# Planet Fitness Named to Fortune's 2025 100 Fastest-Growing Companies List

2025-10-27

HAMPTON, N.H., Oct. 27, 2025 /PRNewswire/ -- Planet Fitness, Inc. (NYSE: PLNT) (the "Company"), one of the largest and fastest-growing franchisors and operators of fitness centers with more members than any other fitness brand, has been named to Fortune's 2025 100 Fastest-Growing Companies List. The annual list, published by Fortune magazine, recognizes companies with exceptional growth in revenue, profits, and stock performance over a three-year period.

The ranking is a result of Planet Fitness achieving Fortune's rigorous financial benchmarks, including revenue and net income of at least \$50 million and \$10 million, respectively, for the previous four quarters, as well as posting annualized growth of at least 20% in both revenue and earnings per share over the past three years. Rankings are determined by combining three equally weighted metrics of revenue growth, EPS growth, and total shareholder return.

"This recognition from Fortune is a testament to the strength of our model and growth over the past several years," said Planet Fitness CEO Colleen Keating. "We are taking a smart approach to growth and continuing to enhance our member experience, invest in innovative fitness experiences to meet consumer expectations, and stay true to our mission of making high-quality, affordable wellness accessible to everyone."

Planet Fitness continues to accelerate new club growth, adding more than 600 clubs over the past five years and nearly 14 million members in the last ten years. As consumers increasingly prioritize health and well-being, Planet Fitness is well-positioned to meet that demand with its judgement free fitness experience.
