As part of the COVID -19 state response, the Texas Workforce Commission implemented a temporary waiver on the job search requirement for all Texas employees on furlough and collecting unemployment due to COVID. This temporary waiver was scheduled to end effective July 6, 2020.

Due to the rising numbers of coronavirus cases and hospitalizations across Texas, the Texas Workforce Commission has announced it will postpone the work-search requirement for out-of-work Texans receiving unemployment benefits until late July.

We will continue to monitor the situation and will provide any updates as we receive them.

If you have questions regarding unemployment, please contact the Texas Unemployment office at **1-800-939-6631**.
