and type of Shares (or other securities or other property) that thereafter may be made the subject of Awards, (ii) the number and type of Shares (or other securities or other property) subject to outstanding Awards, (iii) the purchase price or exercise price with respect to any Award and (iv) the limitations contained in Section 4(d) of the Plan.
- (d) Award Limitations Under the Plan.
 - (i) Section 162(m) Limitation for Certain Types of Awards. No Eligible Person may be granted Options, Stock Appreciation Rights or any other Award or Awards under the Plan, the value of which Award or Awards is based solely on an increase in the value of the Shares after the date of grant of such Award or Awards, for more than 1,500,000 Shares (subject to adjustment as provided in Section 4(c) of the Plan) in the aggregate in any taxable year.
 - (ii) Section 162(m) Limitation for Performance Awards. If a Participant is a "covered employee" as defined under Section 162(m) (a "Covered Employee") for any taxable year of the Participant in which a Performance Award (or portion thereof) is payable to the Participant, the maximum amount payable in the aggregate to the Participant during that year pursuant to all Performance Awards, shall be \$5,000,000 in value, whether payable in cash, Shares or other property; and such amount shall be increased annually (as of each January 1st after the date of the Plan amendment in 2009) at a fixed percentage rate of 5% (the "Annual

Performance Award Limit’’). The Annual Performance Award Limit does not apply to any Award subject to the limitation contained in Section 4(d)(i) of the Plan. Further, the Annual Performance Award Limit applies only to Performance Awards granted under this Plan; and shall apply to any Performance Award that was granted under this Plan before the effective date of this Section 4(d)(ii), as amended in 2009, only to the extent provided in the Award Agreement evidencing that Performance Award. Any limitations on awards granted to the Participant under any other executive incentive plan maintained by the Company (a ‘‘Non-Plan Award’’) will be governed solely by the terms of such other plan; provided, however, that, if any amount is payable to the Participant during a given year under a Non-Plan Award that is subject to Code Section 409A, and the terms of the Non-Plan Award permit or require the Company or any Affiliate (or its delegate) to delay beyond that year the payment of any portion of such Non-Plan Award to comply with Section 162(m), the Company shall cause payment of such portion to be delayed for that purpose.

If the Committee reasonably anticipates, on or before any date on which a Performance Award (or portion thereof) is payable to a Participant, that the Participant will be a Covered Employee for the taxable year in which that amount is payable, the Committee will apply the Annual Performance Award Limit to that amount and any other Performance Award amount otherwise payable to the Participant during that year; provided, however, that if the Committee determines at any later time during the year that the Participant is not a Covered Employee for that year, due to a termination of employment or for any other reason, the Committee will direct payment to the Participant of any portion of a Performance Award or Performance Awards that would have been payable during that year or any prior year, but was deferred to comply with the Annual Performance Award Limit, as set forth in this Section 4(d)(ii); and such payment of deferred Performance Award amounts shall be made no later than the last day of the Participant’s first taxable year for which the Participant is not a Covered Employee, unless that payment is delayed beyond that year under Section 7(b) of this Plan, to the extent permitted by or as required to comply with Code Section 409A.

- (iii) Plan Limitation on Restricted Stock, Restricted Stock Units, Dividend Equivalents and Other Stock Grants. No more than 26,300,000 Shares, subject to adjustment as provided in Section 4(c) of the Plan, shall be available under the Plan for issuance pursuant to grants of Restricted Stock, Restricted Stock Units, Dividend Equivalents paid in Shares and Other Stock Grants; provided, however, that if any Awards of Restricted Stock Units terminate or are forfeited or cancelled without the issuance of any Shares or if Shares of Restricted Stock are forfeited or otherwise reacquired by the Company prior to vesting, whether or not dividends have been paid on such Shares, then the Shares subject to such termination, forfeiture, cancellation or reacquisition by the Company shall again be available for grants of Restricted Stock, Restricted Stock Units and Other Stock Grants for purposes of this limitation on grants of such Awards.
- (iv) Limitation on Awards Granted to Non-Employee Directors. Directors who are not also employees of the Company or an Affiliate may not be granted Awards in the aggregate for more than 5% of the Shares available for Awards under the Plan, subject to adjustment as provided in Section 4(c) of the Plan. No Award may be made to any Director who is not also an employee of the Company or an Affiliate unless all such Directors receive an Award with the same terms and conditions; provided, however, that (i) an Award may be made to a Director who is not also an employee of the Company or an Affiliate as compensation for service on a committee of the Board, if all members of such committee receive an Award with the same terms and conditions; and (ii) an Award may be made to a Director who is not also an employee of the Company or an Affiliate upon such Director’s initial appointment to the Board.

