Ingersoll Rand Files Form 8-K to Present Selected Historical Financial Information Related to Realigned Business Segments

Swords, Ireland, January 18, 2010 -- Ingersoll-Rand plc (NYSE:IR), a leading diversified industrial company, today filed a Form 8-K to present selected historical financial information related to its realigned business segments.

As previously announced, effective with reporting fourth quarter 2009 results, the company realigned its business segments to more closely correspond with its corporate and business strategies, markets, products and services, engineering and technology capabilities and operational footprint to promote additional productivity and growth.

Ingersoll-Rand plc will release its 2009 fourth-quarter financial results, which will reflect the realigned business segments, on Friday, February 12, 2010, at 7:00 a.m. ET.

Ingersoll Rand is a global diversified industrial firm providing products, services and solutions to enhance the quality and comfort of air in homes and buildings, transport and protect food and perishables, secure homes and commercial properties, and enhance industrial productivity and efficiency. Driven by a 100-year-old tradition of technological innovation, we enable companies and their customers to create progress. For more information, visit www.ingersollrand.com.
