TO OUR SHAREHOLDERS

The Fiscal Year that ended January 31, 2004 was a very successful year for Astro-Med, Inc. with strong sales and profit increases.

Our major product groups, QuickLabel® Systems and Grass-Telefactor® each recorded double digit sales growth and introduced major new products. Test and Measurement product group entered into major long-term contracts for ruggedized cockpit printers which will produce significant revenue and profits for many years.

Revenue for the year was $55,871,000, with net income of $3,217,000 million, equal to 66 cents per diluted share. For the prior year, revenue was $49,165,000 and we had a net loss of $1,882,000, equal to 44 cents per diluted share. We ended the year with no debt and a strong cash position.

We enter fiscal year 2005 with a strong lineup of products, a strong sales, marketing and customer support organization, a creative research and development staff, and a vigilant and highly effective administrative and financial staff.

We are optimistic about prospects for continued progress in the new year.