- (v) Limitation on Incentive Stock Options. The number of Shares available for granting Incentive Stock Options under the Plan shall not exceed 64,500,000, subject to adjustment as provided in Section 4(c) of the Plan and subject to the provisions of Section 422 or 424 of the Code or any successor provision.

Section 5. Eligibility

Any Eligible Person shall be eligible to be designated a Participant. In determining which Eligible Persons shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Persons, their present and potential contributions to the success of the Company or such other factors as the Committee, in its discretion, shall deem relevant. Notwithstanding the foregoing, an Incentive Stock Option may only be granted to full-time or part-time employees (which term as used herein includes, without limitation, officers and Directors who are also employees), and an Incentive Stock Option shall not be granted to an employee of an Affiliate unless such Affiliate is also a "subsidiary corporation" of the Company within the meaning of Section 424(f) of the Code or any successor provision.

Section 6. Awards

- (a) Options. The Committee is hereby authorized to grant Options to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:
 - (i) Exercise Price. The purchase price per Share purchasable under an Option shall be determined by the Committee; provided, however, that such purchase price shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option, except that the Committee may designate a per-share exercise price below Fair Market Value on the date of grant (A) to the extent necessary or appropriate, as determined by the Committee, to satisfy applicable legal or regulatory requirements of a foreign jurisdiction; or (B) if the Option is granted in substitution for a stock option previously granted by an entity that is acquired by or merged with the Company or an Affiliate. Except as otherwise provided in Section 6(g)(viii), any Award Agreement granting an Option with a per-share exercise price below Fair Market Value shall contain provisions that are intended to allow the Option to satisfy the requirements of (or be exempt from) Code Section 409A and any applicable provisions of Section 6(g)(viii) of this Plan.
 - (ii) Option Term. The term of each Option shall be fixed by the Committee at the time of grant, but shall not be longer than 10 years from the date of grant.
 - (iii) Time and Method of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms (which may include, without limitation, cash, Shares (actually or by attestation), other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the applicable exercise price) in which, payment of the exercise price with respect thereto may be made or deemed to have been made. Unless otherwise provided in the agreement evidencing the Option, any Non-Qualified Option may be exercised by instructing the Company to withhold from the Shares issuable upon exercise of the Option Shares in payment of all or any part of the exercise price and/or any related withholding obligations consistent with Section 8, which Shares shall be valued for this purpose at their Fair Market Value or in such other manner as may be authorized from time to time by the Committee.
- (b) Stock Appreciation Rights. The Committee is hereby authorized to grant Stock Appreciation Rights to Eligible Persons subject to the terms of the Plan and any applicable Award Agreement. A Stock Appreciation Right granted

under the Plan shall confer on the holder thereof a right to receive upon exercise thereof the excess of (i) the Fair Market Value of one Share on the date of exercise (or, if the Committee shall so determine, at any time during a specified period before or after the date of exercise) over (ii) the grant price of the Stock Appreciation Right as determined by the Committee, which grant price shall not be less than 100% of the Fair Market Value of one Share on the date of grant of the Stock Appreciation Right; provided, however, that the Committee may designate a per-share grant price below Fair Market Value on the date of grant (A) to the extent necessary or appropriate, as determined by the Committee, to satisfy applicable legal or regulatory requirements of a foreign jurisdiction; or (B) if the Stock Appreciation Right is granted in substitution for a stock appreciation right previously granted by an entity that is acquired by or merged with the Company or an Affiliate. Except as otherwise provided in Section 6(g)(viii), any Award Agreement granting Stock Appreciation Rights with a per-share grant price below Fair Market Value shall contain provisions that are intended to allow the Stock Appreciation Rights to satisfy the requirements of (or be exempt from) Code Section 409A and any applicable provisions of Section 6(g)(viii) of this Plan. Subject to the terms of the Plan, the grant price, term, methods of exercise, dates of exercise, methods of settlement and any other terms and conditions (including conditions or restrictions on the exercise thereof) of any Stock Appreciation Right shall be as determined by the Committee.

