

Salary Finance

[Salary Finance](#) is a voluntary employee benefit that can help you borrow at affordable rates, with repayments conveniently collected from your paycheck so you never have to worry about missing a payment. A lower-rate loan could help you afford moving expenses, pay down debt, invest in home improvements, and more.

[Learn More](#)

Through our partnership with Salary Finance, you have the ability to access:

- **Affordable loans:** Loans at affordable rates with higher acceptance than traditional lenders.
- **Financial education:** 70+ resources and tools to help you manage your money and plan your financial future.
- **Free referrals to financial resources in your area:** Salary Finance is able to provide free referrals to nonprofit or government services in your local area to help you save money on things like utility bills, rent, or groceries.

What to know about Salary Finance loans:

- Current fixed interest rates range from 5.9-19.9% Annual Percentage Rate (APR)
- Repayments are timed to match when you get your paycheck.
- The loan application is online, takes less than 10 minutes, and funds for approved loans are typically received within 48 hours.
- Salary Finance considers a range of factors to determine your rate, including how long you've been employed with Signet and your annual salary.
- All applications are confidential, and any communication will be directly with the Salary Finance team.
