

Celebrate Pride with knowledge, storytelling, laughs and great music!

Here's our QUICK GUIDE to help you ring in Pride Month!

Brought to you by
Signet PRIDE Business
Resource Group

OUR MISSION:

We envision a renowned culture where policies, visual imagery, words, and behaviors reflect our passion for celebrating all lives and all expressions of love.

PODCASTS

Gender Questions

Weekly podcast in which Associate Editor Dhamini Ratnam addresses blindspots around gender and sexuality, by taking an issue that's in the news, and looking at it different, with the help of experts.

NB: My Non-Binary Life

Features a BBC radio producer & filmmaker on a personal journey through many interviews and reflections on what it means to be & feel non-binary, starting with coming out to yourself, debunking assumptions about language & learning which pronouns you identify with, navigating gender dysphoria, and celebrating your truest, most excellent self.

...MORE PODCASTS GREAT READS

Growing Up with gal-dem

Liv Little and Charlie Brinkhurst-Cuff invite a different guest to read out of their old diary entries, letters, and texts from their younger selves.

For the girls

Hosted by Jason Black and Nick Westrate, For the Girls is a podcast that discusses legendary female performers such as Patti LuPone, Joan Crawford and Celine Dion.