- (c) Restricted Stock and Restricted Stock Units. The Committee is hereby authorized to grant Restricted Stock and Restricted Stock Units to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:
- (i) Restrictions. Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate. The minimum vesting period of such Awards shall be three years from the date of grant, unless the Award is conditioned on performance of the Company or an Affiliate or on personal performance (other than continued service with the Company or an Affiliate), in which case the Award may vest over a period of at least one year from the date of grant. Notwithstanding the foregoing, the Committee may permit acceleration of vesting of such Awards in the event of the Participant's death, disability or retirement or a change in control of the Company.
 - (ii) Issuance and Delivery of Shares. Any Restricted Stock granted under the Plan shall be issued at the time such Awards are granted and may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company. Such certificate or certificates shall be registered in the name of the Participant and shall bear an appropriate legend referring to the restrictions applicable to such Restricted Stock. Shares representing Restricted Stock that is no longer subject to restrictions shall be delivered to the Participant promptly after the applicable restrictions lapse or are waived. In the case of Restricted Stock Units, no Shares shall be issued at the time such Awards are granted. Upon the lapse or waiver of restrictions and the restricted period relating to Restricted Stock Units evidencing the right to receive Shares, such Shares shall be issued and delivered to the holder of the Restricted Stock Units.
 - (iii) Forfeiture. Except as otherwise determined by the Committee, upon a Participant's termination of employment or resignation or removal as a Director (in either case, as determined under criteria established by the Committee) during the applicable restriction period, all Shares of Restricted Stock and Restricted Stock Units held by the Participant at such time subject to restriction shall be forfeited and reacquired by the Company; provided, however, that the Committee may, when it finds that a waiver would be in the best interest of the

Company, waive in whole or in part any or all remaining restrictions with respect to Shares of Restricted Stock or Restricted Stock Units.

- (iv) Except as otherwise provided in Section 6(g)(viii), any Award Agreement granting Restricted Stock Units shall contain provisions that are intended to allow the Restricted Stock Units to satisfy the requirements of (or be exempt from) Code Section 409A and any applicable provisions of Section 6(g)(viii) of this Plan.
- (d) Performance Awards. The Committee is hereby authorized to grant to Eligible Persons Performance Awards which are intended to be “qualified performance-based compensation” within the meaning of Section 162(m). A Performance Award granted under the Plan may be payable in cash or in Shares (including, without limitation, Restricted Stock). Performance Awards shall, to the extent required by Section 162(m), be conditioned solely on the achievement of one or more objective Performance Goals, and such Performance Goals shall be established by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m). Subject to the terms of the Plan and any applicable Award Agreement, the Performance Goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award granted, the amount of any payment or transfer to be made pursuant to any Performance Award and any other terms and conditions of any Performance Award shall be determined by the Committee. The Committee shall also certify in writing that such Performance Goals have been met prior to payment of the Performance Awards to the extent required by Section 162(m). Except as otherwise provided in Section 6(g)(viii), any Award Agreement granting a Performance Award shall contain provisions that are intended to allow the Performance Award to satisfy the requirements of (or be exempt from) Code Section 409A and any applicable provisions of Section 6(g)(viii) of this Plan.
- (e) Dividend Equivalents. Except as limited below, the Committee is hereby authorized to grant Dividend Equivalents to Eligible Persons under which the Participant shall be entitled to receive payments (in cash, Shares, other securities, other Awards or other property as determined in the discretion of the Committee) equivalent to the amount of cash dividends paid by the Company to holders of Shares with respect to a number of Shares determined by the Committee. Dividend Equivalents will not be permitted on appreciation awards (e.g., Stock Appreciation Rights and Options), and will not be paid out on unearned performance awards. Subject to the terms of the Plan, such Dividend Equivalents may have such terms and conditions as the Committee shall determine.
- (f) Other Stock Grants. The Committee is hereby authorized, subject to the terms of the Plan, to grant to Eligible Persons Shares without restrictions thereon as are deemed by the Committee to be consistent with the purpose of the Plan. Subject to the terms of the Plan and any applicable Award Agreement, such Other Stock Grant may have such terms and conditions as the Committee shall determine.
- (g) General.
 - (i) Consideration for Awards. Awards may be granted for no cash consideration or for any cash or other consideration as determined by the Committee or required by applicable law.
 - (ii) Awards May Be Granted Separately or Together. Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with or in substitution for any other Award or any award granted under any other plan of the Company or any Affiliate. Awards granted in addition to or in tandem with other Awards or in addition to or in tandem with awards granted under any such other plan of the Company or any Affiliate may be granted either at the same time as or at a different time from the grant of such other Awards or awards.
 - (iii) Forms of Payment under Awards. Subject to the terms of the Plan and of any applicable Award Agreement, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise or payment of an

Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, other securities, other Awards or other property or any combination thereof); and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents with respect to installment or deferred payments. Except as otherwise provided in Section 6(g)(viii), any change in the timing of payment of an Award shall satisfy the requirements of (or be exempt from) Code Section 409A and any applicable provisions of Section 6(g)(viii) of this Plan.

- (iv) Limits on Transfer of Awards. Except as otherwise provided by the Committee or the terms of this Plan, no Award (other than Shares that are not Restricted Stock), and no right under any such Award, shall be transferable by a Participant either (A) for any consideration or (B) without consideration other than by will or by the laws of descent and distribution. The Committee may establish procedures as it deems appropriate for a Participant to designate a Person or Persons, as beneficiary or beneficiaries, to exercise the rights of the Participant and receive any property distributable with respect to any Award in the event of the Participant's death. The Committee, in its discretion and subject to such additional terms and conditions as it determines, may permit a Participant to transfer a Non-Qualified Stock Option to any "family member" (as such term is defined in the General Instructions to Form S-8 (or any successor to such Instructions or such Form) under the Securities Act of 1933, as amended) at any time that such Participant holds such Option; provided, however, that such transfers may not be for value (as defined in the General Instructions to Form S-8, or any successor to such Instructions or such Form) and the family member may not make any subsequent transfers other than by will or by the laws of descent and distribution. Each Option, Stock Appreciation Right or right under any other Award shall be exercisable during the Participant's lifetime only by the Participant (except as provided herein or in an Award Agreement or amendment thereto relating to a Non-Qualified Stock Option) or, if permissible under applicable law, by the Participant's guardian or legal representative. No Award or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance thereof shall be void and unenforceable against the Company or any Affiliate; provided, however, that this sentence shall apply to an Other Stock Grant only to the extent provided under the terms of the Award Agreement for the Other Stock Grant.
- (v) Term of Awards. The term of each Award shall be for a period not longer than 10 years from the date of grant.
- (vi) Restrictions; Securities Exchange Listing. All Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan, applicable federal or state securities laws and regulatory requirements, and the Committee may direct appropriate stop transfer orders and cause other legends to be placed on the certificates for such Shares or other securities to reflect such restrictions. If the Shares or other securities are traded on a securities exchange, the Company shall not be required to deliver any Shares or other securities covered by an Award unless and until such Shares or other securities have been and continue to be admitted for trading on such securities exchange.
- (vii) Prohibition on Repricing. Except as provided in Section 4(c) of the Plan, no Option or Stock Appreciation Right may be amended to reduce its initial exercise or grant price and no Option or Stock Appreciation Right shall be canceled and replaced with Options or Stock Appreciation Rights or other Awards having a lower exercise or grant price, without the approval of the shareholders of the Company.

(viii) Code Section 409A Provisions. Notwithstanding anything in the Plan or any Award Agreement to the contrary, to the extent that any amount or benefit that constitutes “deferred compensation” to a Participant under Section 409A of the Code and applicable guidance thereunder is otherwise payable or distributable to a Participant under the Plan or any Award Agreement solely by reason of the occurrence of a Change in Control or due to the Participant’s disability or separation from service, such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance unless the Committee determines in good faith that (A) the circumstances giving rise to such Change in Control, disability or separation from service meet the definition of a change in ownership or control, disability or separation from service, as the case may be, in Section 409A(a)(2)(A) of the Code; or (B) the payment or distribution of such amount or benefit would be exempt from the application of Section 409A of the Code by reason of the short-term deferral exemption or otherwise. Any payment or distribution that otherwise would be made to a Participant who is a Specified Employee (as determined by the Committee in good faith) on account of separation from service may not be made before the date which is six (6) months after the date of the Specified Employee’s separation from service unless the payment or distribution is exempt from the application of Section 409A of the Code by reason of the short-term deferral exemption or otherwise. Notwithstanding the foregoing provisions of this Section 6(g)(viii), Award Agreements may be written or amended in a manner that does not satisfy the requirements of Code Section 409A (or any exemption therefrom), but only if and to the extent that the Committee specifically provides in written resolutions that the Award Agreement or amendment is not intended to comply with Code Section 409A.

Section 7. Amendment and Termination; Adjustments

- (a) Amendments to the Plan. The Board may amend, alter, suspend, discontinue or terminate the Plan at any time; *provided, however,* that, notwithstanding any other provision of the Plan or any Award Agreement, without the approval of the shareholders of the Company, no amendment shall be made that, absent such approval:
- (i) violates the rules or regulations of the New York Stock Exchange or any other securities exchange applicable to the Company;
 - (ii) increases the number of shares authorized under the Plan as specified in Section 4(a) of the Plan;
 - (iii) increases the number of shares subject to the limitations contained in Section 4(d) of the Plan;
 - (iv) permits the award of Options or Stock Appreciation Rights at a price less than 100% of the Fair Market Value of a Share on the date of grant of such Option or Stock Appreciation Right, as prohibited by Sections 6(a)(i) and 6(b)(ii) of the Plan or the repricing of Options or Stock Appreciation Rights, as prohibited by Section 6(g)(vii) of the Plan;
 - (v) expands the classes or categories of persons eligible to receive Awards under the Plan; or
 - (vi) would cause Section 162(m) to become unavailable with respect to the Plan.
- (b) Amendments to Awards. The Committee may waive any conditions of or rights of the Company under any outstanding Award, prospectively or retroactively. Except as otherwise provided by the terms of the Plan or an Award Agreement, the Committee may not amend, alter, suspend, discontinue or terminate any outstanding Award, prospectively or retroactively, if such action would adversely affect the rights of the holder of such Award, without the consent of the Participant or holder or beneficiary thereof. The Company intends that Awards under the Plan shall satisfy the requirements of Section 409A of the Code to avoid any adverse tax results thereunder and the Committee shall administer and interpret the Plan and all Award Agreements in a manner consistent with that intent. In this regard, if any provision of the Plan or an Award Agreement would result in adverse tax

consequences under Section 409A of the Code, the Committee may amend that provision (or take any other action reasonably necessary) to avoid any adverse tax results and no action taken to comply with Section 409A of the Code shall be deemed to impair or otherwise adversely affect the rights of any holder of an Award or beneficiary thereof.

- (c) Correction of Defects, Omissions and Inconsistencies. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award or Award Agreement in the manner and to the extent it shall deem desirable to implement or maintain the effectiveness of the Plan.

Section 8. Income Tax Withholding

In order to comply with all applicable federal, state, local or foreign income tax laws or regulations, the Company may take such action as it deems appropriate to ensure that all applicable federal, state, local or foreign payroll, withholding, income or other taxes, which are the sole and absolute responsibility of a Participant, are withheld or collected from such Participant. In order to assist a Participant in paying all or a portion of applicable taxes to be withheld or collected upon exercise or receipt of (or the lapse of restrictions relating to) an Award, the Committee, in its discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (i) electing to have the Company withhold a portion of the Shares otherwise to be delivered upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes or (ii) delivering to the Company Shares other than Shares issuable upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes.

Section 9. General Provisions

- (a) No Rights to Awards. No Eligible Person or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Persons or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.
- (b) Award Agreements. No Participant will have rights under an Award granted to such Participant unless and until an Award Agreement shall have been duly executed on behalf of the Company and, if requested by the Company, signed by the Participant.
- (c) Plan Provisions Control. In the event that any provision of an Award Agreement conflicts with or is inconsistent in any respect with the terms of the Plan as set forth herein or subsequently amended, the terms of the Plan shall control.
- (d) No Rights of Shareholders. Except with respect to Shares of Restricted Stock as to which the Participant has been granted the right to vote, neither a Participant nor the Participant's legal representative shall be, or have any of the rights and privileges of, a shareholder of the Company with respect to any Shares issuable to such Participant upon the exercise or payment of any Award, in whole or in part, unless and until such Shares have been issued.
- (e) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.
- (f) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained as an employee of the Company or any Affiliate, or a Director to be retained as a Director, nor will it affect in any way the right of the Company or an Affiliate to terminate a Participant's employment at any time, with or without cause. In addition, the Company or an Affiliate may at any time dismiss a Participant from employment

free from any liability or any claim under the Plan or any Award, unless otherwise expressly provided in the Plan or in any Award Agreement.

- (g) **Governing Law.** The validity, construction and effect of the Plan or any Award, and any rules and regulations relating to the Plan or any Award, shall be determined in accordance with the internal laws, and not the law of conflicts, of the State of Minnesota.
- (h) **Severability.** If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.
- (i) **No Trust or Fund Created.** Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and an Eligible Person or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.
- (j) **No Fractional Shares.** No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash shall be paid in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.
- (k) **Headings.** Headings are given to the Sections and subsections of the Plan or any Award Agreement solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

Section 10. Effective Date of the Plan

Section 11. Term of the Plan

The Plan shall terminate at midnight on June 23, 2014, unless terminated before then by the Board. Awards may be granted under the Plan until the Plan terminates or until all Shares available for Awards under the Plan have been purchased or acquired; provided, however, that Incentive Stock Options may not be granted following the 10-year anniversary of the Board's adoption of the Plan on April 19, 2004. The Plan shall remain in effect as long as any Awards are outstanding.

Except when otherwise indicated by the context, words in the masculine gender, when used in the Plan shall include the feminine gender, the singular shall include the plural, and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

3. Administration

3.1 The Committee shall have full power and authority, subject to the provisions of the Plan, (i) to designate employees as Participants, (ii) to add and delete employees from the list of designated Participants, (iii) to establish Individual Target Awards for Participants, (iv) to establish performance goals upon achievement of which the Individual Target Awards will be based, and (v) to take all action in connection with the foregoing or in relation to the Plan as it deems necessary or advisable. Decisions and selections of the Committee shall be made by a majority of its members and, if made pursuant to the provisions of the Plan, shall be final.

3.2 Notwithstanding the foregoing, the Committee may delegate to the Chief Executive Officer (the "CEO") the power and authority, subject to the provisions of the Plan, (i) to designate employees who are not Covered Employees as

Participants, (ii) to recommend Covered Employees to the Committee for designation as Participants; provided that the Committee shall review and approve Covered Employees as Plan Participants recommended by the CEO, (iii) to add and delete employees who are not Covered Employees from the list of designated Participants, (iv) to establish Individual Target Awards and performance goals upon achievement of which such Individual Target Awards will be based for Participants who are not Covered Employees, and (v) to review and approve, modify or disapprove, or otherwise adjust or determine the amount, if any, to be paid to Participants who are not Covered Employees for the applicable Performance Period based on such Participants' performance goals and individual performance. In addition to the forgoing, the CEO may further delegate his authority to other executive officers of the Company, except that the CEO may not delegate his authority to recommend Covered Employees to the Committee for designation as Participants. References to the Committee herein shall include references to the CEO and his designees to the extent that the Committee has delegated power and authority under the Plan to the CEO and to the extent that the CEO has further delegated power and authority under the Plan to other executive officers of the Company.

3.3 The Committee may promulgate such rules and regulations as it deems necessary for the proper administration of the Plan and the CEO (but not his designees) may promulgate rules and regulations as he deems necessary for the proper administration of the Plan with respect to Participants who are not Covered Employees. The Committee may interpret the provisions and supervise the administration of the Plan, and take all action in connection therewith or in relation to the Plan as it deems necessary or advisable. The interpretation and construction by the Committee of any provision of the Plan or of any award shall be final.

4. Participation

Only employees of the Company designated as Participants by the Committee are eligible under the Plan. Participation in the Plan in one Performance Period is not a guarantee of participation in a future Performance Period.

5. Award Pool

The Award Pool is the maximum aggregate dollar value of awards paid to all Plan Participants in a fiscal year. If a Performance Period is less than twelve months in duration, the Award Pool shall be prorated on the basis of the ratio the numerator of which is the number of fiscal months in the Performance Period and the denominator of which is twelve. If a Performance Period is more than 12 months in duration, the Award Pool shall be increased by prorating the number of fiscal months in the Performance Period in excess of twelve.

6. Individual Target Awards for Participants

At the beginning of each Performance Period, the Committee shall establish an Individual Target Award for each Participant which shall be a percentage of the Award Pool and also may be expressed as a percentage of the Participant's base salary or a fixed dollar amount, as determined by the Committee. An Individual Target Award shall only be a target and the amount of the target may or may not be paid to the Participant. Establishment of an Individual Target Award for an employee for any Performance Period shall not imply or require that an Individual Target Award or an Individual Target Award at any specified level will be set for any subsequent Performance Period. The amount of any actual award paid to any Participant may be greater or less than this target. As set forth in Section 8.4 below (but subject to the limitations applicable to Covered Employees contained in Section 9), the actual award may be increased or decreased, including to zero, as determined by the Committee in its discretion for any Performance Period.

7. Basis of Awards

7.1 Performance Goals. The Committee shall establish measures, which may include financial and non-financial objectives (“Performance Goals”) for the Company. These Performance Goals shall be determined by the Committee in advance of each Performance Period or within such period as may be permitted by the regulations issued under Section 162(m). Performance Goals may reflect an absolute standard of entity or business unit performance or a relative comparison to the performance of a peer group of entities or other external measure of the selected performance criteria. Pursuant to rules and conditions adopted by the Committee with respect to Performance Periods that are at least twelve months in duration, on or before the 90th day of the applicable Performance Period for which Performance Goals are established, or with respect to Performance Periods that are less than twelve months in duration, before 25 percent of the Performance Period has elapsed, the Committee may appropriately adjust any evaluation of performance under such goals to exclude the effect of certain events, including any of the following events: asset write-downs; litigation or claim judgments or settlements; changes in tax law, accounting principles or other such laws or provisions affecting reported results; severance, contract termination and other costs related to exiting certain business activities; and gains or losses from the disposition of businesses or assets or from the early extinguishment of debt.

7.2 Adjustment of Performance Goals. Performance Goals may be determined on an absolute basis or relative to internal goals or relative to levels attained in prior periods or related to other companies or indices or as ratios expressing relationships between two or more Performance Goals. In addition, Performance Goals may be based upon the attainment of specified levels of Company performance under one or more of the measures described above relative to the performance of other corporations. The Committee shall specify the manner of adjustment of any Performance Goal to the extent necessary to prevent dilution or enlargement of any award as a result of extraordinary events or circumstances, as determined by the Committee, or to exclude the effects of extraordinary, unusual, or non-recurring items; changes in applicable laws, regulations, or accounting principles; currency fluctuations; discontinued operations; non-cash items, such as amortization, depreciation, or reserves; asset impairment; or any recapitalization, restructuring, reorganization, merger, acquisition, divestiture, consolidation, spin-off, split-up, combination, liquidation, dissolution, sale of assets, or other similar corporate transaction, but only to the extent such adjustments would be permitted under Section 162(m).

7.3 Performance Goals related to More than One Operating Unit of the Company. Awards may be based on performance against objectives for more than one business or operating unit of the Company. For example, awards for corporate management may be based on overall corporate performance against objectives, but awards for a business unit’s management may be based on a combination of corporate, business unit and sub-unit performance against objectives.

7.4 Individual Performance. Subject to the limitations set forth in Section 9 below, individual performance of each Participant may be measured and used in determining awards under the Plan.

8. Award Determination

8.1 Award Determined by Committee. After any Performance Period for which an Individual Target Award is established for a Participant under the Plan, the Committee shall review and approve, modify or disapprove the amount, if any, to be paid to the Participant for the Performance Period. The amount paid shall be the Individual Target Award adjusted to reflect both the results against the Participant’s Performance Goals and the Participant’s individual performance. All awards are subject to adjustment at the sole discretion of the Committee.

8.2 Financial and Non-Financial Performance. Individual Target Award amounts may be modified based on the achievement of financial and non-financial objectives by the Company and relevant business or operating units and/or

sub-units of the Company. Performance results against objectives shall be reviewed and approved by the Committee in accordance with Section 7.2 above, as applicable.

8.3 Individual Performance. Any Individual Target Award, adjusted to reflect financial performance, may be further adjusted with the review and approval of the Committee to give full weight to the Participant's individual performance during the Performance Period.

8.4 Overall Effect. The combination of any financial performance adjustment and individual performance adjustment may increase the amount paid under the Plan to a Participant for any Performance Period as determined by the Committee, and may reduce any amount payable including to zero, subject to Section 9. Notwithstanding the foregoing, the exercise of negative discretion by the Committee with respect to a Participant shall not result in an increase in the amount payable to any other Participant.

9. Procedures Applicable to Covered Employees

9.1 Awards under the Plan to Participants who are Covered Employees shall be subject to preestablished Performance Goals as set forth in this Section 9. Notwithstanding the provisions of Section 8.3 above, the Committee shall not have discretion to modify the terms of awards to such Participants except as specifically set forth in this Section 9.

9.2 At the beginning of a Performance Period, the Committee shall establish Individual Target Awards for such of the Participants who may be Covered Employees, payment of which shall be conditioned upon satisfaction of specific Performance Goals for the Performance Period established by the Committee in writing in advance of the Performance Period, or within such period as may be permitted by regulations issued under Section 162(m). The extent, if any, to which an award will be payable will be based upon the degree of achievement of the Performance Goals in accordance with a pre-established objective formula or standard as determined by the Committee. The application of the objective formula or standard to the Individual Target Award will determine whether the Covered Employee's award for the Performance Period is greater than, equal to or less than the Participant's Individual Target Award. To the extent that the minimum Performance Goals are satisfied or surpassed, and upon written certification by the Committee that the Performance Goals have been satisfied to a particular extent, payment of the award shall be made as soon as reasonably practicable after the Payment Date in accordance with the objective formula or standard applied to the Individual Target Award unless the Committee determines, in its sole discretion, to reduce or eliminate the payment to be made.

9.3 Notwithstanding any other provision of the Plan, the maximum award payable to any Participant who is a Covered Employee for a Performance Period that is twelve months in duration shall not exceed \$10,000,000. If a Performance Period is less than 12 months in duration, the maximum award amount shall be prorated on the basis of the ratio the numerator of which is the number of fiscal months in the Performance Period and the denominator of which is twelve. If a Performance Period is more than 12 months in duration, the maximum award shall be increased by prorating the number of fiscal months in the Performance Period in excess of twelve.

10. Payment of Awards

10.1 **Restrictive Covenants and Forfeiture.** Prior to the payment of any award under the Plan, a Participant must execute a participation agreement. Such participation agreement shall include, among other provisions, restrictive covenants and forfeiture provisions, including but not limited to Section 7.1 of the Participant's award agreement, concerning Confidential Information.

10.2 **Payment.** An award under the Plan may be paid in cash or in restricted stock. Awards paid in cash shall be paid in a single sum to the Participant as soon as reasonably practicable after Payment Date, unless the Participant elects to defer his or her award pursuant to the terms and conditions of the Company's Amended and Restated Deferred Compensation Plan, as amended (the "DCP") and in compliance with Section 409A of the Code. To the extent that an award is not deferred under the DCP, such award shall be paid no later than two and one-half months following the end of the Performance Period. Awards paid in restricted stock shall be paid as soon as reasonably practicable after Payment Date but no later than two and one-half months following the end of the Performance Period and such restricted stock shall be issued pursuant to the Company's 2004 Omnibus Stock and Incentive Plan, as amended.

11. Employment on Last Day of Performance Period

11.1 **Termination without Cause; Voluntary Termination; Death; Disability.** The Participant must be an active employee of the Company Group through the last day of the applicable Performance Period to be eligible to receive an award, if any, on the Payment Date. If the Participant's employment with the company is terminated for any reason or no reason prior to the end of the applicable Performance Period (including, termination without Cause, voluntarily termination, death or disability), the Participant will not be eligible to receive an award with respect to that Performance Period.

11.2 **Termination for Cause.** If the Participant's employment with the Company Group is terminated for Cause, the Participant will no longer be eligible to receive an award under the Plan regardless of performance.

11.3 **Leave of Absence.** If the applicable Performance Period is at least twelve months in duration, the Participant's award will be prorated if the Participant is on approved leave of absence status during a portion of the Performance Period. The award shall be prorated on the basis of the ratio the numerator of which is the number of months the Participant is not on an approved leave of absence during the Performance Period measured as of the fiscal 15th day of the fiscal month and the denominator of which is twelve.

12. Withholding Taxes

Whenever the payment of an award is made, such payment shall be net of an amount sufficient to satisfy federal, state and local income and employment tax withholding requirements and authorized deductions.

13. Employment Rights

Neither the Plan nor designation as a Plan Participant shall be deemed to give any individual a right to remain employed by the Company Group. The Company Group reserves the right to terminate the employment of any employee at any time, with or without cause or for no cause, subject only to a written employment contract (if any).

14. Nonassignment; Participants are General Creditors

14.1 The interest of any Participant under the Plan shall not be assignable either by voluntary or involuntary assignment or by operation of law (except by designation of a beneficiary or beneficiaries to the extent allowed under the DCP with respect to amounts deferred under Section 10) and any attempted assignment shall be null, void and of no effect.

14.2 Amounts paid under the Plan shall be paid from the general funds of the Company, and each Participant shall be no more than an unsecured general creditor of the Company with no special or prior right to any assets of the

Company for payment of any obligations hereunder. Nothing contained in the Plan shall be deemed to create a trust of any kind for the benefit of any Participant, or create any fiduciary relationship between the Company and any Participant with respect to any assets of the Company.

15. Amendment or Termination

The Board may terminate or suspend the Plan at any time. The Committee may amend the Plan at any time; provided that (i) to extent required under Section 162(m), the Plan will not be amended without prior approval of the Company's stockholders, and (ii) no amendment shall retroactively and adversely affect the payment of any award previously made.

16. Successors and Assigns

This Plan shall be binding on the Company and its successors or assigns.

17. Interpretation and Severability

The Plan is intended to comply with Section 162(m), and all provisions contained herein shall be construed and interpreted in a manner to so comply. In case any one or more of the provisions contained in the Plan shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of the Plan, but the Plan shall be construed as if such invalid, illegal or unenforceable provisions had never been contained herein.

IN WITNESS WHEREOF, the undersigned officer of the Company certifies that the foregoing sets forth the Best Buy Co., Inc. Short-Term Incentive Plan as duly adopted by the Board on April 7, 2011.
